*Alternate Generals II* Harry Turtledove, 2002-07-01 LEADERSHIP MAKES ALL THE DIFFERENCE as history demonstrates But there are other factors at work Would Sir Francis Drake have as easily put paid to the Spanish Armada if a typhoon hadn't softened up the enemy first What if history were given a twist or two and great commanders on land and sea had more or fewer forces better or worse weather quicker or slower communications better supplies or none at all Just suppose for example General Billy Mitchell had not been court martialed for advocating air power and happened to be leading training flights of warplanes at Pearl Harbor in December 1941 As it happens to find out the answer to that question pick up the first book in the series *Alternate Generals* from Baen This new volume has even more fascinating speculations in alternate history science fiction turning history upside down and inside out as leaders who have made their mark on our history make different marks in a very different world The possibilities are endless At the publisher's request this title is sold without DRM Digital Rights Management     *Alternate Generals III* Harry Turtledove, 2005-04-01 Once Again Great Leaders Make Great History but Not History as We Know It History shows that leadership is crucial in war but there are other factors at work What if history were given a twist or two and great commanders on land and sea fought their greatest battles under different circumstances Suppose General Douglas MacArthur had been captured before he could escape from Manila and became a prisoner of war Suppose Joan of Arc had not been burned for heresy and had gone on to lead France to very different victories Suppose Genghis Khan had been a convert to Judaism and his horde had fought for a different cause than in our universe Turtledove and his colleagues turn the past upside down and inside out and the possibilities are endless At the publisher's request this title is sold without DRM Digital Rights Management     ***Alternate Generals*** Harry Turtledove, Roland J. field de Camp was one of the shapers of modern science fiction and a superb storyteller Robert Silverberg      **The Time of Troubles II** Harry Turtledove, 2005-09-01 Abrivard marshal of Makuran has been given an impossible task by his King destroy the mighty Empire of Videssos Even as he pondered how to obey Videssos s legions are on the march attacking Makuran first Abrivard finds himself fighting a defensive war putting his great battle skills to the task of driving the invaders from his home the land of the Thousand Cities But even as he struck back at the invader he realized that force of arms alone would not carry the day for Videssos s powerful sorcerers were the stuff of legend and a strong sword are could not stand against a potent battle spell which could strike the mightiest warrior dead from miles away At the publisher s request this title is sold without DRM Digital Rights Management      **Exiled: Clan of the Claw** S. M. Stirling, Harry Turtledove, John Ringo, Jody Lynn Nye, 2011-08-01 First entry in a new series with three big all new linked novellas from multiple best sellers S M Stirling John Ringo Jody Lynn Nye and Harry Turtledove After the extinction asteroid DOESN T strike Earth the dinosaurs keep evolving but so do the mammals We mammals have achieved human like shapes but now it s cold blooded magic using reptiles against the hot blooded hot tempered descendants of cats In a heroic bronze age world similar to 300 the Mrem Clan of the Claw and its sister warbands are expanding their rough and tumble territory but now they face the Lishkash masters of a cold blooded empire of slave armies and magic It s mammalian courage and adaptation against reptile cunning in a clash of steel and will that will determine which line shall inherit the Earth At the publisher s request this title is sold without DRM Digital Rights Management      **Advance and Retreat** Harry Turtledove, 2002-12-01 THE NORTH SHALL RISE AGAIN When Avram became King of Detina he declared he intended to liberate the blond serfs from their ties to the land This noble assertion immediately plunged the kingdom into a civil war that would prove long and bloody and set brother against brother The northern provinces dependent on their serf s labor seceded choosing Avram s cousin Grand Duke Geoffrey as their king To save the kingdom Avram sent armies clad in gray against the slave holding North battling Geoffrey s army arrayed in blue Though King Avram held more land and wealth than Geoffrey Geoffrey s men were better soldiers and the North had better and more powerful wizards Still as the war raged on greater population and superior organization began to tell and the tide turned against the North Even so the war is far from over The South still faces two formidable leaders General Bell whose loss of a leg has only strengthened his resolve and Ned of the Forest whose unicorn riders are the most dangerous force on the Northern side And though the Southern sorcerers have become more adept at war spells use of sorcery is unpredictable as the North learned earlier when its forces held an almost impregnable position but retreated in terror when an overconfident sorcerer s spell went awry Though victory seems in sight for the South its armies must now battle the North on its own ground ground which will prove treacherous and deadly At the publisher s request this title is sold without DRM Digital Rights Management      *Minutes of the General Assembly of the Presbyterian Church in the United States of America, with an Appendix* , 1851      **Minutes of the General Assembly of the Presbyterian Church in the United States of**
