Valea, 2020-02-20 We often hear that alternative medicine is superior to classical medicine for it treats us holistically both the physical body and the immaterial part of our nature Although such an approach seems desirable it is precisely this aspect that opens the door to spiritual views incompatible with Christianity Many forms of alternative medicine speak of a divine essence we allegedly possess of a vital force that we can manipulate of spiritual beings that can help us and other such views closely related to Eastern religions and New Age thought In their desire to find healing at any price Christians often resort to these methods without realizing the spiritual danger involved For Christians who want to live consistently with their faith this book is intended to raise awareness of the hidden beliefs of alternative medicine Catelin Hoover, 2009-08 Is Feng Shui merely an ancient philosophy direct from the Orient like so many claims or is it a subtle and potentially dangerous form of the occult The practitioners of Feng Shui consult on commercial and residential interior design architecture landscaping building construction real estate home staging personal concerns and a huge assortment of holistic and alternative forms of healing They also teach lecture author books as well as sell Feng Shui merchandise But are they qualified affordable and responsible Feng Shui practitioners offer a huge smorgasbord of cures for healing everything from the common cold to cancer and for maintaining optimal health and well being But how do the scientific and medical professions evaluate these health and healing methods Similarly the alternative

healing therapies used by those embracing Feng Shui philosophies are these beneficial dangerous or a hoax What are the decorating methods and beliefs propagated by Feng Shui How do these compare to the design theories established by Sherrill Whiton the father of modern interior design Should a Christian use Feng Shui methods to decorate their home or office For the Christian what are the considerations and the consequences if these methods are used in their home or office How should the Christian respond to Feng Shui it s practitioners and the many services provided by them As you turn the pages of this book you will find answers to these questions that may surprise alarm and disturb you as Feng Shui is carefully evaluated from a Christian perspective World Religions Through a Christian Worldview Pat Zukeran,2008-08 Do Jews Muslims and Christians worship the same God Should Christians participate in Yoga or the martial arts Christians today are constantly interacting with individuals concepts and practices from the world s religions To be an effective witness and avoid embracing false ideas it is essential for Christians to understand and evaluate the various religions from a biblical perspective This book is designed to equip Christians for that task Section one gives an overview of the major religions followed by a biblical critique Section two presents an overview and biblical critique of popular religious ideas and practices such as alternative medicine martial arts and yoga Section three addresses the challenges of religious pluralism and presents the author s defense for the unique and exclusive truth of Christianity This is a needed resource for all who want to be an effective witness for Christ in a pluralistic world This is a handy helpful handbook for witnessing to unbelievers from various and sundry religious perspectives Dr Norman Geisler Christian scholar apologist author and founder of Southern Evangelical Seminary World Religions Through a Christian Worldview offers another excellent resource for learning about the beliefs of various religious groups and how they compare with the Bible It will be helpful for Christians who want to understand and witness to members of these groups Non Christian readers will learn why Christianity is different from other religious claims John Ankerberg Author and Host of The John Ankerberg Show Patrick Zukeran earned a Master of Theology from Dallas Theological Seminary a Doctorate of Ministry from Southern Evangelical Seminary and serves on staff with Probe Ministries He is a researcher author radio talk show host and a national and international speaker on apologetics For more information visit www.probe.org and www.evidenceandanswers.org **God's Design for the Highly Healthy Child** Walter L. Larimore, 2004 Considers health of the body mind and spirit offering advice on how to make sense of contradictory media information understand the link between mental and physical health and recruit support during illness The Dao of Healing Lai Pak-Wah, 2018-08-01 The last 50 years have seen the popularity of Chinese medicine grow exponentially In China Korea Japan and Singapore Chinese medicine has been incorporated into their healthcare systems to varying degrees In the West it is no longer uncommon for patients to consult Chinese medicine doctors many of whom are non Chinese However among Christians in many parts of the developed world Chinese medicine is still viewed with suspicion and negativity Are these fears justified How can we better understand the roots and practices of Chinese medicine The Dao of Healing takes us on an in depth exploration of the histories and philosophies that have shaped both Western biomedicine and Chinese medicine in order that we might make informed judgements about them If our call is to love our neighbours we need to be able to dialogue with them on the basis of mutual respect and understanding Let this book be the catalyst for meaningful and productive conversations across the divide **Nutrition in the Practice of Medicine: A Practical Approach, An Issue of Medical Clinics of North America, E-Book** David S. Seres, 2022-09-28 In this issue guest editors bring their considerable expertise to this important topic Provides in depth reviews on the latest updates in the field providing actionable insights for clinical practice Presents the latest information on this timely focused topic under the leadership of experienced editors in the field Authors synthesize and distill the latest research and practice guidelines to create these timely topic based reviews *Going Public with Your Faith* William Carr Peel, Walt Larimore, 2003 Going Public with Your Faith is a call for believers to be ordinary followers of Jesus taking their faith to work and living it out daily in the ordinary transactions of life It includes personal stories from individuals who have made an impact in their workplaces and examines biblical characters in their places of work **Ethics in Pharmacy Practice: A Practical Guide** Dennis M. Sullivan, Douglas C. Anderson, Justin W. Cole, 2021-06-16 This textbook offers a unique and accessible approach to ethical decision making for practicing pharmacists and student pharmacists Unlike other texts it gives clear guidance based on the fundamental principles of moral philosophy explaining them in simple language and illustrating them with abundant clinical examples and case studies The strength of this text is in its emphasis on normative ethics and critical thinking and that there is truly a best answer in the vast majority of cases no matter how complex The authors place high trust in a pharmacist's moral judgment This teaches the reader how to think based on ethical principles not necessarily what to think This means navigating between the two extremes of overly theoretical and excessively prescriptive The cogent framework given in this text uses the language of competing duties identifying the moral principles at stake that create duties for the pharmacist This is the balancing act of normative ethics and of deciding which duties should prevail in a given clinical situation This work presents a clear cut pathway for resolving ethical dilemmas encountered by pharmacists based on

foundational principles and critical thinking Presents a clear cut pathway for resolving the ethical dilemmas encountered by pharmacists based on foundational principles and critical thinking Jon E Sprague RPh PhD Director of Science and Research for the Ohio Attorney General **Faith seeking understanding** Nico Vorster, Frederik van Niekerk, 2023-03-01 How did it all begin How do we even start to engage the differences between creation narratives in the Christian Bible and modern scientific theory The authors of this book explore hermeneutic approaches and developments in biblical studies to set the scene for a religious approach This approach is open to the possibility that a literalist approach to Scripture is in fact the most unjustifiable reading of the Bible This may profoundly affect how we view God the cosmos and even ourselves To be able to read the Bible from the perspective of an open present and future paves the way for suppressed uncertainties to be liberated This paves the way for humankind to freely question all things without being enslaved by imposed religious dogma This is not to say that religion has served its purpose but it is far from it With the rise of technological advancements come other social and anthropological problems not to mention the challenge we face on a global scale with climate change et cetera Just as we dare to peek over the edge of a future without religion the authors bring us back to the fundamental teachings of faith traditions Christianity in particular They remind us that the solutions to these challenges are to be found in us becoming better humans Becoming better humans brings us back into the arena of faith traditions When technology may lead to social disconnection and narcissism religion calls for love of self and neighbour Where greed inspired advancements threaten the future of our planet religion teaches us to be in relationship with our environment and to be custodians of it
