herself About Natalie tells one woman's searingly candid but poignant story known all too well by families across the country and reveals the roller coaster of emotions and nightmarish experiences that come with loving an addict There is despair and joy denial and acceptance rage and tranquility interspersed is Natalie's compelling poetry revealing the unvarnished truth of her struggle By sharing the difficult days of isolation guilt pain and humiliation that being the parent of an addict can bring Naman offers comfort and consolation to others in similar circumstances Ultimately About Natalie is a story of loving no matter what keeping the faith battling hard and getting back on the right road Book jacket

Home Grown Faith David Lynn, Kathy Lynn, 2006-05-08 No matter where you are in your own spiritual journey no matter how little you know about the Bible no matter how busy your schedule you CAN grow your kids in Christian faith Parents of faith are the most influential

people in the lives of children more than pastors Sunday School teachers youth workers or teachers Passing our faith to our kids is the responsibility of the church home grown faith versus church grown faith There are certain conditions that parents can intentionally create in the home that will leave a legacy of faith for their childre grandchildren and beyond They include prayer and devotions family acts of service caring conversations and rituals and traditions Home Grown Faith will encourage and teach parents how they can shape the spiritual future of their kids one day at a time **This Hyena Is Going to Heaven** Grace King'ara,2011-04-06 Samburu The promised land for a jungle kingdom within a land of sunshine called Kenya Nearly all the animals are God fearing Christians Every Sunday the pets of God worship him under a sacred tree and Socialize with their neighbors Sadly no one ever invites Hyena a lonely atheist agonist or something who desperately wants to be someones friend The dragon god has chosen a holy slumber rather than annihilate them all for serving an imaginary unseen God Meanwhile the animals decide to realign their allegiance and feed the god in his sleep hoping when he wakes up he will make everyone as wise and powerful as gods A stone altar is built for food offerings Soon the animals are bowing and tithing the best of their meager food to the dragon But the dragon god is livid and chaos is about to erupt on the top of Devils Mountain In this Christian fairy tale the Dragon Slayer slowly unsheathes his sword But it is up to the Pets of God to let him save their future They must call him by The Name The author calls her original style Holycraft an onslaught on witchcraft in the book shelves This is the first of The Pets of God series *THE NEW CREATION* Daniel Obikwelu,2011-11 The New Creation is a resuscitation of the basic truth of Christ in our generation as God never fails to inspire great work in every age to heal his people It is a transformation from darkness to his marvelous light into the higher glory of the mystery of God whose will is to give us his kingdom The mysteries contained therein is part of the greatest truth revealed by the eternal wisdom of God in our own time for our completeness and a glorious covenant of life against the false teachings that has done so much harm to the mystical body of Christ I am quite certain that heresy indifference schism evil doctrines and powers of this age cannot stop the spirituality and message of this wonderful book for the angels of constellations are at work [A Pew Filler's Review](#) John Groover,2022-06-29 A Pew Filler s Review By John Groover A Pew Filler s Review is filled with years of searching God s Word in an honest effort to know more about Him enjoy a closer walk and understand what it means to have a personal relationship with the One who created the universe A Pew Filler s Review is a compilation of studies about subjects I wanted to learn and know For many years I lived other people s convictions about issues I knew little about Now living my own convictions through research and study of God s Word and putting pen to paper I trust you find this book gives simple answers to questions you may also have **Make Your Home in My Love** Catherine Skinner Powell,2019-11-13 Are you living as God s burning bush without being consumed Or might you be headed toward burnout We will rediscover the blessing of this mutual love relationship with God overflowing to others as God s sheer gift Could it be that the first and greatest commandment is for our greatest joy and not some mysterious burden to fulfill One metaphor is the vine and the

Pickles Raymond Mendoza, 2012-03-13 The most deadly of enemies are often those we cannot see The greatest battles are not the ones written on the scrolls of history but plague the battlefields of our hearts We all encounter grief pain and loss Sadly many do not survive their struggle In author Raymond Mendozas *Pickles* Michael Harvey is lost in a stormy sea of hopelessness He is trying to find himself again after his wife and their unborn child are killed by a drunk driver Grief holds him captive as he tries to continue maintaining his art gallery with his father after the devastating loss However as Michael begins to realize there are things that are solely constructed by His hand As Michael struggles with the unseen battle signs begin to appear through a newly discovered journal While it seems like there is no hope for a man who is like a lost ship at sea the glow from the lighthouse seemingly guides him back to the shores of loving again And sometimes it comes from unexpected sources like a dog named Pickles *Pickles* is an emotional journey that portrays the power of true love as it is lost and then found once more No matter how bad things may seem through God's power and love one can be restored
