Journey to Mythaca Eve Baumohl Neuhaus,2006-10 A compelling tale of the borderlands the magical realm that dances between our world and the world of mythic beasts in which an elderly dragon an impetuous flying horse and a wise winged cat join Ivan almost eleven and Marianna twelve on a quest for the lost city of Mythaca Will they be able to overcome Maya the elusive shape changer who has foiled every quest for Mythaca before theirs Will they learn to use the magical gifts they receive Can they resolve the paradox that hides the key to Mythaca And where and what is Mythaca *Cinematic Hypertext* Clara Mancini,2005 Hypertext was going to revolutionize the very way in which we read and write However while hypertext s non linearity has been embraced by enthusiasts keen to experiment with interactive literary genres to date the non linear medium has made little impact on scholarly discourse and argumentation which have traditionally heavily relied on linearity Is this because hypertextual narrative is simply incompatible with the requirements of certain genres Or could it be that hypertext s essential characteristics have yet to be fully understood and exploited *Cinematic Hypertext* is for theorists and designers ready to consider a new paradigm for framing the medium and its characteristics film Clara Mancini guides the reader through an eclectic mix of ideas from technology psycholinguistics visual design narratology and film theory En route *Cinematic Hypertext* offers an intellectual workout for media theorists and coherence relations scholars with analyses of cinematic grammars film clips hypertexts and hypertext systems grounded in an underlying theory of Cognitive Coherence Relations Those ready to build experimental systems will find design principles and guidelines and the evidence reported will be of particular interest to those wondering if the theory behind cinematic hypertext is valid empirically The result is a novel way of thinking about hypertext which complements existing hypertext paradigms with Mancini inviting the reader to design hypertexts capable of communicating through a visual language inspired by the power of cinema **Asian Popular Culture** Anthony Y.H. Fung,2013-05-29 This book examines different aspects of Asian popular culture including films TV music comedy folklore cultural icons the Internet and theme parks It raises important questions such as What are the implications of popularity of Asian popular culture for globalization Do regional forces impede the globalizing of cultures Or does the Asian popular culture flow act as a catalyst or conveying channel for cultural globalization Does the globalization of culture pose a threat to local culture It addresses two seemingly contradictory and yet parallel processes in the circulation of Asian

popular culture the interconnectedness between Asian popular culture and western culture in an era of cultural globalization that turns subjects such as Pok mon Hip Hop or Cosmopolitan into truly global phenomena and the local derivatives and versions of global culture that are necessarily disconnected from their origins in order to cater for the local market It thereby presents a collective argument that whilst local social formations and patterns of consumption and participation in Asia are still very much dependent on global cultural developments and the phenomena of modernity yet such dependence is often concretized reshaped and distorted by the local media to cater for the local market

Four Shades of Gray Simon Peter Rowberry, 2022-04-05 This first book length analysis of Amazon s Kindle explores the platform s technological bibliographical and social impact on publishing Four Shades of Gray offers the first book length analysis of Amazon s Kindle and its impact on publishing Simon Peter Rowberry recounts how Amazon built the infrastructure for a new generation of digital publications then considers the consequences of having a single company control the direction of the publishing industry Exploring the platform from the perspectives of technology texts and uses he shows how the Kindle challenges traditional notions of platforms as discrete entities He argues that Amazon s influence extends beyond disruptive technology to embed itself in all aspects of the publishing trade yet despite industry pushback he says the Kindle has had a positive influence on publishing Rowberry documents the first decade of the Kindle with case studies of Kindle Popular Highlights an account of the digitization of books published after 1922 and a discussion of how Amazon s patent filings reflect a shift in priorities Rowberry argues that while it was initially convenient for the book trade to outsource ebook development to Amazon doing so has had adverse consequences for publishers in the mid and long term limiting opportunities for developing an inclusive and forward thinking digital platform While it has forced publishers to embrace digital forms the Kindle has also empowered some previously marginalized readerships Although it is still too early to judge the long term impact of ebooks compared with that of the older technologies of clay tablets the printing press and offset printing the shockwaves of the Kindle continue to shape publishing

Robert Johnson, Mythmaking, and Contemporary American Culture Patricia R. Schroeder, 2004-06-14 Suddenly Robert Johnson is everywhere Though the Mississippi bluesman died young and recorded only twenty nine songs the legacy legend and lore surrounding him continue to grow Focusing on these developments Patricia R Schroeder s *Robert Johnson Mythmaking and Contemporary American Culture* breaks new ground in Johnson scholarship going beyond simple or speculative biography to explore him in his larger role as a contemporary cultural icon Part literary analysis part cultural criticism and part biographical study *Robert Johnson Mythmaking and Contemporary American Culture* shows the Robert Johnson of today to be less a two dimensional character fixed by the few known facts of his life than a dynamic and contested set of ideas Represented in novels in plays and even on a postage stamp he provides inspiration for highbrow cultural artifacts such as poems as well as Hollywood movies and T shirts Schroeder s detailed and scholarly analysis directly engages key images and stories about Johnson such as the Faustian crossroads exchange of his soul for guitar virtuosity

navigating the many competing interpretations that swirl around him to reveal the cultural purposes these stories and their tellers serve Unprecedented in both range and depth Schroeder's work is a fascinating examination of the relationships among Johnson's life its subsequent portrayals and the cultural forces that drove these representations With penetrating insights into both Johnson and the society that perpetuates him Robert Johnson Mythmaking and Contemporary American Culture is essential reading for cultural critics and blues fans alike

The Last Mixtape Seth Long,2025-07-16 A reflection on the evolution of physical media into metaphor through the history of music curation Obsolescence makes the heart grow fonder at least in the case of the mixtape Not all technologies are so lucky Some say wax cylinders fade almost completely from cultural memory A lucky few pass into metaphor we still hang up our smartphones cut film and patch computer code As digital streaming completes the obsolescence of physical media what will become of the humble cassette In The Last Mixtape Seth Long offers a microhistory of music curation anchored by the cassette from which he explores the meanings of obsolescence ownership nostalgia and the speed of cultural change A moving meditation on our relationship with music memory and curation in the digital century Long ultimately calls for a return to the media ecology represented by the mixtape a world in which media is cheap and abundant but tactile and meaningfully engaged
