Douglas Geivett, James S. Spiegel, 2009-09-20 Those who tell stories rule society Plato So who today are our principal storytellers Not philosophers but filmmakers For those who know both the enormous entertainment potential and the culture shaping power of film this book will stir mind and imagination For great stories freight world sized ideas ideas worthy of contemplation and conversation Great cinema inspires wonder But another philosopher Aristotle reminds us that wonder is the true source of philosophy So perhaps Plato or Aristotle might have a shot at ruling society even today if they took an interest in film These fourteen essays consider classic and current films together with several major philosophical themes all within the context of Christian faith 1 the human condition 2 the human mind and the nature of knowing 3 the moral life and 4 faith and religion Citizen Kane Big Fish and Pretty Woman contribute to an in depth consideration of the human condition The Truman Show The Matrix Being John Malkovich and It s a Wonderful Life among others illuminate reflection on the human mind and the nature of knowing Looking at the moral life contributors interact with such notable films as Pleasantville Bowling for Columbine Mystic River and The Silence of the Lambs The final section pursues the theme of faith and religion traced through a number of Hong Kong martial arts films Contact 2001 A Space Odyssey and U2 s music documentary Rattle and Hum A veritable film festival for all those who want to nurture the wonder of philosophical inquiry and the love of Christian theology through an engagement with the big ideas on the big screen

**One Step Closer** Christian Scharen, 2006-04 Examines how the music of U2 points seekers to God through their lyrics and lives **Chuck Klosterman on Pop** Chuck Klosterman, 2010-09-14 From Sex Drugs and Cocoa Puffs Chuck Klosterman IV and Eating the Dinosaur these essays are now available in this ebook collection for fans of Klosterman s writing on pop music Religious Nuts, Political Fanatics: U2 in Theological Perspective Robert G. Vagacs, 2005-11-01 Weaving the threads of U2 s lyrics scripture and theology into one cord this book tracks the Irish rock band s theological insights and perspectives through their poetry Along this lyrical path we encounter the characters of the Drowning Man the Wanderer and the Sojourner Though seemingly different they are one and the same and they represent each of us If you re a U2 fan a theologian or both Religious Nuts Political Fanatics U2 in Theological Perspective will offer a different angle of popular culture and theology Bono par Bono Bono, 2005 Entretiens du chanteur de U2 avec lcrivain Michka Assayas dans lesquels il vogue son enfance ses rapports conflictuels avec son p re la vie de couple la vie de rock star son rapport la c l brit ses rencontres avec Clinton Bush Blair Balthus Naomi Campbell Christy Turlington etc *In Defense of Faith* David Brog, 2011-02 Religious faith is under assault In books movies and on television secular critics are attacking religion and the religious with ever increasing intensity These new atheists typically repeat a two part mantra They claim that only an idiot

could believe in God and that idiots who do so have been responsible for most of the hate and violence that have plagued humanity Abandon religion they urge and the world will finally know peace Surprisingly few books have emerged to defend faith from this onslaught Yet when it comes to this second argument the behavior of religious people in the world abstract claims can be tested by reference to objective facts In *Defense of Faith* examines the historical record and demonstrates that far from encouraging hate and aggression the Judeo Christian tradition has been the West's most effective curb on these dangerous defects of human nature In *Defense of Faith* asserts that the belief in the sanctity and equality of all humans at the core of both Judaism and Christianity what Brog calls the Judeo Christian idea has been our most effective tool in the struggle for humanity The Judeo Christian idea Brog argues has provided the intellectual foundation for human rights Even more importantly he maintains the Judeo Christian idea has repeatedly inspired the faithful to devote their lives to and often risk their lives in the fulfillment of these high ideals In *Defense of Faith* also convincingly demonstrates that when we abandon religion as the critics urge peace does not break out Instead we quickly revert to the most base instincts of our selfish genes Written by a Jewish author who works closely with the Christian faith community In *Defense of Faith* will appeal to secular and religious readers alike This book will challenge the secular to reconsider the role of religion in Western civilization It will inspire the religious to embrace a proud legacy of faith in action for the sake of humanity

**Skin in the Game** Rick Lawrence, 2015-02-05 Explores the revolutionary idea that risk is a foundational requirement not an optional step of the true faith walk Whoever finds their life will lose it and whoever loses their life for my sake will find it Matthew 10:39 Christians are longing for more life in their lives a sense that they're more present to Jesus and to their own story in the everyday They're looking for the answer to the deepest question of human experience How do I find the freedom I crave and become the person I long to be Too often though they're scared to risk too much to find the answer so they simply continue to lead lives of quiet desperation Rick Lawrence says that's exactly the problem We've seen too much We know too much And so we manage our risk so well that we choke off the very fuel that our soul needs to stay alive In fact risk should be a primary aspect of our relationship with Jesus not the thing we avoid In this book Lawrence argues that if we pay attention to the way Jesus related to people we discover that he asked every person he ever met to put their skin in the game invest part of themselves Only then did they find the life they always longed for Lawrence asks eight key questions including Will you embrace your shame Will you receive grace Will you confront your fears Will you wait even when all hope is lost With a vigorous fast paced and conversational style he uses these questions plus stories straight from Scripture and pop culture corollaries to explore the kinds of risks we find in our lives today and how to stop waiting and start going all in for Jesus
