Em Tommy:

No More Dana Storm, Brittney Robinson, 2008-07 What difference did abuse and neglect make in Tommy Ray's life What does it mean to grow up and survive in a sadistic abusive environment *No More* offers a personal glimpse into the horrors of child abuse *No More* explores child abuse the way no other book ever has brutally and astonishingly It will give the reader a glimpse into a world that is horrific and real It will also give the reader some insight about children who commit violent acts This book eloquently demonstrates how seemingly insurmountable adversity can bring forth surprising courage and strength even in the worst conditions Outlook Alfred Emanuel Smith, Francis Walton, 1880 **FrontierWorld** Bob

Nosler, 2015-11-23 *FrontierWorld* follows Tommy Ray and Willie Parker and a half dozen other characters as they meet in Seattle to begin their wagon train adventure Once they arrive at the wagon camp the group meets Brad Jefferson the young wagon master who will lead the neo pioneers through their fourteen day journey Jefferson gives the group strict instructions that everything from the twenty first century must stay at the base camp From this point on everything will be just as it was in the early eighteen hundreds Julia Hopper had a host of personal reasons for joining the wagon train vacation but somehow the very idea of giving up her contact lenses was unacceptable Just one day into the journey Julia loses her precious lenses and is forced to deal with life on a primitive wagon train without clear vision Jack Bramson is another character who needed a fresh start in life As a middle aged investment banker Jack was bored with his life He describes his daily routine as a scene from the movie *Groundhog Day* Charlie Caruthers came to the wagon train vacation after thirty years as a steward in the United States Navy As the only African American on the vacation Charlie becomes an interesting figure as the story develops Jimmy Three Bears Donovan is a young man who has never spent time in the great outdoors Jimmy is caught between his Native American roots his Harvard education and the Irish Catholic parents who adopted him as an infant The wagon train vacation was a gift from his dad and was intended to give Jimmy a better view of his roots Emma Braunstien is a behavioral scientist with the world famous Global Center for the Study of Human Behavior To elevate her work to the highest level she devised an experiment that places ordinary people into stressful situations Of course a wagon train in the Canadian wilderness is the perfect setting for Emma's experiment Jorg Lindstrom is the managing director of the Global Center for the Study of Human Behavior While Jorge gave Emma full authority to pursue ground breaking science he was taken back by the very idea of observing different personality types during periods of extreme stress Jorg described Emma's experiment as playing God After the death of one of the campers a rattlesnake bite and finally the death of Brad Jefferson Tommy Ray takes charge Jorg orders Emma to get the pioneers out of the wilderness and back home to Seattle In the end Jorg also orders Emma to do whatever is necessary to make certain that the Center is not connected with *FrontierWorld* or *Time Trek LLC*

that we would crash in to would send them flying out backwards and then watch as our new death wagon slowly Fall on top them pushing them to their watery graves These thoughts made them scream even louder I still had a death grip on my pole and was keeping it under water as we raced backwards Suddenly it stuck in the mud and sand on the bottom knocking me forward into the backs Of Jerald and Tommy This made them only scream louder as they knew the end was near I never let go of the grip on my pole and as I regained my balance our boat miraculously stopped and very slowly the front began to turn back into the middle of the river The river had now widened and was much deeper and yes calm After our boat spun around straight I pulled my pole out of the hole it was stuck in and gave up a slight push The water had become quiet and was moving slowly We had just survived death Our boat was still floating although it had a couple inches of water in the middle Gary Tommy and Jerald all turned to look at me They gazed at me with a strange look Excerpt from Baseball It didn t matter that blood was coming from our sliding arms and hands We had played on much rougher infields before We executed our much practiced method of pop up sliding when stealing a base We would never turn to look for a ball or in this situation people coming after us It didn t matter we were on our feet racing down the long driveway Our feet were barely touching the ground and when we reached the railroad tracks we only went faster We were racing towards home towards safety We were not going to stop until we were at the Ball Park or home base That was all that mattered now We would be safe there we would be home
