Of Fallen Angels:

The Complete Book of Fallen Angels Valmore Daniels, 2014-10-08 Angel Fire My name is Darcy Anderson and I am cursed with a dark power Whenever my life is in danger something inside me summons elemental fire to protect me I cannot control this One night I was attacked in my home The fire it raged out of control I survived the inferno but my house burned to the ground with my parents inside I was at a loss to explain to the courts what happened and so they sent me to prison for ten years for manslaughter Now I m out on parole and all I want is to return to my home town and rebuild my life but the man who attacked me is back to finish the job he started I can sense the power in me growing If I can t control it it will control me and destroy everything and everyone I love Angel s Breath My name is Richard Riley All I ever wanted was to lead a normal life When I was younger I made some bad choices that ended with me in prison I served my time and now I am trying to put my life back together But someone has framed me for a crime I didn t commit They want me dead and they re willing to kill my friends and family to get to me Even as I try to save the people I love a dark and ancient power grows inside me I can feel its anger rising If it gets away from me it will rip everything in my life apart Earth Angel My name is Kyle Chase I had a bright future as a heart surgeon until an accident brought my world crumbling down Just as I started to get my life back together I stumbled onto a conspiracy that began thousands of years ago a secret my family tried to keep hidden from me Now the conspirators want me out of the picture They will stop at nothing to silence me As I try to uncover my ages old legacy I release a dark power that threatens to destroy everyone I love Angel Tears My name is Serena Rogers After escaping from a juvenile detention center all I wanted was to get as far away from home as I could and never look back Everything changed when I uncovered the dark secret that s been haunting my family since before I was born I am not who I thought I was When I encounter an army of revolutionaries I am faced with an impossible choice fight them and risk the lives of everyone I love or join them and lose my soul Angel of Darkness My name is Frank I joined the police force to make a difference but from the first day on the job everything I ve done has made life worse for everyone around me For twenty five years I searched for meaning to make sense of my life but I never found any answers Just when I decide to turn my back on my life s work I uncover a conspiracy more sinister than anything I ever imagined As I investigate I realize that even if I stop the conspirators the blood of innocents will be on my hands thousands will die If I don t stop them all of mankind will suffer an age of darkness

is the record of fallen angels giants and UFOs Fallen angels and giants are shrouded in mystery and belong to the age of pyramids and other great wonders of the world It is an epoch that was destroyed by God s judgment a flood which left the world everlastingly changed the evidence of which is found in the tales folklore and traditions of many cultures around the world There were giants in the earth in those days and also after that when the sons of God came in unto the daughters of men and they bare children to them the same became mighty men which were of old men of renown Genesis 6 4 This vivid language defines the conspiracy of evil which has beset our world The ancient books Enoch and Jubilees tell us of a race of nephilim which are hybrids alive in history and today fathered by fallen angels Strange as this may seem the Lord declares that this conspiracy of evil is to be repeated before His return Consequently it is important from the standpoint of both understanding history and understanding the future that we understand these events The world is in a slumber asleep with the dream of a better tomorrow While dark forces of fallen angels are arrayed against us many today write about the approaching juggernaut of the apocalypse but few however know or understand that fallen angels have brought us to this apocalypse this apex of human history The end of the world as we know it is about to take place A storm is gathering so terrible as to cause men s hearts to fail them for fear read *Fallen Angels* so you don t approach this coming apocalypse unaware and unarmed *Fallen Angels* Canadian Stage Theatre Archives (University of Guelph), Marti Maraden, Noel Coward, CentreStage Theatre, Toronto Free Theatre, 1992
