Clean of Heart Rosemarie Scott, 2006 Clean of Heart is written for practicing Catholics who accept all the teachings of the Church yet are still ensnared by pornography and self abuse There is hope Through the Sacraments God provides all the grace one needs to become pure No matter how long one has indulged in pornography or how deep one has sunk into the mire of vice Our Lord can still break the addiction What makes Clean of Heart different First it is written from a Catholic point of view While Evangelical Christians have many books and programs for pornography addicts there are few titles on the market for Catholics Clean of Heart consists of forty three daily meditations which draw from the power of the Sacraments and the wisdom of the Saints elements lacking in many Evangelical books Second Clean of Heart is a surprisingly chaste book It contains no obscenities or explicit testimonies which may be an occasion of sin for some The focus is on attaining a clean heart rather than recalling past sins
