Of Hugs:

The Big Book of Hugs Nick Ortner, Alison Taylor, 2016-01-21 Barkley the Bear is now ready to continue his family's business which involves taking care of everyone in the forest. What a job Barkley worries that he will not be able to provide the care necessary for everyone but he soon finds out how easy it is to help others and how much you can get in return. New York Times best selling author Nick Ortner along with Alison Taylor take you on a memorable journey of what's most important in life: Kindness, hugs and a little bit of work. *Lots of Hugs and Kisses* Lisa Palumbo, 2019-08-01 Lots of Hugs and Kisses came about after taking care of my granddaughter. The first thing she would do when she comes in my home was give me a kiss and a hug. Anything she did or we did together I would give her a kiss and tell her good job. Before going home at night she would do the same thing: leave me with a hug and kiss until the next day. *The Rabbit Full of Hugs and Kisses* Linda Marie Richardson, 2019-10-01 The teaching career helps so many children in great need of wisdom for their age group as well as finding how they might help with other stressors in their students' lives. This teacher is a golden nugget. The child involved is facing a challenge in his life that is brought to school when he shares it with his friends. In return, the teacher gets involved when she finds out about his unhappiness. Clearly, his stressor is that his family is moving from the only home he has ever known and he is leaving family behind that he loves very dearly. The teacher provides a new friend for her student that brings great joy and friendship into the child's life. This friend is filled with memories for the child to take on his journey to his new home where he could then replace any loneliness with happiness. After 30 years in the business world, I took an early retirement. I filled my extra time with church work, gardening, crafting, knitting, and helping with our beloved grandchildren. However, there was still a void in my heart that needed to be filled. The fullness came when I started writing about memories from the past and present. My husband Bob and I have a blended marriage of 3 children, 10 grandchildren, and 8 great grandchildren. At this time, I am sure there will be more greats to come. I was blessed to be able to go to Israel in 2005. What a wonderful adventure I shared with many from the church we attended at that time. Bob and I are active members of Gracepoint church in Whiteland, Indiana. Bob is a deacon, helps with sanctuary cleaning, and the church's food bank. I am in the choir, attend women's bible study, and we are both involved in a Grace to Glory group as well as a Life Group. I give all honor, glory, and praise to our Lord Jesus Christ who has put the words to my heart to author this book. **A Little Book of Hugs to Encourage and Inspire** Howard Books, Howard Publishing Staff, 2000. Something wonderful happens when a hug is shared.
