**Catholic Converts** Patrick Allitt, 2018-08-06 From the early nineteenth to the mid twentieth century an impressive group of English speaking intellectuals converted to Catholicism Outspoken and gifted they intended to show the fallacies of religious skeptics and place Catholicism once again at the center of western intellectual life The lives of individual converts such as John Henry Newman G K Chesterton Thomas Merton and Dorothy Day have been well documented but Patrick Allitt has written the first account of converts collective impact on Catholic intellectual life His book is also the first to characterize the distinctive style of Catholicism they helped to create and the first to investigate the extensive contacts among Catholic convert writers in the United States and Britain Allitt explains how despite the Church s dogmatic style and hierarchical structure converts working in the areas of history science literature and philosophy maintained that Catholicism was intellectually liberating British and American converts followed each other s progress closely visiting each other and sending work back and forth across the Atlantic The outcome of their labors was not what the converts had hoped Although they influenced the Catholic Church for three or four generations they were unable to restore it to the central place in Western intellectual life that it had enjoyed before the Reformation     **The New Cambridge Bibliography of English Literature:**

**Volume 4, 1900-1950** George Watson, I. R. Willison, 1972-12-07 More than fifty specialists have contributed to this new edition of volume 4 of The Cambridge Bibliography of English Literature The design of the original work has established itself so firmly as a workable solution to the immense problems of analysis articulation and coordination that it has been retained in all its essentials for the new edition The task of the new contributors has been to revise and integrate the lists of 1940 and 1957 to add materials of the following decade to correct and refine the bibliographical details already available and to re shape the whole according to a new series of conventions devised to give greater clarity and consistency to the entries
