Waltke, 2004-10-14 Over twenty five years in the making this alike much anticipated commentary promises to be the standard study of Proverbs for years to come Written by eminent Old Testament scholar Bruce Waltke this two volume commentary is unquestionably the most comprehensive work on Proverbs available Grounded in the new literary criticism that has so strengthened biblical interpretation of late Waltke's commentary on Proverbs demonstrates the profound ongoing relevance of this Old Testament book for Christian faith and life A thorough introduction addresses such issues as text and versions structure authorship and theology. The detailed commentary itself explains and elucidates Proverbs as theological literature Waltke's highly readable style evident even in his original translation of the Hebrew text makes his scholarly work accessible to teachers pastors Bible students and general readers **Proverbs 1-15** Bernd U. Schipper, 2019-11-05 The book of Proverbs is more than the sum of its parts Even if some alike individual proverbs and collections could be older the overall composition stems from the late Persian or early Hellenistic period In its present form the book of Proverbs introduces the scribal student to the foundations of sapiential knowledge and its critical reflection By discussing different worldviews and contrasting concepts on the relationship between God the world and humanity the book of Proverbs paves the way to both the critical wisdom of Job and Ecclesiastes and the masterful combination of Wisdom and Torah in Sirach Scholarly research has long situated the book of Proverbs within ancient Near Eastern literature but declared it to be something alien within the Hebrew Bible In contrast to such a position the present commentary interprets the book of Proverbs against the background of both ancient Near Eastern literature and the literature of the Hebrew Bible One aim of the commentary is to discuss new ancient Near Eastern parallels to the book of Proverbs with a special focus on Egyptian wisdom literature including Demotic texts from the sixth to fourth centuries BCE An equally important aim of this commentary is a detailed exeges of Proverbs 1 15 as well as an analysis of the overarching strategy of the book of Proverbs as a whole Taking the prologue of the book in Prov 1 1 7 as a hermeneutical key the book of Proverbs turns out to be a masterful composition addressing both the beginner and the advanced sage With its allusions to

other biblical texts including the book of Deuteronomy the Psalms and the Prophets the book of Proverbs can be connected to forms of scribal exegesis in Second Temple literature By using the same scribal techniques as other literati of his time the scribal sage responsible for some parts of the book as well as its final compilation seeks to provide deeper insight into the complex world of scribal knowledge and sapiential thought Be Wise, My Son, and Make My Heart Glad Christopher B. Ansberry, 2011 In view of the various proposals concerning the nature and function of the book of Proverbs the present study focuses on the social dimensions of the document within its distinct literary context That is the study examines the nature and function of the sapiential material within its new performance context viz the discursive context the Sitz im Buch In the main the investigation explores the discourse setting of the book of Proverbs as well as the formal and thematic features of the individual collections More specifically the study highlights the fundamental features of the Themelios. Volume 49. **Issue 1** Brian Tabb, 2024-05-03 Themelios is an international evangelical peer reviewed theological journal that expounds and defends the historic Christian faith Themelios is published three times a year online at The Gospel Coalition http thegospelcoalition org themelios and in print by Wipf and Stock Its primary audience is theological students and pastors though scholars read it as well Themelios began in 1975 and was operated by RTSF UCCF in the UK and it became a digital journal operated by The Gospel Coalition in 2008 The editorial team draws participants from across the globe as editors essayists and reviewers General Editor Brian Tabb Bethlehem College and Seminary Contributing Editor D A Carson Trinity Evangelical Divinity School Consulting Editor Michael J Ovey Oak Hill Theological College Administrator Andrew David Naselli Bethlehem College and Seminary Book Review Editors Jerry Hwang Singapore Bible College Alan Thompson Sydney Missionary Nathan A Finn Southeastern Baptist Theological Seminary Hans Madueme Covenant College Dane Ortlund Crossway Jason Sexton Golden Gate Baptist Seminary Editorial Board Gerald Bray Beeson Divinity School Lee Gatiss Wales Evangelical School of Theology Paul Helseth University of Northwestern St Paul Paul House Beeson Divinity School Ken Magnuson The Southern Baptist Theological Seminary Jonathan Pennington The Southern Baptist Theological Seminary James Robson Wycliffe Hall Mark D Thompson Moore Theological College Paul Williamson Moore Theological College Stephen Witmer Pepperell Christian Fellowship Robert Yarbrough Covenant Seminary "When the Morning Stars Sang" Scott C. Jones, Christine Roy Yoder, 2017-11-07 During a moment of exponential growth and change in the fields of biblical and ancient Near Eastern studies it is an opportune time to take stock of the state wisdom and wisdom literature with twenty three essays honoring the consummate Weisheitslehrer Professor Choon Leong Seow Vanderbilt Buffington Cupples Chair in Divinity and Distinguished Professor of Hebrew Bible at Vanderbilt University This Festschrift is tightly focused around wisdom themes and all of the essays are written by senior scholars in the field They represent not only the great diversity of approaches in the field of wisdom and wisdom literature but also the remarkable range of interests and methods that have characterized Professor Seow s own work throughout the decades including the theology of the wisdom literature the social

world of Ecclesiastes the history of consequences of the book of Job the poetry of the Psalms and Northwest Semitic Inscriptions just to name a few The True Identity of the People of the Way Ross Daniel Harmon, 2024-10-24 The True Identity of the People of the Way demonstrates that Luke alludes to the book of Proverbs when Luke in Acts 9 and following calls the Church the Way Consequently this study shows that Luke identifies the people of the Way as followers of the one and true God depicted in Proverbs Within Acts Luke's claim was likely shocking to the Jewish people which relates directly to the function of the Way This fresh perspective on the way metaphor in Acts provides a more natural and fitting referent than previous proposals and finds its function as a polemic between Jesus followers and others This research identified allusions and motifs in literature to determine that Luke uses the way metaphor to describe Christ's followers The study first shows the need for research concerning Luke's motive or referent for calling the Church the Way Second the study examines the probability of Proverbs influence on Luke Third the study provides an in depth analysis of the way metaphor in Acts concluding that Proverbs is the referent of the Way when referring to the Church The Bible and Social Justice Cynthia Long Westfall, Bryan R. Dyer, 2016-03-10 Although the cry for justice in human society is an important theme in the Bible in many church and academic circles action for and discourse about social justice is carried on without a thorough exploration of this theme in Scripture This volume brings together chapters by experts in the various sections of the Old and New Testaments to give a full spectrum of what the Bible has to say about social justice and to point to ways forward for Christians seeking to think and act in harmony with God in pursuing social justice in the world today Formation of Character Bland Dave, 2016-11-24 Proverbs and the Formation of Character presses the wisdom of Proverbs into active duty in the trenches of everyday life and puts the principles of character formation in working clothes The wisdom Proverbs describes is not designed to master life s challenges but to learn to manage them and adapt In learning to adapt individuals grow and mature spiritually Relying on solid biblical scholarship Dave Bland brings to the fore the neglected sentence literature in Proverbs 10 29 and the vital resources they contribute to the process of character formation Contrary to popular opinion the book of Proverbs even though addressed to youth is not a book solely for the young but for those of all ages who desire to continue to grow personally as well as in their relationship with others and God The wise in the book of Proverbs employ a plethora of resources to help train up young and old alike to grow into the character of God Among others these resources include the value of interacting with others a healthy understanding of conflict an appropriate perspective on wealth a new appreciation for and reliance on the role of the neglected proverb in the education process and the vital role of family and the faith community The Old Testament as Literature (Approaching the Old Testament) Tremper Longman, III,2024-06-25 Tremper Longman has studied and taught the Old Testament and its interpretation for four decades Now in a planned three book project he presents his mature thoughts on three ways of approaching the Old Testament text as literature as history and as a source of theology This first volume explores the importance of reading the Old Testament as

literature Each culture tells its stories and writes its poems in different ways To read and understand the Old Testament texts the way the ancient authors intended we need to be aware of the conventions of Hebrew storytelling and poetry that they used In part 1 dealing with literary theory Longman investigates how texts create meaning the history of the study of the Old Testament as literature and how genre dictates reading strategy He explores the Hebrew conventions for both narrative and poetry in conversation with contemporary literary approaches Parts 2 and 3 delve into practice using the tools gained in part 1 to analyze and interpret a variety of Old Testament narratives and poetry Longman's accessible writing and balanced judgments make this book suitable for the classroom and the church **Proverbs** Robert L. Alden, 2019-08-28 Alden's lively commentary digs into the Hebrew text more deeply than most treatments of similar scope to unveil the literature of Proverbs and its meaning This concise introduction discusses authorship theology text historical context and canonicity **in Transition** Samuel Adams, 2008-03-31 This volume considers a major shift among Jewish sages during the Second Temple period as certain authors moved from an earthly focus to a belief in individual immortality Egyptian instructions and the book of Proverbs are examined for necessary background The colorful responses of Qoheleth and Ben Sira to an emergent belief in the afterlife are also discussed 4QInstruction the largest Wisdom text from the Dead Sea Scrolls corpus demonstrates this shift to an eschatological understanding This book considers the diverse reasons for the changes that one finds in 4QInstruction especially the issue of social context It will prove useful to those interested in Wisdom literature the Dead Sea Scrolls apocalypticism and the development of beliefs in the afterlife The Cambridge Companion to Biblical Wisdom Literature Katherine J. Dell, Suzanna R. Millar, Arthur Jan Keefer, 2022-06-09 An essential guide to wisdom texts and the major changes in the approach to different biblical and non biblical wisdom books Old Testament Wisdom and Poetry Norah Whipple Caudill, 2025-04-15 In Old Testament Wisdom and Poetry Contemplating a Lived Faith author Norah Caudill expertly navigates the rich tapestry of biblical wisdom and poetry delving into the books of Proverbs Job Ecclesiastes Psalms Song of Songs and Lamentations Reading the Bible with the Founding Fathers Daniel L. Dreisbach, 2017 No book was more accessible or familiar to the American founders than the Bible and no book was more frequently alluded to or quoted from in the political discourse of the age How and for what purposes did the founding generation use the Bible How did the Bible influence their political culture Shedding new light on some of the most familiar rhetoric of the founding era Daniel Dreisbach analyzes the founders diverse use of scripture ranging from the literary to the theological He shows that they looked to the Bible for insights on human nature civic virtue political authority and the rights and duties of citizens as well as for political and legal models to emulate They quoted scripture to authorize civil resistance to invoke divine blessings for righteous nations and to provide the language of liberty that would be appropriated by patriotic Americans Reading the Bible with the Founding Fathers broaches the perennial question of whether the American founding was to some extent informed by religious specifically Christian ideas In the sense that the founding generation were members of a biblically literate

society that placed the Bible at the center of culture and discourse the answer to that question is clearly yes Ignoring the Bible s influence on the founders Dreisbach warns produces a distorted image of the American political experiment and of Wisdom and Torah Bernd Schipper, D. Andrew the concept of self government on which America is built Teeter, 2013-10-14 A proper assessment of the manifold relationships that obtain between wisdom and Torah in the Second Temple Period has fascinated generations of interpreters The essays of the present collection seek to understand this key relationship by focusing attention on specific instances of the reception of Torah in Wisdom literature and the shaping of Torah by wisdom Taking the concepts of wisdom and torah in the various literary strata of the book of Deuteronomy as a point of departure the remainder of the book examines the relationship between wisdom and Torah in Wisdom literature of the Second Temple period including Proverbs Qohelet Ps 19 and 119 Baruch Ben Sira Wisdom sapiential and rewritten scriptural texts from Qumran and the Wisdom of Solomon I Will Surely Multiply Your Offspring Jamie Viands, 2013-12-04 After creating man and woman God's first recorded blessing upon them is be fruitful and multiply Like the blessings of food and health the human experience of procreation is so common that we may overlook its importance within the biblical narrative However I Will Surely Multiply Your Offspring a comprehensive examination of the progeny blessing demonstrates that this motif is both prevalent and significant within the Old Testament by tracing its development throughout the redemptive historical narrative Viands identifies different progeny blessing traditions associated with the Abrahamic covenant the Sinai covenant and the new covenant and describes their interrelationships as well as their relationship to the universal blessing first found in Genesis 1 This study lays the foundation for a biblical worldview of human proliferation contributing to contemporary discussions concerning whether humans are obligated to bear children as well as procreation ethics Themelios, Volume 49, Issue 2 Brian Tabb, 2024-09-19 Themelios is an international evangelical peer reviewed theological journal that expounds and defends the historic Christian faith Themelios is published three times a year online at The Gospel Coalition http thegospelcoalition org themelios and in print by Wipf and Stock Its primary audience is theological students and pastors though scholars read it as well Themelios began in 1975 and was operated by RTSF UCCF in the UK and it became a digital journal operated by The Gospel Coalition in 2008 The editorial team draws participants from across the globe as editors essayists and reviewers General Editor Brian Tabb Bethlehem College and Seminary Contributing Editor D A Carson Trinity Evangelical Divinity School Consulting Editor Michael J Ovey Oak Hill Theological College Administrator Andrew David Naselli Bethlehem College and Seminary Book Review Editors Jerry Hwang Singapore Bible College Alan Thompson Sydney Missionary Nathan A Finn Southeastern Baptist Theological Seminary Hans Madueme Covenant College Dane Ortlund Crossway Jason Sexton Golden Gate Baptist Seminary Editorial Board Gerald Bray Beeson Divinity School Lee Gatiss Wales Evangelical School of Theology Paul Helseth University of Northwestern St Paul Paul House Beeson Divinity School Ken Magnuson The Southern Baptist Theological Seminary Jonathan Pennington The Southern
