Of Punishment:

The Conception of Punishment in Early Indian Literature Terence Day, 2006-01-01 Early textual source of the vast body of Dharmasastra literature of India on religion law and morality contain numerous statements that present or imply an undefined conception of punishment Yet nowhere is this conception formally defined as if knowledge of its nature and structure were generally known In this first ever attempt to provide a definition of the conception and to recover its ideational infrastructure the author has drawn on these sources to reconstruct the theoretical backgrounds of its distinctive metaphysical religious juridical social and moral components He shows that the conception is the totality of correction principles powers agents processes and operations through which acts contrary to the Universal Order are counteracted and compensated The volume contains extensive documentation a glossary of Sanskrit terms a selected bibliography and an index

Crimes of Punishment Theodore L. Dorpat, 2007 This groundbreaking book by an award winning psychoanalyst and forensic psychiatrist presents a comprehensive exploration of a timely but often taboo topic the failure of punishment to deter crime and violence an issue that affects us both individually and as a culture Written at the culmination of the author's fifty year career as a psychoanalyst forensic psychologist and scholar this wide ranging work identifies the origins of violence and investigates the surprising consequences of punishment from a multitude of perspectives In his treatment of the topic Dr Dorpat utilizes scienti

Moral Pluralism and the Complexity of Punishment Nicolas Nayfeld, 2023-05-05 This book advances a new interpretation of Hart's penal philosophy Positioning itself in opposition to current interpretations the book argues that Hart does not defend a mixed theory of punishment nor a rule utilitarian theory of punishment nor a liberal form of utilitarianism nor a goal constraint approach Rather it is argued his penal philosophy is based on his moral pluralism which comprises two aspects value pluralism and pluralism with respect to forms of moral reason It is held that this means on the one hand that criminal law has an irreducible complexity due to the compromises it makes to accommodate competing values and on the other hand that there need not be one single justification of punishment This original interpretation is not based only on Hart's key volume on the subject Punishment and Responsibility but on a careful reading of his complete works The book will be a valuable resource for academics and researchers interested in Hart's philosophy the philosophy of law and criminal law

Values and Morals A.I. Goldman,Jaegwon Kim,2013-03-09 This Festschrift seeks to honor three highly distinguished scholars in the Department of Philosophy University of Michigan William K Frankena Charles L Stevenson and Richard B Brandt Each has made significant contributions to the philosophic literature particularly in the field of ethics Michigan has been fortunate in having three such original and productive moral philosophers serving on its faculty simultaneously Yet they stand in a long tradition of excellence both within the Department and in the University Let us trace that tradition briefly The University of Michigan opened in 1841 Its Department of Literature Science and the Arts at first resembled a typical American college of that period with religious and ethical indoctrination playing a central role in course offerings But when Henry Tappan a Presbyterian clergyman and Professor of philosophy became President in 1852 he succeeded in shifting the emphasis from indoctrination to inquiry and scholarship Though he was dismissed for his policies in 1863 Tappan's efforts to establish a broad and liberal curriculum prevailed Michigan was to take its place among the leading educational institutions in this country and to achieve an international reputation as a research center Several past philosophers are worthy of mention here George Sylvester Morris an absolute idealist joined the Department in 1881 having served from 1870 as Chairman of the Department of Modern Languages and Literature He assumed the Chairmanship of Philosophy in 1884
