*The Lost Tapestries of the City of Ladies* Susan Groag Bell, 2004-11-29 Like a particularly good detective story this richly textured book follows tantalizing clues in its hunt for a group of missing artistic masterpieces Susan Bell recounts both her long search for a series of sixteenth century tapestries that celebrated women and her efforts to understand their meaning for Queen Elizabeth I of England and the other powerful women who owned them Opening a new window on the lives of noblewomen in the Renaissance the brilliantly colored tapestries that were the ultimate artistic luxury of the day and the popular and influential fourteenth century writer Christine de Pizan Bell pursues a compelling tale that moves from centuries past to today The tapestries around which this story revolves are linked to Christine de Pizan s Book of the City of Ladies 1405 originally published six hundred years ago in 1405 The book is a tribute to women that honors two hundred female warriors scientists queens philosophers and builders of cities Though twenty five manuscripts of the City of Ladies still exist references to tapestries based on the book are elusive Bell takes us along as she tracks down records of six sets of tapestries whose owners included Elizabeth I of England Margaret of Austria and Anne of Brittany Queen of France Bell examines the intriguing details of these women s lives their arranged marriages their power their affairs of state asking

what interest they had in owning these particular tapestries Could the tapestries have represented their thinking As she reveals the historical linguistic and cultural aspects of this unique story Bell also gives a fascinating account of medieval and early Renaissance tapestry production and of Christine de Pizan's remarkable life and legacy

**Tapestry Conservation: Principles and Practice** Frances Lennard, Maria Hayward, 2006-08-11 Tapestry Conservation Principles and Practice explores current practice and recent research in tapestry conservation promoting awareness of recent developments among conservators and custodians of tapestries The book facilitates more informed conservation practice and decision making and helps custodians to select the most appropriate method of intervention

*Fairy of Tapestries. Horror stories about fairies and demons* Natalie Jacobson, 2020-11-25 People easily fall into the trap of magic But is it worth breaking out of the web of spells Everyone decides for himself Anita becomes a hostage in a house where an evil fairy weaves tapestries from the blood of victims Lotte weaves a nettle wreath with her bare hands to save her sister from the fairies dance Blanchiefler makes a dangerous deal with the black elf Eugene reads books about the demon queen and accidentally opens her way to this world

**Locating Renaissance Art** Carol M. Richardson, 2007-01-01 Renaissance art history is traditionally identified with Italian centers of production and Florence in particular Instead this book explores the dynamic interchange between European artistic centers and artists and the trade in works of art It also considers the impact of differing locations on art and artists and some of the economic political and cultural factors crucial to the emergence of an artistic center During c 1420 1520 no city or court could succeed in isolation and so artists operated within a network of interests and local and international identities The case studies presented in this book portray the Renaissance as an exciting international phenomenon with cities and courts inextricably bound together in a web of economic and political interests

**Tapestry in the Renaissance** Thomas P. Campbell, Metropolitan Museum of Art (New York, N.Y.), 2002 Tapestries the art form of kings were a principal tool used by powerful Renaissance rulers to convey their wealth and might From 1460 to 1560 courts and churches lavished vast sums on costly weavings in silk and gold thread from designs by leading artists In this lavishly illustrated book the first major survey of tapestry production of this period contributors analyze some of these beautiful tapestries examine the stylistic and technical development of tapestry

production in the Low Countries France and Italy during the Renaissance and discuss the contribution that the medium made to art liturgy and propaganda of the day      **Authority, Gender and Space in the Anglo-Norman World, 900-1200**
