

Of The Elect

John H. Elliott

Of The Elect:

Who are the Elect in 1 Peter? Stephen Ayodeji A. Fagbemi, 2007 The election of Israel The context of 1 Peter The purpose of election in 1 Peter 1 1 5 The present implications of new birth and catalogical parenesis in 1 Peter 1 22 2 3 The present and missiological significance of the identity of the elect in 1 Peter 2 9 12 Who are the elect in 1 Peter From exegesis to application in 1 Peter Missiological implications for the Anglican Church of Nigeria Theology and praxis 21st century challenges to Nigerian Anglicanism **The Concept of the Elect Nation in Byzantium** Shay Eshel, 2018-03-20 In The Concept of the Elect Nation in Byzantium Shay Eshel shows how the Old Testament model of the ancient Israelites was a prominent factor in the evolution of Roman Byzantine national awareness between the 7th and 13th centuries The Byzantines interpretation of the 7th century epic events as manifestations of God's wrath enabled them to incorporate the events into a paradigm which they now embraced the Old Testament paradigm of the Israelite Elect Nation's complex relationship with God a cyclic relation of sin wrath punishment repentance and salvation The Elect Nation concept enabled the Byzantines to express the shift in their collective identity toward a shrunken yet more clearly defined national awareness The Old Adage of "The Elect Shall be Saved, So They May Do as They Will and Live as They Please," Scripturally Considered. Second Edition Thomas Bagnall BAKER, 1834 **The Elect and the Holy** John Hall Elliott, 1966 **Peculiar Interest of the Elect in Christ** John Spilsbury, 2015-09-29 THE PECULIAR INTEREST OF THE ELECT IN CHRIST AND HIS SAVING GRACE Wherein it is proved that Christ hath not Presented to his Father's Justice a Satisfaction for the Sins of all men but only for the sins of those that do or shall believe in him which are his Elect Only and the Objections of those that maintain the contrary are also answered The whole doctrine of the Gospel of Jesus Christ being delivered unto us in the Scriptures it is a sufficient ground for us not to believe that Christ presented to his Father's Justice a satisfaction for the sins of all men because the Scriptures do nowhere declare this to be a truth as through the help of God shall be made to appear by our answers to the objections of our adversaries For the easier discovery of the weakness of which objections I lay down these ensuing Propositions Some Principles of the elect people of God who in scorn are called Quakers, etc George Fox, 1661

The Elect and the Holy John H. Elliott, 2006-09-01 To avoid these pitfalls of unsupported presuppositions and the temptation of accommodating the statements of 1 Peter 2 4 10 to pre conceived ideas concerning a priesthood of the Church it would seem advisable if not imperative that a study of these verses begin not with a general treatment of such subjects as sacrifice or Jewish priesthood or ministry and office in the Early Church but rather with this text alone Comparison with other NT statements would be made only after the particular nuance of this section had been determined In this process attention would be concentrated primarily upon the context of 1 Peter and the specific import of this text and the peculiar rather than the common characteristics would be spotlighted from the Introduction The form and content of 1 Peter 2 4 10 reveal that this section was an attempt to describe via the motif of election the character and responsibility of the

eschatological People of God her bond with Jesus Christ her infusion with the Spirit her holiness and her task of witness through the holy life and the proclamation of the saving deeds of God from Summaries and Conclusions

The Land to the Elect and Justice for All Mika S. Pajunen, 2013-12-11 Mika S Pajunen contributes both to the understanding of manuscript 4Q381 from the Dead Sea Scrolls and to broader issues related to the reconstruction of damaged scrolls and to the reading of psalms in late Second Temple Judaism The author focuses especially on the collection of apocryphal psalms in 4Q381 and other similar psalm collections but it is also of interest to the ongoing search for the functions of psalmody in this period A material reconstruction of manuscript 4Q381 has been made to determine the original placement of all the substantial fragments within the scroll The reconstruction shows there to be eight psalms in the preserved scroll A thorough analysis of all of them is incorporated in this study including a critical Hebrew text and the first English translation of the psalms a basic outline of the psalms content with comments on their details and a presentation of their overall message All the psalms in 4Q381 discuss specific periods of time The first three psalms cover a period from the Creation to the expected future of a group identified as God's chosen ones These are followed by five pseudepigraphic psalms that are named in this study as Praise of the Man of God David Praise of Hezekiah Penitential Prayer of Manasseh Lament of Josiah and Penitential Prayer of Jehoiachin The psalms in 4Q381 make up a consistent whole that is shown to function as a unified lesson on the justice of God toward his elect In this investigation 4Q381 is placed into its proper place inside some of the larger developments and ideologies perceivable within late Second Temple Judaism For instance 4Q381 is part of the general trends discernible in psalmody of this period namely a general increase in reflection upon the past and the use of wisdom motifs But in addition 4Q381 also gives evidence of a perception of psalms as sources of history that is in the end found to be a much broader phenomenon

chief work of the theologian John Calvin the institutes have set the theological framework of Calvinists and Reform thinkers for many hundreds of years Although originally written in the 16th century Calvin s work still holds many truths that we can learn from today **Understanding the Fundamentals of the U.S. Presidential Election System** Alexander S.

Belenky,2012-04-25 This is the first book on the U S presidential election system to analyze the basic principles underlying the design of the existing system and those at the heart of competing proposals for improving the system The book discusses how the use of some election rules embedded in the U S Constitution and in the Presidential Succession Act may cause skewed or weird election outcomes and election stalemates The book argues that the act may not cover some rare though possible situations which the Twentieth Amendment authorizes Congress to address Also the book questions the constitutionality of the National Popular Vote Plan to introduce a direct popular presidential election de facto without amending the Constitution and addresses the plan s Achilles Heel In particular the book shows that the plan may violate the Equal Protection Clause from the Fourteenth Amendment of the Constitution Numerical examples are provided to show that the counterintuitive claims of the NPV originators and proponents that the plan will encourage presidential candidates to chase every vote in every state do not have any grounds Finally the book proposes a plan for improving the election system by combining at the national level the one state one vote principle embedded in the Constitution and the one person one vote principle Under this plan no state loses its current Electoral College benefits while all the states gain more attention of presidential candidates **Institutes of the Christian Religion** Jean Calvin,1895 **Union Constitutions and the**
