mystic Rose seems a strange choice for the distinction of first American saint Graziano argues that the cult that grew up around St Rose during her life and greatly expanded after her death was seen by both Church and State as a challenge and even a threat to authority For that reason he contends the Church acted quickly to render her harmless by bringing her into the fold Graziano goes on to consider Rose s ascetic Christianity in its cultural context He seeks to discover why the severe austerities and mortifications of female piety that today are regarded as psychopathological were lauded as exemplary means of worship in the seventeenth century In fact he shows St Rose s behavior and experiences were initially regarded as pathological by many significant observers within her own culture but such assessments were gradually dismissed as her saintly image was constructed Drawing on key archival sources and the insights offered by psychoanalytic theory Graziano constructs a compelling portrait of one of the Catholic Church s most beloved saints [Dreams and Dream Narratives in the Biblical World](#) Jean-Marie Husser,1999-11-01 This study of dream accounts in the Bible and in ancient Near Eastern literature suggests two main lines of interpretation on the one hand it defines the function of dream accounts from a literary social political and religious point of view on the basis of literary genre practitioners manuals royal inscriptions prophetic texts etc On the other hand in adopting a rather larger typology than is usual message dreams symbolic dreams but also prophetic premonitory and judgment dreams it seeks to clarify both the relationship between the fiction implied by the literary form and the actual dream experience of individuals as well as the different ritual practices related to this experience interpretation conjuration incubation etc *A Prophetic Vision for the 21st Century* Rick Joyner,1999-08-23 Rick Joyner says We have tended to over focus on the end of the age the end times But this is not just the end it s the beginning of a new age when Christ will rule over the earth For the church to reclaim the high ground of hope for the future we must begin to proclaim the beginning the coming of the kingdom In *A Prophetic Vision for the 21st Century* Joyner discusses why revival tarries for America what it means to be delivered from the Mark of the Beast the rise and fall of America the greatest awakening a famine in the land and practical ways to serve in the latter days It includes encouragement for weary church leaders as well as the second part of The Hordes of Hell are Marching illustrating the unified church rising as an army in the most pivotal battle of all time between the light and darkness **Shadow Walkers** R.
