The Zechariah Tradition and the Gospel of Matthew Charlene McAfee Moss, 2009-02-26 The Zechariah Tradition and the Gospel of Matthew is a comprehensive study of the ways Matthew utilizes Zechariah texts and traditions Against the background of materials from Qumran and apocryphal and deuterocanonical writings Matthew's explicit citations of Zechariah are examined the influence of Zechariah elsewhere in the First Gospel is identified and the extent to which Matthew alludes to characteristic Zechariah themes alone or in combination with other prophetic traditions is explored Zechariah traditions appear in Matthew's distinctive materials as well as in texts Matthew has transmitted or altered from Mark and Q The impact of Zech 9 14 is not limited to the Passion Narrative but extends through Matthew's Infancy and Galilean healing narratives as well important concepts from Zech 1 8 are also discerned in the Infancy and Passion Narratives Moss works through the canonical order of Matthew this enables readers to appreciate the cumulative effect of Zechariah's influence at each stage of the Gospel story Two appendices one arranged according to Zechariah and the other to Matthew list possible references to Zechariah in Matthew This monograph is useful for Matthean studies and it is an insightful investigation of how one set of Old Testamental traditions are appropriated in one canonical Gospel and in the New Testament

Behold Your King Anthony Robert Petterson, 2019-06-27 This book investigates the nature of the hope for the house of David in the final form of the book of Zechariah It focuses particularly on the following themes the roles of Joshua and Zerubbabel the nature and identity of the Shoot the coming King the Shepherd and the Pierced One It challenges the scholarly consensus going back to the thesis of Julius Wellhausen that the high priest took over the role and prerogatives of the pre exilic monarch in the early post exilic period Instead Zechariah merely envisages Joshua the high priest being reinstated to the temple duties that were undertaken before the exile Furthermore Zechariah does not identify Zerubbabel as the promised future Davidic king Shoot Rather Zechariah demonstrates a hope for the restoration of a Davidic king who will have a key role in temple building after the time of Zerubbabel The belief that Zechariah 9 11 and 12 14 are oracles that seek to reinterpret prophecies that have become problematic is also challenged There is no strong evidence that the hope for the house of David in Zechariah 9 14 contradicts the presentation of Zechariah 1 8 This thesis shows how these later chapters continue and develop many of the themes related to the Davidic hope in Zechariah 1 8 The picture of the Davidic hope that emerges from the book of Zechariah is consistent with the expectations of earlier prophets and confirms that the book when read as a whole provides a strong impetus for later messianism in the post exilic period

There is a full listing of available resources for study Altogether an extremely useful tool for all students and scholars of the Old Testament Thematic Threads in the Book of the Twelve Paul L. Redditt, Aaron Schar, 2012-08-06 For some years the view has become established that the Book of the Twelve is a systematically structured literary unity An exegesis which takes the final canonical text seriously undertakes to understand the structure and theological intention of this unity The papers collected here attempt to reveal significant structures which overarch the individual components Particular emphasis is placed on the reconstruction of thematic threads which are created when individual prophets take up topics from their predecessors e g Jehovah s Day conversion role of the peoples and intensify them The papers were written between 1999 and 2002 under the aegis of the Society of Biblical Literature s Working Group on The Formation of the Book of the Twelve
