Black Soldiers of New York State Anthony F. Gero, 2012-07-26 The heroic saga of New York State's African American soldiers largely untold comes to life in these pages Drawing on a wealth of sources some newly discovered author Anthony F Gero tells of their two centuries of struggle and triumph beginning with the French and Indian War and continuing until 1950 when the United States Army and New York's National Guard became integrated Their legacy is vividly illustrated by the heroism of the 369th United States Infantry previously the 15th New York during the American advance in the Argonne Meuse in 1918 Private Dorrance Brooks from New York City was killed in action as he led his company's survivors forward after all its officers had been killed or wounded *Black Soldiers of New York State* demonstrates how in spite of many obstacles including ongoing prejudice within their own country the African American soldiers from New York State served courageously and valiantly winning many commendations and earning the respect of friend and foe alike *Publications of the Metropolitan Museum of Art, 1964-2005* Metropolitan Museum of Art, 2012-10-09 The present volume *Publications of The Metropolitan Museum of Art 1964-2005* is a successor to a volume published by the Museum in 1965 entitled *Publications of The Metropolitan Museum of Art 1870-1964* These two bibliographic volumes endeavor to list all the known books pamphlets and serial publications bearing the Museum's imprint and issued by the institution during the first 135 years of its existence through June 2005 The first volume was compiled by Albert TenEyck Gardner at the time an Associate Curator of American Paintings and Sculpture and the present volume has been compiled from the Annual Reports issued by the Museum during the relevant years Together the two volumes testify to the tremendous contributions made to knowledge by the curators and conservators of the Metropolitan and by the many other experts who have contributed to the Museum's exhibition catalogues Various issues of the Bulletin emphasize the great sweep of the Museum's acquisitions during these years and the exhibition catalogues a number of them Alfred H Barr Jr Award or the George Wittenborn Award testify to the continuity of the institution's dedicated program to enrich people's lives through knowledge of art This title was originally published in 2006

Drawings from the Age of Bruegel, Rubens, and Rembrandt William W. Robinson, 2016-08-02 This superb book presents 100 notable examples from the Harvard Art Museums distinguished collection of Dutch Flemish and Netherlandish drawings from the 16th to 18th century Featuring such masters as Pieter Bruegel the Elder Peter Paul Rubens and Rembrandt van Rijn the volume showcases beautiful color illustrations accompanied by insightful commentary on prevalent styles and techniques Genres that define this artistic period landscape scenes of everyday life portraiture and still life are explored in detail The book also presents the results of new conservation and technical study including infrared analysis and scientific examinations of drawing materials This revelatory new research has allowed previously illegible underdrawings and inscriptions in many of the artworks to surface for the first time shedding light on longstanding mysteries of production and provenance **Serials in the British Library**, 2006 *Black Threads* Kyra E. Arts & Humanities* Institute for Scientific Information, 2001 [Making The Met, 1870-2020 \(1st revised edition\)](#) Andrea Bayer, Laura D. Corey, 2025-10-01 Published to celebrate The Metropolitan Museum of Art s 150th anniversary Making The Met 1870 2020 examines the institution s evolution from an idea that art can inspire anyone who has access to it to one of the most beloved global collections in the world Focusing on key transformational moments this richly illustrated book provides insight into the visionary figures and events that led The Met in new directions Among the many topics explored are the impact of momentous acquisitions the central importance of education and accessibility the collaboration that resulted from international excavations the Museum s role in preserving cultural heritage and its interaction with contemporary art and artists Complementing this fascinating history are more than two hundred works that changed the very way we look at art as well as rarely seen archival and behind the scenes images In the final chapter Met Director Max Hollein offers a meditation on evolving approaches to collecting art from around the world strategies for reaching new and diverse audiences and the role of museums today

Musics Lost and Found Michael Church, 2021 This is the first ever book about song collectors music s unsung heroes They include the Armenian priest who sacrificed his life to preserve the folk music which the Turks were trying to erase in the 1915 Genocide the prisoner in a Nazi concentration camp who secretly noted down the songs of doomed Jewish inmates the British singer who went veiled into Afghanistan to learn record and perform the music the Taliban wanted to silence With globalisation urbanisation and Westernisation causing an irreversible erosion of the world s musical diversity Michael Church suggests we may be seeing folk music s end of history Old forms are dying as the conditions for their survival or replacement disappear the death of villages means the death of village musical culture This ground breaking book is the sequel to the author s award winning *The Other Classical Musics* and it concludes with an inventory of the musics now under threat or already lost for ever

Terror and Performance Rustom Bharucha, 2014-04-16 This work goes where other books fear to tread It reaches the parts other scholars might imagine in their dreams but would neither have the international reach nor the critical acumen and forensic flourish to deliver Alan Read King s College London This book is not only timely It is overdue and it is a masterpiece unrivalled by any book I know of Erika Fischer Lichte Freie Universit t Berlin The first and only book that focuses on the intersections of performance terror and terrorism as played out beyond a Euro American context post 9 11 It is an important work both substantively and methodologically Jenny Hughes University of Manchester A profound and tightly bound sequence of reflections a rigorously provocative book Stephen Barber Kingston University London In this

exceptional investigation Rustom Bharucha considers the realities of Islamophobia the legacies of Truth and Reconciliation the deadly certitudes of State controlled security systems and the legitimacy of counter terror terrorism drawing on a vast spectrum of human cruelties across the global South The outcome is a brilliantly argued case for seeing terror as a volatile and mutant phenomenon that is deeply lived experienced and performed within the cultures of everyday life **GNR** ,1999
