Of Abraham:

The Lives of Abraham and Moses According to Josephus A.J. Schragar, 2006-02-03 God stays Abrahams hand being satisfied with both father son in their readiness and piety God was delighted to bestow blessings and foretold that Abraham and its family shall increase into many nations As long as Moses upheld his hands to God the Hebrews were Too hard for the Amalekites as soon as he lowered his arms the Hebrews were worsted As long as you look to God you are a winner turn away from God you are a loser *The Prophecies of Abraham* Joseph F. Dumond, 2010 This book is based on a deep understanding of the Chronological Order of the Sabbatical and Jubilee Years and why terrorism severe weather and now Pestilence dominate the nightly news all promised events that were told to us thousands of years ago There is more to come like famines earthquakes war and slavery Most people have no idea about any of this Sadly many do not even want to know The Prophecies of Abraham will show you a pattern that the Creator has used since creation Once you see it you can no longer deny it You will then know exactly when these events are to come Welcome to The Prophecies of Abraham **The God of Abraham, Isaac, and Jacob** Watchman Nee, 1993-05-01 The Christian life is based upon the irrevocable promises of God the enjoyment of all that God has prepared for us in Christ and the transformation that results from the loving discipline of the Spirit In The God of Abraham Isaac and Jacob Watchman Nee draws upon the experiences of the Old Testament patriarchs and presents their lives as an allegory of the complete Christian experience From our response to God s promises by faith to our ultimate transformation into sons who are conformed to the image of Christ we must pass through the same life experiences of Abraham Isaac and Jacob Like Abraham we have been given the promise of God for the inheritance like Isaac we can enjoy all that God has planned for us in Christ His Son and like Jacob we must experience the discipline of the Holy Spirit for the sake of our growth and transformation **The Blessing of Abraham, the Spirit, and Justification in Galatians** Chee-Chiew Lee, 2013-08-12 What has the Spirit to do with the blessing of Abraham and justification This book challenges the common assumption that the Abrahamic blessing and the Spirit are equated in Gal 3 14 and points out how an accurate understanding of the relationship between these two motifs contributes significantly to appreciating Paul s overall argument in Galatians and his theology of justification Even though Paul does not cite Old Testament passages on the promise of the Spirit in Gal 3 14 his arguments are nonetheless deeply influenced by the whole prophetic tradition about the Spirit Most current discussions on the present and future aspects of justification have yet to consider the Spirit s role in the latter Given the renewed interest in Pauline justification this book contributes to this important aspect of the Spirit s role in future justification which needs to be developed further in Pauline and New Testament theology **Reuniting the Children of Abraham** Brenda Naomi Rosenberg, 2020-01-28 Reuniting the Children of Abraham is a powerful multimedia peace initiative created with Jewish Christian and Muslim families to combat the fear bigotry and bullying that fuels violence The multicultural project described in this book includes inspiring true stories and educational materials that flow from the

ancient story of Abraham a patriarch in all three faiths Just as Abraham s own children were reunited this project is a model for calling these vast families of faith toward building peaceful new relationships The project was the focus of a CBS network special documentary which pointed out Abraham of the Old Testament was the founding patriarch of a new monotheistic faith which included Jews and later Christians and Muslims One of his two sons is historically tied to the founding of Judaism the other to the founding of Islam CBS Executive Producer and Director of that special John P Blessington said This project is a powerful experience that gives hope to the idea of these three religions being able to find their common heritage as a reason for mutual religious respect and spiritual healing in the future Now the source materials for this project which range from shared prayers to true stories of young participants are appearing in book form so that individual readers and small groups will be inspired to carry this kind of interfaith work into their communities The texts in the book include educational material developed by scholars at the University of Michigan as well as the Michigan State University School of Journalism The book also draws on wisdom from the Bible as well as the Quran Reporting for The Detroit Free Press David Crumm wrote about the urgency of this program which has been presented in several formats in communities across the country David wrote Once we rediscover our shared origin story in the ancient family of Abraham Jews Christians and Muslims living today must face the powerful truth that God still is calling us to reunite our family In Minnesota Muslim community leader and mother Arshia Khan helped to bring the program to Duluth Arshia said God created us for a purpose We need to learn to live with each other We believe in the same God If our children see us doing the right thing they learn about love and respect for each other The book closes with recommendations for further reading as well as links to additional resources available online

God of Abraham Lenn Evan Goodman, 1996-03-07 This cogently argued and richly illustrated book rejects the dichotomy between the God of Abraham and the God of the philosophers to argue that the two are one In God of Abraham one of our leading philosophers of religion shows how human values can illuminate our idea of God and how the monotheistic idea of God in turn illuminates our moral social cultural aesthetic and even ritual understanding Throughout Goodman draws on a wealth of traditional philosophical historical and anthropological materials and particularly on a wide range of Jewish sources He demonstrates how an adequate understanding of the interplay of values with monotheism dissolves many of the longstanding problems of natural theology and ethics and guides us toward a genuinely humanistic moral and social philosophy
