Of Bible Stories:

The Wonder Book of Bible Stories Logan Marshall, 2009-08-01 The stories of the Bible are a cornerstone of the faith for millions of Christians and a pillar of Western culture for millions of others. However, the archaic language that most biblical renderings employ can often make these narratives difficult to understand, particularly for children. In *The Wonder Book of Bible Stories*, Logan Marshall has adapted many of the most significant Bible stories into a form that will appeal to readers and audiences of all ages.

Classic Bible Stories Rhona Davies, 2007 The stories of the Bible are an essential part of every child's heritage. Aimed at the 7-9 age group, this book will make an encounter with these stories a memorable and treasured experience that will encourage children to engage with the Bible itself and all it has to offer. The Complete Book of Bible Stories: a Timeless Classic Jesse Lyman Hurlbut, 2002

Tomie de Paola's Book of Bible Stories, 1991 A collection of Bible stories from Creation to the Resurrection of Christ and the appearance of the Holy Spirit at Pentecost.

Collection of Bible Stories for Children Elizabeth Courtney Maas, 2015-06-26 This true account of historical events containing important biblical characters communicates in rhyme format poetic recounts of God's chosen people. These heroes walked the road of righteousness; faith and truth lead by God's light from the time of Genesis to the birth, death, and resurrection of Jesus Christ. These song-like poems easily and naturally teach children the heroic actions of each leader chosen by God to spread the Law, teachings, and instructions for Holy living. Simultaneously, each story will captivate the attention, comprehension, and interest of children in learning their biblical roots, family ties, as well as assist in their healthy, productive development into adulthood. The goal for learning each story is to lay as a foundation the grounds of understanding truth and purpose for our birth, past history, and cultural roots as children of God while teaching both children and adults the importance of how to live Holy and to be accepted into God's kingdom. Children will grow in love, respect, and obedience to God as they learn that all power, glory, and righteousness is in the palm of God's hand. God carries each child, protecting and guiding all of us by His Word and His laws as our foundation. Take the hand of your child as you read together the miraculous works of God's hand from the moment of creation in Genesis, including the provisions of God's commandment through Moses to the salvation of humanity through Jesus Christ, the Son of God.

Bible Stories Various, 2014-12-21 Bible Stories Bedtime Bible stories for children. *The Wonder Book of Bible Stories* The Bible is one of the two or three oldest books in the world, but unlike most of the ancient books, it is found not only in great libraries but in almost every home of the civilized world, and it is not only studied by learned scholars but read by the common people, and its many stories grasp and hold the attention of little children. Happy is that child who has heard over and over again the Bible stories until they have become fixed in his mind and memory to become the foundations of a noble life.
