## Of E All About Ecstasy:

*The Book of E Push*, Mireille Silcott, 2000 An estimated one million Ecstasy pills are consumed every weekend and this book explores what kind of people take it why they take it and if there is a typical Ecstasy user It explores the contents of the drug the effects of it and what the future holds for the E generation Personality Traits and Drug Consumption Elaine Fehrman, Vincent Egan, Alexander N. Gorban, Jeremy Levesley, Evgeny M. Mirkes, Awaz K. Muhammad, 2019-04-26 This book discusses the psychological traits associated with drug consumption through the statistical analysis of a new database with information on 1885 respondents and use of 18 drugs After reviewing published works on the psychological profiles of drug users and describing the data mining and machine learning methods used it demonstrates that the personality traits five factor model impulsivity and sensation seeking together with simple demographic data make it possible to predict the risk of consumption of individual drugs with a sensitivity and specificity above 70% for most drugs It also analyzes the correlations of use of different substances and describes the groups of drugs with correlated use identifying significant differences in personality profiles for users of different drugs The book is intended for advanced undergraduates and first year PhD students as well as researchers and practitioners Although no previous knowledge of machine learning advanced data mining concepts or modern psychology of personality is assumed familiarity with basic statistics and some experience in the use of probabilities would be helpful For a more detailed introduction to statistical methods the book provides recommendations for undergraduate textbooks **A Concordance to the Poems of Emily Dickinson** S. P. Rosenbaum, 2019-06-30 A

Concordance to the Poems of Emily Dickinson is the third volume in the distinguished series Cornell Concordances Like the others it was programmed on an IBM 704 electronic computer and provides an alphabetical list of all significant words each word given in context In order to provide variants it was based on Thomas H Johnson's three volume edition of all the known texts of Emily Dickinson's poems Included are an analytical preface by the editor and an index of words in the order of frequency Illegal Drug Use Through The Lifecourse David Moxon, Jaime Waters, 2016-10-04 Hidden older illegal drug users are a seldom researched group most research on illegal drug users instead focusses on the young or the institutionalised To counter this trend this book reports on a study of current hidden users of illegal drugs aged 40 and over These are individuals who have sustained illegal drug use over the long term largely away from the gaze of the authorities whilst living otherwise conventional lives holding down jobs raising families and so on Thus they have much to tell us about how illegal substances can be integrated into life over the long term how that integration intersects with other aspects of one's existence and how illegal drug use is ultimately shaped by changes in personal circumstances and wider social contexts Utilising insights from the life course perspective the development of the participants' use over their lives is analysed and placed in social context The book also details the nature of their current drug use Thus the book illustrates the place of illegal drugs in the lives of the participants and how this came to be over the decades as they also juggled work family and

the everyday minutiae of life with their use The result is a unique look at the illegal drug use of an often ignored group of older drug users which charts the changing role that illegal drugs have played and continue to play in their lives *Pop Cultures and Ecstatic States of the Body Since World War II* Kristoff Kerl, Detlef Siegfried, Robert P. Stephens, Olaf Stieglitz, 2025-07-15 This book examines the many varied historical entanglements between pop cultures and ecstatic euphoric and intoxicated bodies focusing on the period between the 1950s and the 1980s Charting a new course by bringing together pop culture studies the history of bodies and the history of emotions the volume unites new historical perspectives on different forms of corporeal pleasure and offers novel methods for studying the social and cultural politics of ecstasy

*Rave Culture and Religion* Graham St John, 2004-06-01 The collection provides insights on developments in post traditional religiosity especially New Age and Neo Paganism through studies of rave s Gnostic narratives of ascensionism and re enchantment explorations of the embodied spirituality and millennialist predispositions of dance culture and investigations of transnational digital art countercultures manifesting at geographic locations as diverse as Goa India and Nevada s Burning Man festival Contributors examine raving as a new religious or revitalization movement a powerful locus of sacrifice and transgression a lived bodily experience a practice comparable with world entheogenic rituals and as evidencing a new Orientalism *Rave Culture and Religion* will be essential reading for advanced students and academics in the fields of sociology cultural studies and religious studies

**The Subcultures Reader** Ken Gelder, 2005 Revised and update completely to include new research and theories this second edition of a hugely successful book brings together a range of articles from big names in the field classic texts and new thinking on subcultures and their definitions *Dance, Drugs and Escape* Stan Beeler, 2007-06-05 In the late 1980s the rave phenomenon swept the youth culture of the United Kingdom incorporating the generations two newest social stimulants modern electronic dance music and a notorious designer drug known as Ecstasy Although the movement began in rebellion against mainstream culture its underground dynamism soon attracted the interest of novelists screenwriters and filmmakers who attempted to reflect the phenomenon in their works Through artistic and commercial popularization the once obscure subculture was transformed into a pop culture behemoth with powerful links to the entertainment industry This study deals with the transformative effects of film television and literature on club culture Chapters furthermore reflect club culture s own effect on crime ethnicity sexuality and drug use As the study traces artistic depictions of club culture s development each chapter focuses on individual books films and television shows that reflect the transformation of the club culture into what it is today

**Turning Suffering Inside Out** Darlene Cohen, 2002-10-08 This practical down to earth and very wise guide to awakening offers a Zen based approach to coping with physical psychological and spiritual pain Jack Kornfield Darlene Cohen discovered the secret to finding happiness in the midst of debilitating pain She shares her knowledge in her popular workshops and now in this book Cohen who has suffered from rheumatoid arthritis for eighteen years was hobbling painfully to her local Zen center one day when

she made a discovery that changed her life if she focused on the foot that was in the air rather than the one that was hitting the pavement her stamina increased enormously It was the beginning of a completely different approach to the crippling pain that had beset her for so long As she demonstrates here this approach can be expanded to all types of pain physical psychological and spiritual Cohen a certified massage and movement therapist and Zen teacher proposes a radically liberating alternative to the usual desperate search for pain relief paradoxically she says release from suffering lies in paying closer attention to it When we keep pain at bay we keep pleasure at bay too The two are interdependent and our ability to experience each is totally dependent on our understanding of the other Enrich your life exponentially Cohen advises If your pain is one of the ten things you are aware of then it constitutes a tenth of your total awareness Expand your awareness to a hundred things however and your pain is only a hundredth of your awareness With stories strategies exercises and an awareness born of long Zen practice Cohen shows us how to tap into that enrichment and how we can lead a satisfying and even joyful life in the very midst of pain

*The History of MDMA* Torsten Passie,Udo Benzenhöfer,2023 The history of MDMA starts as a story of rivalry between pharmaceutical companies looking to circumvent a patent for the synthesis of medically significant substances at the beginning of the 20th century However to begin we will take a closer look at two claims repeatedly made about the earliest history of MDMA
