Dowling,2009 This study explores the personal historical and artistic influences that combined to form such dark and influential American masterpieces as *The Iceman Cometh* *The Emperor Jones* *Mourning Becomes Electra* *Hughie* and arguably the finest tragedy ever written by an American *Long Day s Journey into Night* *Socialism and American Life, Volume II* Donald Drew Egbert,Stow Persons,2015-12-08 Easily the most comprehensive and useful work on American socialism including its history theories and impact on life culture and economic and political parties in the United States Volume 2 bibliography is as important a contribution as the essays Hereafter students of practically all phases of American life will turn to it for help and guidance U S Quarterly Book Review Originally published in 1952 The Princeton Legacy Library uses the latest print on demand

technology to again make available previously out of print books from the distinguished backlist of Princeton University Press. These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions. The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905. [A History Of Russia Volume 2](#) Walter G. Moss, 2004-10-01. Moss has significantly revised his text and bibliography in this second edition to reflect new research findings and controversies on numerous subjects. He has also brought the history up to date by revising the post-Soviet material which now covers events from the end of 1991 up to the present day. This new edition retains the features of the successful first edition that have made it a popular choice in universities and colleges throughout the US, Canada, and around the world. [The Correspondence of H.G. Wells: Volumes 1-4](#) David C. Smith, 2022-08-15. This collection of H.G. Wells's correspondence draws on over 50 archives and libraries worldwide, including the papers of Wells's daughter by Amber Reeves. The book contains over 2,000 letters, and while a few are business to publishers, agents, and secretaries, the majority are much more personal. Wells's private correspondence extends from letters to President Franklin Roosevelt and Prime Ministers Winston Churchill and A.J. Balfour to persons such as Mark Benney, who wrote novels based on his life in the slums and his time in prison. There is correspondence too with his many female friends and lovers, among them Rebecca West, Eileen Power, Gertrude Stein, Marie Stopes, Lilah MacCarthy, and Dorothy Richardson. For example, a letter from Moura Budberg, with whom Wells had a long-standing affair, which announces that she is pregnant by him and about to have an abortion, reveals how an advocate of birth control is himself caught out. Wells also enjoyed correspondence with the press, particularly during the two World Wars, and with various BBC officials and people who worked on his films. Some of his letters on the controversies of free love, socialism, birth control, the Fabian Society, and the nature of the curriculum of the new London University in the 1890s are included. Interspersed chronologically with Wells's letters is a small selection of about 40 letters to Wells where letters from him are not extant. Among these are letters from Ray Lankester, Joseph Conrad, C.G. Jung, Trotsky, Hedy Gattornigg, the woman who attempted suicide in Wells's flat, and J.C. Smuts. The letters are arranged in these periods: Volume 1: 1878-1900; Volume 2: 1901-1912; Volume 3: 1913-1930; and Volume 4: 1930-1946. H.G. Wells's works include *The Time Machine* (1895), *The Invisible Man* (1897), *The War of the Worlds* (1898), *The History of Mr Polly* (1910), and *A Short History of the World* (1922). **The Calamity Papers** Dale L. Walker, 2025-09-23. Spur Award-winning author Dale L. Walker continues what he started in *Legends and Lies* by uncovering the truth around some of the American West's most famous and infamous figures. Leaving no figure sacred and no stone unturned, Walker dives deep into some of the most enduring myths and legends of the Old West. What was the real story behind the death of Meriwether Lewis: suicide or homicide? Did Pat Garrett really kill Billy the Kid, or did the Kid fake his own death and live to a ripe old age? What was the real relationship between Wild Bill Hickok and Calamity Jane? And who was the woman who claimed to have proof that she was their daughter?

Was Jack London killed or did he take his own life Who burned Wolf House to the ground Asking these and many more questions The Calamity Papers sheds some necessary light on our history by taking a closer look at some its heroes At the Publisher s request this title is being sold without Digital Rights Management Software DRM applied The Collected Letters of Ellen Terry, Volume 6 Katharine Cockin,2024-08-01 Ellen Terry s correspondence was both exuberant and extensive Her remaining letters provide a fascinating insight into the dynamics of the Victorian theatre and the difficulties of life for a woman maintaining a successful public persona whilst raising two illegitimate children Journals of Robert Rogers of the Rangers Robert Rogers,2005-11 The thrilling true account of a famous woodsman scout guerilla leader during the formative years of the American Nation In the evocative pages of Rogers own journal we are taken through a landscape of dark untrodden forest where danger from hostile Indians and the French Army threaten every step Famous exploits of guerilla warfare are graphically told including battles and ambushes on America s lakes the devastating Fight on Snowshoes and the raid against the Abanakee s village at St Francis recounted across time by Rogers himself **Baltimore Volume 2: The Curse Bells** Mike Mignola,Christopher Golden,2012-06-12 A horrific ritual will create havoc on a small European town as Lord Baltimore takes on the twisted blessing of vampiric nuns and an insane warlock By award winning writers Mike Mignola and Christopher Golden New York Times bestseller Crisp clean drenched in blood Comic Attack A fight to the death Lightships of the United States of America, Volume II - Southeast , **Manual of the Grasses of the United States, Volume Two** A. S. Hitchcock U.S. Dept. of Agriculture,A. S. Nielson, Ph.D.,2018-02-01 As a unique distant geographical region of the United States Alaska has evolved from military insignificance to high strategic priority in the 142 years since its purchase from Russia in 1867 The reasons for this dramatic shift derive from a correlation of geography foreign policy domestic politics and military technology Historically the role of the armed forces in Alaska has been large and diverse Alaska was one of the two principal territorial purchases made by the United States between 1803 and 1867 adding nearly 1 5 million square miles to America s national domain Smaller by the size of Texas than Jefferson s Louisiana Purchase Alaska unlike all of the territories and states carved out of the former languished in obscurity and isolation and was administered as a colonial dependency by the military and other branches of the federal government its official territorial status and government notwithstanding While sharing many common aspects of frontier settlement and Western history with territories such as Montana the Dakotas Wyoming and Colorado Alaska presented special challenges

peculiar to a non contiguous arctic and sub Arctic environment separated from the United States by a foreign power Indeed only the defeated South under Reconstruction experienced the same degree of military occupation and martial law Alaska also has the unique distinction in the American experience of belonging to Imperial Russia before it became of interest to American expansionists Still others found Alaska tempting and pursued their own designs North of 53 The Spanish British Canadians and even the French plied Alaska s waters and made their claims to Alyeska the Great Land And it is with these clashing imperial ambitions that this three volume history begins Book of Jack London Charmian London,Jack London,1976-01-01 **Lesson guide for captioned films, XX** ,1984 **The Athenaeum** ,1861 **Jack London** Joan R. Sherman,1977 Lists works by and about Jack London including poems theses and manuscript collections Excludes foreign language titles **American Literature in Transition, 1876-1910: Volume 4** Lindsay V. Reckson,2022-08-18 Addressing US literature from 1876 to 1910 this volume aims to account for the period s immense transformations while troubling the ideology of progress that underwrote much of its self understanding This volume queries the various forms and formations of post Reconstruction American literature It contends that the literature of this period most often referred to as turn of the century might be more productively oriented by the end of Reconstruction and the haunting aftermath of its emancipatory potential than by the logic of temporal and social advance that underwrote the end of the century and the beginning of the Progressive Era Acknowledging that nearly all US literature after 1876 might be described as post Reconstruction the volume invites readers to reframe this period by asking under what terms did post Reconstruction American literature challenge or re consolidate the nation as an affective political and discursive phenomenon And what kind of alternative pasts and futures did it write into existence
