Coping With The Miracle Japans Unions Explore New International Relations International Labour:

Coping with the Miracle Hugh Williamson, 1994 Examines the international activities of Japanese trade unions Includes history of the Japanese labour movement and significant union organizations since 1945 international activities of private and public sector unions the extent to which unions attempt to influence Japanese transnational companies in their foreign operations labour diplomacy of the Japanese government and the activities of the Japanese International Labour Federation

Japanese Labour and Management in Transition Mari Sako, Hiroko Sato, 2013-01-11 Japanese Management and Labour in Transition explores the changing face of Japanese industrial relations Part one of the work outlines recent trends in Japanese labour markets labour law and corporate strategy and explores the responses of both management and labour to pressure posed by these trends Part two analyses the interaction between the state management and labour considering both the macro and the micro levels This compilation of up to date research by leading Japanese scholars challenges the traditional view of lifetime employment and focuses on the growing economic pressures that Japanese management and labour currently face

Globalization, Social Movements, and the New Internationalism Peter Waterman, 2001-12-20 In a political climate where loose talk of a third way passes for political idealism Waterman s passionate book examines the possibilities for a new style global solidarity suited to complex capitalist modernity The author examines the past internationalism of Labour and socialists and the present one of radical democratic social movements discussing how the Left might build on this experience to recover a humanist and emancipatory tradition of internationalism which would address our multiple global social problems

Globalisation, Human Rights and Labour Law in Pacific Asia Anthony Woodiwiss, 1998-04-30 Anthony Woodiwiss s pathbreaking book was the first substantive contribution to a sociology of human rights In it he takes up the question of whether so called Asian values are compatible with human rights discourse and argues against human rights issues being the major obstacle to East West co operation Dr Woodiwiss s sociological and post structuralist approach to the concept of rights and his incorporation of the transnational dimension into sociological theory enable him to demonstrate how the global human rights regime can accommodate Asian patriarchalism while Pacific Asia is itself adapting by means of what he calls enforceable benevolence His studies of Hong Kong the Philippines Malaysia and Singapore highlight similarities between Pacific Asian and Western societies and offer a positive view of the social forces obtaining in these territories

Geographies of Globalization Andrew Herod, 2009-02-02 Exploring a wide range of issues from the integration of the world economy to how contemporary processes are shaping and shaped by nation states and how workers are organizing transnationally in response to transformations in the planet s economic geography *Geographies of Globalization* is a critical examination of what has become the leitmotif of our contemporary world Challenges neoliberal assumptions on the nature of globalization Provides a conceptual overview of how globalization is a spatial process and of its

relation to capitalism Explores whether we are in fact living in a more globalized world or only in a more internationalized one Considers arguments concerning whether globalization is a new phenomenon or simply the latest manifestation of processes many hundreds of years in the making Focuses on how nation states have shaped and been shaped by contemporary processes of globalization how globalization has been imagined discursively and how workers are responding to such processes Explores how workers are creating new organizing strategies in response to globalization Japan Jean-Marie Bouissou,2002 This text encompasses aspects of the transformation that raised Japan from the ashes of defeat to a model economy It relates economic growth to social change and politics and shows how these upheavals reverberated upon the Japanese value system **Ibss: Political Science: 1994** British Library of Political and Economic Science at the London School of Economics,1995-12-08 The IBSS is the essential tool for librarians university departments research institutions and any public or private institution whose work requires access to up to date and comprehensive knowledge of the social sciences **Asia in Japan's Embrace** Walter Hatch,Kozo Yamamura,1996-06-28 Comprehensive and controversial this book critically examines Japan s economic presence in Asia **International Labor and Working Class History** ,2001 **Workers of the Empire, Unite** Yann Béliard,Neville Kirk,2021-03-01 In most studies of British decolonisation the world of labour is neglected the key roles being allocated to metropolitan statesmen and native elites Instead this volume focuses on the role played by working people their experiences initiatives and organisations in the dissolution of the British Empire both in the metropole and in the colonies How central was the intervention of the metropolitan Left in the liquidation of the British Empire Were labour mobilisations in the colonies only stepping stones for bourgeois nationalists To what extent were British labour activists willing and able to form connections with colonial workers and vice versa Here are some of the complex questions on which this volume sheds new light Though convergences were fragile and temporary this book recapture the sense of uncertainty that accompanied the final decades of the British Empire a period when radical minorities hoped that coordinated efforts across borders might lead not only to the destruction of the British Empire but to that of capitalism and imperialism in general Exploiting rare primary sources and adopting a resolutely transnational approach our collection makes an original contribution to both labour history and imperial studies
