Victorious Women Learning to Cope Dr. Sondra Belt, 2010-09-08

Women Learning to Cope takes the reader through the experiences of women learning to deal with the problems of life in a godly manner. Women have many roles in their lives: wife, mother, friend, and professional, to name a few. They are often challenged with various problems which sometimes result in stress and low self-esteem. These things can greatly affect their perspective on life. I have narrated my personal struggles with family and career while discovering along the way that in the midst of the storms of life, there is strength in trusting God. More than anything, my spiritual connection with the Lord has kept me and guided me during life's hardships. This is the message I want to convey to all women facing different trials in their lives. I have included stories of different women facing different struggles which will serve as an inspiration to those who are going through and coping with the same or similar situations. *Women Learning to Cope* will be of interest to all readers and they will find comfort and joy in these accounts which will serve to increase Christian faith.

Dealing with Our Fears When Letting Go Seems Impossible Dannie Hawley, 2011-06-10. Life in the twenty-first century is fast-paced, loaded with busy schedules and looming deadlines, making it nearly impossible to keep up, let alone get ahead. With pressures and stresses injected into each day, we find ourselves riddled with insecurities. As Christians, we know full well that we are to fret not, but how in this world? Falling economies and soaring oil prices, wars popping up like flowers after the winter snows, and we are to fret not. Exactly Three and a half years into their service at this medical post, Dannie became totally blind, and there was nothing that could be done. Dannie and Anne Lise stayed to continue caring for the patients, trusting God to take care of them in this wild jungle environment. *Dealing with Our Fears when Letting Go Seems Impossible* is liberally sprinkled with true stories from jungle life, serving to illustrate the lessons of the Lord in the area of fretting. Do you find yourself fretting over having enough faith, knowing God's plan, waiting on God for an answer, trusting God, letting go of worries? Contained within these pages are these lessons and a model applicable for any Christian who needs to find a way to cope in this stress-filled, high-tech world.
