In the past most women confronted by menopause had two choices Suffer the symptom usually in silence or take a hormone pill But thanks to the startling findings of the Women s Health Initiative Study which concluded that the potential health hazards of using Prempro an estrogen progesterone combination outweighed its benefits and the subsequent National Toxicology Program s classification of estrogen as a carcinogen women and their doctors have been thrown into turmoil

Women's Sexuality Across the Life Span Judith C. Daniluk,2003-06-09 Moving beyond a traditional focus on sexual functioning this book emphasizes the complex interaction of psychological social cultural and biological influences on womens s sense of themselves as sexual beings Written for practitioners and educators its goal is to challenge contradictory messages and meanings that cause many women to feel disconnected from their bodies and from their needs and desires Themes explored include the development of sexual awareness and sexuality in childhood and adolescence the critical sexual choices of young adulthood and the multiple transitions characterizing the middle and later years of life The book features creative exercises and interventions to help girls and women construct more affirming sexual meanings **100 Questions & Answers About Uterine Fibroids** Lloyd B. Greig,2010-03-04 What are fibroids Do fibroids affect my ability to become pregnant and to have children Should fibroids be treated What is uterine artery embolization UAE If the fibroids are not causing any problems is watchful waiting a better option than surgery Cover **Safe Maternity and Pediatric Nursing Care** Luanne Linnard-Palmer,Gloria Haile Coats,2016-09-30 Finally A new OB peds textbook that focuses on what LPNs must know You ll find just the right depth and breadth of coverage with a focus on the knowledge and skills that LPNs need to know to practice safely **Vaginal Hysterectomy** Shirish S Sheth,2014-05-30 This second edition brings clinicians fully up to date with the latest advances and research in vaginal hysterectomy Beginning with an introduction to the technique its history preoperative patient assessment and methodology the following chapters discuss different aspects of the procedure using different techniques for different disorders The final sections discuss the advantages and disadvantages of vaginal hysterectomy comparing it with alternative techniques such as abdominal hysterectomy transcervical resection of the endometrium and laparoscopic hysterectomy The new edition has been fully revised and updated and includes nearly 300 highly illustrated photographs and diagrams Key points New edition presenting recent advances and research in vaginal hysterectomy Compares vaginal hysterectomy with alternative procedures Includes nearly 300 photographs illustrations and tables Previous edition published in 2001 Am I Still a Woman? Jean Elson,2004 Recent scientific findings regarding the potential dangers associated with hormone replacement therapies bring renewed attention to the relationship between women s bodies and gender identity In *Am I Still A Woman* Jean Elson offers the testimony of women who have thought deeply about this issue as a result of gynecological surgery For the women in this book gynecological surgery for benign conditions proved to be a crisis that prompted questions about the meanings of sexual and reproductive organs in relation to being female and feminine Is a woman who no longer menstruates still a woman What about a woman who can no longer

bear children Elson looks closely at the differences in responses to understand the impact of surgery and lost fertility on sexuality and partnerships as well as the steps some women take to deal with a sense of a stigmatized identity Whether they reconceptualized their old notions of what it means to be a woman or put a new focus on making themselves attractive they made conscious efforts to reclaim their female identity and femininity This book provides a wealth of insight into the choices women make regarding gynecological surgery and maintaining their sense of themselves as women Author note Jean Elson teaches sociology at the University of New Hampshire

Beyond the Womb Xavier Lindstrom, Are you considering a hysterectomy or want to learn more about this common surgical procedure Look no further than *Beyond the Womb Reframing Feminine Identity* This short read book provides a comprehensive guide to understanding hysterectomy its various types reasons for undergoing the procedure and what to expect during the recovery process In the introduction you will be introduced to the concept of hysterectomy and why it is an important topic for women s health The book then delves into the history of hysterectomy tracing its origins and evolution over time You will gain a deeper understanding of why hysterectomy matters and its impact on feminine identity The book covers the different types of hysterectomy including total hysterectomy partial hysterectomy laparoscopic hysterectomy and robotic hysterectomy Each type is explained in detail allowing you to make an informed decision about which procedure may be right for you Next the book explores the various reasons for undergoing a hysterectomy such as uterine fibroids endometriosis pelvic inflammatory disease abnormal uterine bleeding and cancer You will learn about the medical evaluation and pre operative testing required before the procedure as well as the importance of emotional preparation The hysterectomy procedure itself is thoroughly explained including anesthesia options surgical techniques and potential risks and complications The book also provides valuable information on the recovery process including hospital stay managing pain and discomfort post operative care and returning to daily activities One important aspect of hysterectomy is hormone replacement therapy HRT *Beyond the Womb* explores what HRT is its benefits and risks and the different types available Additionally alternative treatments to hysterectomy such as medications uterine artery embolization endometrial ablation and myomectomy are discussed The emotional effects of hysterectomy are not overlooked in this book It addresses the impact on intimacy and sexuality as well as the availability of support groups for women going through this procedure Long term health considerations including bone health cardiovascular health sexual health and psychological health are also explored For those concerned about fertility the book covers the impact of hysterectomy on fertility fertility preservation options and alternatives such as surrogacy and adoption Additionally it provides information on the cost of hysterectomy insurance coverage government assistance programs and legal issues surrounding the procedure
