Coping With Bereavement From Death Or Divorce:

Coping with Bereavement from Death Or Divorce W. Keith Hafer, 1981 Describes the psychological stages of grief and gives practical advice on coping with a sense of loss and returning to a normal life **Coping with Bereavement** W. Keith Hafer, 1999 Research shows that the seven principle losses which people endure are the loss of a loved one by death the loss of a loved one by divorce the loss of a treasured friendship the loss of citizenship or country the loss of job or vocation the loss of a home or business and the loss of capital that represents economic protection This book focuses on the two most severe of those types of losses death and divorce the grieving process is analyzed with the typical steps in the path of recovery listed the physical aspects of grief described and the differences in male and female grieving explained and then the book presents numerous principles which can be applied to hasten the recovery process Solid insights precise descriptions sound counsel and practical solutions are the hallmarks of this book It s not vague theory it s a down to earth nuts and bolts dispensing of essential information needed by every person who is coping with bereavement **Air University Review** ,1982-07 **Cultural Sociology of Divorce** Robert E. Emery, 2013-02-21 While the formal definition of divorce may be concise and straightforward legal termination of a marital union dissolving bonds of matrimony between parties the effects are anything but particularly when children are involved The Americans for Divorce Reform estimates that 40 or possibly even 50 percent of marriages will end in divorce if current trends continue Outside the U S divorce rates have markedly increased across developed countries Divorce and its effects are a significant social factor in our culture and others It might be said that a whole divorce industry has been constructed with divorce lawyers and mediators family counselors support groups etc As King Henry VIII s divorces showed divorce has not always been easy or accepted In some countries divorce is not permitted and even in Europe countries such as Spain Italy Portugal and the Republic of Ireland legalized divorce only in the latter quarter of the 20th century This multi disciplinary encyclopedia covers curricular subjects related to divorce as examined by disciplines ranging from marriage and the family to anthropology social and legal history developmental and clinical psychology and religion all through a lens of cultural sociology Features 550 signed entries A to Z fill 3 volumes 1 500 pages in print and electronic formats offering the most detailed reference work available on issues related to divorce both in the U S and globally Cross References and Further Readings guide readers to additional resources A Chronology provides students with context via a historical perspective of divorce In the electronic version the comprehensive Index combines with Cross References and thematic Reader s Guide themes to provide convenient search and browse capabilities For state and nation entries uniform entry structure combined with an abundance of statistics facilitates comparison between and across states and nations Appendices provide further annotated sources of data and statistics

Dealing with Dying, Death, and Grief during Adolescence David E. Balk, 2014-02-18 For some life's introduction to death and grief comes early and when it does it can take many forms Not only does Dealing with Dying Death and Grief during Adolescence tackle them all it does so with David Balk's remarkable sensitivity to and deep knowledge of the pressures and opportunities adolescents face in their transition from childhood to adulthood In seamless jargon free language Balk brings readers up to date with what we know about adolescent development because over time such changes form the backstory we need to comprehend the impact of death and bereavement in an adolescent's life The book's later chapters break down the recent findings in the study of life threatening illness and bereavement during adolescence And crucially these chapters also examine interventions that assist adolescents coping with these difficulties Clinicians will come away from this book with both a grounded understanding of adolescent development and the adolescent experience of death and they'll also gain specific tools for helping adolescents cope with death and grief on their own terms For any clinician committed to supporting adolescents facing some of life's

most difficult experiences this integrated up to date and deeply insightful text is simply the book to have David E Balk is professor in the department of health and nutrition sciences at Brooklyn College CUNY where he directs the graduate program in thanatology He is the author of Adolescent Development Early Through Late Adolescence Helping the Bereaved College Student and several other books on death and bereavement He is also co editor of the 2nd edition of the Handbook of Thanatology Routledge 2013

Mogilski, 2023 This handbook showcases the empirical and theoretical advancements produced by the evolutionary study of romantic relationships tracing evolved psychological mechanisms that shape strategic computation and behavior across the lifespan of a romantic partnership It discusses popular and cutting edge methods for data analysis and theory development critically analyzing the state of evolutionary relationship science and recommendations for future research

Counseling Adolescents Through Loss, Grief, and Trauma Pamela A. Malone, 2016-02-19 Loss grief and trauma come into the lives of adolescents in many forms and with more frequency than the adults in their lives may realize Assessing the depth and nature of their emotions can be difficult adolescents are typically reluctant to show strong emotions and can be difficult to reach particularly when they experience the untimely death of a loved one How best to work with a young person who may have trouble communicating their emotions even under the best of circumstances And what if he or she has learned about the death of a loved one or classmate from another peer rather than a family member What about gender differences and the influence of culture and family What role do cell phones text messaging and technologies such as Facebook play in the adolescent grief experience Adolescents use of technology creates unlimited access to friends support systems and information but news that spreads quickly without buffering effects can intensify the strength of the adolescent grief responses

Counseling Adolescents Through Loss Grief and Trauma not only examines these issues it also provides clinicians with a wealth of resources and time tested therapeutic activities that are sure to become an indispensable part of any clinician's practice
