Both girls are about to embark on complex romances. Natasha has met a smooth suave record producer that has been giving her his undivided attention since he has first laid eyes on her in Mexico. However she has proceeded with caution because her gut instinct tells her there is a much darker side to him. To complicate things further for Natasha the one guy she always had feelings for in high school who is now a professional basketball player has somehow resurfaced. Now she is being pulled by both men vying for her love and attention. Nicole faces the challenges of dating outside her race.
