Maternal-newborn Nursing Susan Mattson, 2004 This is the first book of an intended series entitled The Introduction to Understanding Biblical understanding has been for too long held captive by a few individuals with selfish and sinister motives Within the pages of this book are keys to unlock the truth of the Holy Scriptures You will see from the bible when the Angels were created You will discover the original nature of the Angels as well as Adam and understand God s intended purpose for His creation and His created beings within it By knowing the nature of anyone or anything places you in a position to truly understand Understanding within any context will set you free of the fear that can stagnate your life and impact the relationships that give our lives substance Be set free of the fear of death hell and God s judgment by knowing your own true identity The Naked Truth of Angels and Man plainly and from the scriptures shows the purpose of the six days of the creation the reason that God waited until the second chapter of the book of Genesis to reveal His personal name the identity of the rulers and authorities in the heavenly places and much much more You will able to understand the blessings given to the men in the early chapters of Genesis and how those blessings impact your life today Gain insight into the original priesthood of man in order to understand the priesthood that Christians are called to The Naked Truth of Angels and Man gives insight into the nature of modern beliefs and practices such as The Theory of Evolution Mother Earth Nature and Goddess worship The Golden Age of Man And Others The Naked Truth of Angels and Man relies only on the Bible for perspective and the author relies only on the Holy Spirit for understanding Inter into these pages as you are Young or mature man or woman educated or eager to learn and see the scriptures by the light of the Holy Spirit The Naked Truth of Angels and Man is brief in part because it is void of filler paragraphs and chapters but it is very dense with biblical information and understanding This book offers you the truth and it is verified by the biblical text A spark exists within these pages that may very well take root in your soul enliven your mind and invigorate your spirit The Lord promised to give His Holy Spirit to all of His faithful See the fruit of the Spirit that is available to every member of the body of our risen Lord and Savior Yeshua the Messiah Jesus Christ
