Corinthian Correspondence:

The Corinthian Correspondence Reimund Bieringer,1996 **The Corinthian Correspondence** Reimund Bieringer,1996 *Unity of Corinthian Correspondence* David R. Hall,2003-12-01 The thesis of this book is that 1 and 2 Corinthians are closely related that Paul faces the same opponents in both letters that the letter written with many tears referred to in 2 Corinthians is 1 Corinthians and that there is no need to posit an intermediate visit or letter between the two canonical letters Throughout the two letters Paul implements a consistent pastoral strategy and an understanding of this strategy explains the difference in tone between various sections of the two letters There is no need for theories of partition

The Corinthian Correspondence Helen Doohan,2016-08-18 The Corinthian correspondence and the community it reflects are exciting and exasperating interesting and complex The letters offer us a window of opportunity to view Paul s personal and pastoral presence in his growing relationship with this church Struggling with his own history the history of the community and the newness of the Gospel he preaches Paul identifies an approach that balances tradition and innovation theological foundations and principles of action The passion persuasion and purpose of the apostle permeate these letters and no one is unaware that the Lord Jesus is the center of his Gospel message and of his life Paul offers insight into the commitment of early apostles disciples and ministers in the Corinthian community He personally experiences the dying and rising of Christ in his work with this community giving a ring of truth to his own assessment of Christian life and ministry Only faith transforms adversity into an opportunity for growth and Paul s faith and perseverance offer hope to those of us who continue to experience the paradoxes of Christian life and ministry **The Social Ethos of the Corinthian Correspondence** David G. Horrell,1996-01-01 An exemplary study focussing on the Corinthian correspondence of the social ethos of early Christian teaching and its development **Unity of Corinthian Correspondence** David R. Hall,2003-01-01 In *The Unity of the Corinthian Correspondence* David Hall argues that 1 and 2 Corinthians are closely related In both letters Paul faces the same opponents referring to them in the same disguised indirect way in both 1 Corinthians and 2 Corinthians 19 before confronting them directly in 2 Corinthians 10:13 Furthermore many passages in 2 Corinthians echo the teaching of 1 Corinthians while others refer to the Corinthian reaction to the first letter Hall therefore maintains that modern attempts to regard 1 and 2 Corinthians as a mosaic of fragments are based on a flawed methodology that fail to appreciate Pauls pastoral teaching *The Social Ethos of the Corinthian Correspondence* David G. Horrell,1996-08-01 An exemplary study focussing on the Corinthian correspondence of the social ethos of early Christian teaching and its development **The Corinthian Correspondence** Frank W. Hughes,Robert Jewett,2021-10-19 In *The Corinthian Correspondence* Frank W Hughes and Robert Jewett argue that there were eight original letters by the Apostle Paul to the church in Corinth In the first part of the book they use literary and redaction criticism to show the reasons for the partition theory of 1 and 2 Corinthians Analyzing each of the eight letters and letter fragments using rhetorical criticism they show how the original Corinthian letters were

edited and reshaped into 1 and 2 Corinthians in the New Testament After reflections on the rhetoric of these letters and the historical meaning of the reshaping of the images of Paul a final chapter traces the consequences of the reshaping of the Corinthian correspondence and the adoption of the bound book codex instead of the original papyrus scrolls Several figures help the reader understand the redactional process and a new translation of the eight reconstructed Corinthian letters is provided
