Corn Raid

Katherine Grandjean

Corn Raid:

The Corn Raid James Lincoln Collier, 2013-06-01 Life for indentured servants in pioneer Virginia is hard It is doubly hard for Richard Ayre a London orphan who had been scooped off the streets as a child and sent to the Jamestown Colony But a chance encounter with an Indian boy his own age gives him a friend the first real friend he has had in years until his master s plan to raid an Indian village for corn turns Richard s world upside down Soon their friendship and loyalties will be put to the test

Ranger Raid Phillip Thomas Tucker, 2021-06-01 A figure of legendary almost mythic proportions Robert Rogers is widely considered the father of U S Army Rangers He gained his fame during the French and Indian War fighting in the American and Canadian wilderness for the British colonies and the English Empire against the French and Indians but a decade later during the Revolution he was almost a man without a country During the American Revolution George Washington didn t trust him indeed he had Rogers arrested in 1776 nor did the British who desperate gave him a command anyway and Rogers was pivotal in arresting and executing American spy Nathan Hale However Rogers saga begins in the French and Indian War in what was a true American Odyssey *Ranger Raid* digs deep into Rogers most controversial battle the raid on St Francis in Canada during the French and Indian War On October 4 1759 Rogers and 140 Rangers raided the Native American town of St Francis Canada as part of British general Jeffery Amherst s plan to gain intelligence in the St Lawrence region At the time and for many decades thereafter this was seen as a great victory but now it seems like more of a massacre Phillip Thomas Tucker refreshes this story combining the biography of Robert Rogers the history of his Rangers and the history of the native peoples in this region to tell a new story of the St Francis raid and its influence in the French and Indian War the Revolutionary War and ever after

Corn Raid James Lincoln Collier, 2004 Read about 12 year old Richard Ayre a London orphan who was scooped off of the streets to become an indentured servant as he befriends an Indian boy whose village Richard s master consequently planned to raid for corn Includes an author profile

Zombie Myths of Australian Military History Craig A. J. Stockings, 2010 In this fascinating account leading Australian military historians tackle 10 of the most enduring historical zombies or national myths that have staggered their way through the halls of military history for more than 200 years From Aboriginal resistance and invasion to Australia s recent involvement in East Timor this record disproves the incorrectly memorialized and so called gallant deeds of past Australian servicemen Provocative and opinionated this record attempts to correct the historical record

To Die Game William McKee Evans, 1996-01-01 During the Civil War many young Lumbee Indians of North Carolina hid in the swamps to avoid conscription into Confederate labor battalions and carried on a running guerilla war *To Die Game* is the story of Henry Berry Lowry a Lumbee who was arrested for killing a Confederate official While awaiting trial he escaped and took to the swamps with a band of supporters The Lowry band became as notorious as their contemporaries Jesse and Frank James as they terrorized bush whacked leaders of posses and military companies For more than five years with the support of local Indians and Negroes they eluded capture In 1872

Henry disappeared and some of his other followers were eventually hunted down and killed by bounty hunters *Australian Frontier Wars, 1788-1838* John Connor, 2002 From the Swan River to the Hawkesbury and from the sticky Arnhem Land mangrove to the soft green hills of Tasmania this book describes the major conflicts fought on the Australian frontier to 1838 Based on extensive research and using overseas frontier wars to add perspective to the Australian experience *The Australian Frontier Wars 1788 1838* will change our view of Australian history forever Routledge Handbook of the Global History of Warfare Kaushik Roy, Michael W. Charney, 2024-01-23 This handbook examines key aspects of the development of the global history of warfare and the changing patterns of warfare over time Although scholarship has long eschewed a chronological narrative of the evolution of warfare that privileges the Western experience global histories of warfare have had difficulty avoiding an overemphasis on the West The present volume is a collection of themes rather than a history per se it provides important perspectives on the emergence of warfare as a global historical experience from the ancient past to the present day Drawing together numerous experts it tells a broader more inclusive story of the global human experience with wars and warfare The 35 chapters are organised in eight thematic parts Part I Origins of Warfare Part II Politics and Armed Forces in the Pre Modern Era Part III Steppe Nomads of Eurasia Part IV Naval Warfare and Piracy in the Pre Industrial World Part V The Impact of Gunpowder Part VI Transition from Industrial to Total War Part VII Wars of Decolonisation and Cold War Part VIII Postmodern New Wars These Parts offer an overview of the global experience of warfare to help readers understand how the wars and the militaries we see today have been shaped by historical developments across the globe This handbook will be of great interest to students of military history naval history strategic studies and world history in general James Lincoln Collier Liz Sonneborn, 2005-12-15 This book examines the life and writings of James Lincoln Collier writer of children's historical novels **Give Dad My Best** James Lincoln Collier, 2013-06-01 Back before the stock market crash Jack's dad had been working steadily and their family had had plenty of money But now in the middle of the 1930s Depression there isn't much work for a trombone player just a gig down in New York City once in a while So fourteen year old Jack is doing his best to help out He's lucky enough to get a weekend job at the town boat club where the rich folks hang out but Jack wishes his dad would at least try to get a regular job Sometimes there isn't even enough money to buy decent food and clothes for Jack his sister Sally and their young brother Henry It's bad enough that their mother has had a nervous breakdown and gone to live in a home Now Jack and Sally are beginning to wonder how long the rest of the family will be able to stay together with so little money coming in Jack's father keeps telling them to look on the bright side his favorite song is Happy Days Are Here Again But Jack isn't sure there can be a bright side when you don't have enough money to live decently Then at the boat club Jack sees an opportunity to steal a lot of money enough to pay the family's back rent and keep them all together For the first time in his life Jack is seriously tempted to steal especially now that he realizes that his dad can't really be depended upon that it's up to him to take care of the family **The Winchesters** James Lincoln Collier, 2013-02-01 Fourteen year old Chris

Winchester is torn between two worlds By birth he s part of the indomitable Winchester clan owners of the enormous electronics factory that employs nearly everyone in town Yet Chris s father gave up his stake in the business to work for the Peace Corp When he died Chris his mother and his twin sisters moved into a tiny gatehouse on the Winchester estate poor relations living on family goodwill While his cousin Ernest is groomed to take over the family fortune Chris attends public school and makes friends with the kids in town He can t understand why a crisis at his uncle s factory makes people suddenly hate him but a wage cut and a threatened strike have everyone s nerves on edge In the eyes of the townspeople Chris is guilty by association for he bears the Winchester name When things turn ugly Chris discovers that his family can get very tough Power is like a muscle his uncle explains and it must be flexed to keep it strong Chris senses that power can be used to destroy as well In spite of himself Chris is drawn into the inner circle of the Winchester clan Suddenly he realizes that part of the Winchester wealth might be his one day Being rich sounds exciting but his uncle s protection is not without its price and Chris s conscience is uneasy As he journeys toward adulthood he is faced with some difficult questions Where does he belong and whose side is he on

SPIN ,2000-11 From the concert stage to the dressing room from the recording studio to the digital realm SPIN surveys the modern musical landscape and the culture around it with authoritative reporting provocative interviews and a discerning critical ear With dynamic photography bold graphic design and informed irreverence the pages of SPIN pulsate with the energy of today s most innovative sounds Whether covering what s new or what s next SPIN is your monthly VIP pass to all that rocks

Me and Billy James Lincoln Collier,2013-06-01 Life at Deacon Smith s Home for Waifs would be completely dreary if it weren t for Possum s best friend Billy who thinks up lies faster than he can talk and provides plenty of excitement for the other boys When Billy hears that gold is hidden in the mountains Great big chunks of it some of em big as your fist he plans to escape taking Possum with him The two runaways embark on a journey in search of their dream the gold that will lead to a better life To earn enough money for their adventure they join Professor Alberto Santini savant of the healing arts and his road show The professor teaches the boys how spieling can make a buck but it s only the professor who seems to be earning any money Just as Possum and Billy realize that they ve been conned they get tangled up in a murder The boys try to keep ahead of the law as they continue their search for gold but their friendship becomes strained as Possum begins to feel more and more different from Billy Is the boys friendship strong enough to carry them through to the end of their journey

Maximum PC ,2000-12 Maximum PC is the magazine that every computer fanatic PC gamer or content creator must read Each and every issue is packed with punishing product reviews insightful and

innovative how to stories and the illuminating technical articles that enthusiasts crave **The Worst of Times** James Lincoln Collier,2013-02-01 When the Depression strikes America throwing millions out of work Petey Williamson s family seems safe Hadn t the boss promised Petey s father that he d always have a job But during the Depression promises cannot always be kept and Petey finds his family sliding rapidly into poverty And when Petey s much admired cousin Steve starts working as a union organizer in the battle to improve conditions for workers poverty turns into tragedy **The Urim and Thummim** Keith Honaker,2010-05 Jeff Guthrie and his family are on an infinite journey having no beginning and no end The spirit of each family member has been created and organized from intelligence a substance of the universe Their spirits have always existed and will continue as life everlasting Throughout its existence this family has experienced astonishing adventures including witnessing the creation The war in heaven and many additional pre earth life events The family must go through a probationary period on earth where they become mortal and acquire a flesh and blood body They must face the trials and tribulations of an earthly life devastating wars As well as providing service to others in need and live by every word of God In the spirit world the family struggles for perfection attends the Council of Adam ondi Ahman and undergoes their own resurrections They are then lifted up To The pillars of heaven and later descend To The surface of the reconfigured Edenic earth initiating the beginning of the millennium Here they will find millennial joy and happiness for a thousand years As the sons and daughters of God everything becomes possible We today must keep our eyes singled To The glory of God and strive to reach the goals He has set for us **Morning to Midnight in the Saddle** Hicks,Inglis,McManus,2012-07-02 Seven days before Lees surrender Lieutenant Otho McManus was killed leading a battle charge in Alabama During the previous thirty months the young Midwestern schoolteacher wrote more than a hundred letters His polished writing reflects his hopes ambitions fears war experience and domestic concerns The letters describe his capture while rescuing a wounded cousin a deadly case of friendly fire opinions of officers and war prospects and strong feelings about anti war dissent McManus served in the 123rd Illinois Mounted Infantry This regiment was an integral component of the elite Wilders Lightning Brigade Wilders Brigade played pivotal roles in battles and campaigns in Tennessee Georgia and Alabama McManus letters include extended accounts of the battles of Chickamauga Hoovers Gap and Perryville and the Atlanta Campaign among other campaigns battles and skirmishes The editors have supplemented the letters with a detailed chronology of the regiments movements with an account of explosive political developments in McManus home country and with post war sketches of people mentioned in the letters The editors have also included statistical analyses of the regiments demographics mortality and desertion rates The commentary is based on hundreds of commanders reports from the Official Records of the War of the Rebellion from dozens of pension and compiles service records from more than a dozen court martial transcripts and from other soldiers diaries and letters *American Passage* Katherine Grandjean,2015-01-05 Katherine Grandjean shows that the English conquest of New England was not just a matter of consuming territory of

transforming woods into farms It entailed a struggle to control the flow of information who could travel where what news could be sent over which routes winding through the woods along the early American communications frontier **Battles and Leaders of the Civil War** Robert Underwood Johnson, Clarence Clough Buel, 1888 **Rich and Famous** James Lincoln Collier, 2013-02-01 At thirteen George Stable still hasn't made his mark on the world Oh he plays the guitar and sings a little And he appeared on television for six whole seconds once A couple of years ago he even wrote a sort of book called The Teddy Bear Habit But nothing really exciting has happened to him But now it looks as if his big chance has finally come This agent of his Woody Woodward who discovered him during his six second TV career has come up with a plan to make him a hot new guitar playing teenage star George Stable the Boy Next Door Never mind that George has spent his entire life in Greenwich Village which is not exactly where you'd find your typical boy next door As Woody says it's the image that counts Of course there are a few problems to be ironed out His pop isn't too hot on the idea and is packing George off to stay with his uncle and creepy cousin Sinclair in upstate New York while he spends a month in Paris And Woody's bosses at the record company still have to buy the idea There's this strange bug eyed guy everyone calls Superman who has to give the go ahead
