General Index to the Published Volumes of the Diplomatic Correspondence and Foreign Relations of the United States, 1861-1899 United States. Department of State,1902 *The Holstein Papers: Correspondence, 1861-1896* Friedrich von Holstein,1955 **Put Out Into The Deep** Emilia Fransiska Dian Widhowati, PMY, God is Love To believe in this God of unconditional Love is a lived experience in each person and in each generation everywhere on the globe and all different cultures and historical periods In the beginning of the nineteenth century we notice in the south of the Netherlands a strong movement to renew and to actualise the Catholic faith in the concrete circumstances of poverty and political neglect In this way the Congregation of the Sisters of Charity Daughters of Mary and Joseph was founded on 7 July 1820 in s Hertogenbosch Similar to several other congregations in the same period St Vincent de Paul was their principal source of inspiration determined their charism and remained at the centre of their spirituality Religious life is essentially a lived experience of faith in which concrete persons touched by the incomprehensible Love of God dedicate their life in total surrender to this Love As a result they obey to the divine calling to be wholly transformed in love and to become docile instruments of God s overwhelming Charity towards all vulnerable persons young and old their brothers and sisters who are stripped of their human dignity humiliated and enslaved in many subtle ways In this Vincentian congregation this divine vocation of Charity was originally implemented as a specific service to the education of blind and deaf children but widened to the care of other forgotten groups like victims of trafficking in women and discrimination or subordination of women

Department of State,1960 **Correspondence and Papers Relating to a Conference with Representatives of the Self-governing Dominions on the Naval and Military Defence of the Empire, 1909** ,1909 *Correspondence, Conferences, Documents: July 1659-September 1660. v. 9. Conferences to the Daughters of Charity* Saint Vincent de Paul,1999 Library holds volume 1 only *Great Britain, the Dominions and the Transformation of the British Empire, 1907-1931* Jaroslav Valkoun,2021-02-15 The relations of Great Britain and its Dominions significantly influenced the development of the British Empire in the late 19th and the first third of the 20th century The mutual attitude to the constitutional issues that Dominion and British leaders have continually discussed at Colonial and Imperial Conferences respectively was one of the main aspects forming the links between the mother country and the autonomous overseas territories This volume therefore focuses on the key period when the importance of the Dominions not only increased within the Empire itself but also in the sphere of the international relations and the Dominions gained the opportunity to influence the forming of the Imperial foreign policy During the first third of the

20th century the British Empire gradually transformed into the British Commonwealth of Nations in which the importance of Dominions excelled The work is based on the study of unreleased sources from British archives a large number of published documents and extensive relevant literature *Correspondence* Saint Vincent de Paul,2008-07 Eleventh volume in the Vincent de Paul Correspondence Conferences Documents set Complete translation of his writings from French **Dominic Ignatius Ekandem 1917-1995** Michael I. Edem CM,2018-09-30 A phenomenon seldom recognized in the media of Western Europe and North America is the extraordinary growth of the Catholic Church of South America and sub Saharan Africa during the last five decades and nowhere more than in Nigeria A key figure in that country and in that growth up to his death in 1995 was Cardinal Ekandem the first Anglophone West African bishop the first of many and an outstanding churchman of the 20th Century Fr Michael Edem s scholarly biography of the Cardinal is a fascinating account of a journey from life in a traditional African village to the consistory of cardinals of the Catholic Church in Rome It will be of enormous interest to a wider public for the author s personal knowledge of the cardinal and of the Efik Ibibio culture in which they both grew up

Edmund Burke and William Pitt the Younger debating in Parliament the contents of these letters draw an incredibly rich picture of international life in the 1780s and an incomparable portrait of America's first family of politics and letters
