## **Alliance P:**

*Secret Alliances* Matthew Millard, 2025-07-15 This topical book explores key motivating factors in the formation and dissolution of secret alliances between states Matthew Millard examines the role of a variety of different factors in the formation endurance and termination of secret alliances analyzing key case studies across Africa Asia and Europe that showcase the consequences of broken secret alliances Using historical examples and quantitative data Millard discusses why states refrain from institutionalizing their covert alliances evaluating whether these are more or less enduring than public ones

**Sailing and Social Class** Alan O'Connor, 2024-04-23 This book explores the sociology of sailing and yachting Drawing on original research and employing a theoretical framework based on the work of Pierre Bourdieu the book argues that sailing is still an upper middle class activity that has much to tell us about the wider sociology of leisure and sport The book examines the historical foundations of blue water sailing as established by naval and colonial shipping to trace the roots of contemporary sailing and yachting culture It also examines archives of sailing narratives and cruising guides as well as the children's books of Arthur Ransome arguing that this archival material offers a social rather than a psychological interpretation of the bodily investment in sailing The book uses Bourdieu's concepts of *illusio* an investment of time emotion and body into a worthwhile activity and *habitus* or *lifeworld* alongside contemporary data sets to examine the yacht club as a social institution including why many boats never go out on the water the relationship between yacht clubs and the state and social issues as manifested in yacht clubs such as sexism racism and homophobia Offering a vigorous sociological critique of yachting and sailing this book is fascinating reading for anybody with an interest in the sociology of leisure and sport subcultures social theory or social issues in wider society

[Riparian plant community classification](#) Donald A. Potter, 2006

**Emperor of Japan** Donald Keene, 2005-06-14 The renowned Japanese scholar brings us as close to the inner life of the Meiji emperor as we are ever likely to get The New York Times Book Review When Emperor Meiji began his rule in 1867 Japan was a splintered empire dominated by the shogun and the daimyos cut off from the outside world staunchly antiforeign and committed to the traditions of the past Before long the shogun surrendered to the emperor a new constitution was adopted and Japan emerged as a modern industrialized state Despite the length of his reign little has been written about the strangely obscured figure of Meiji himself the first emperor ever to meet a European But now Donald Keene sifts the available evidence to present a rich portrait not only of Meiji but also of rapid and sometimes violent change during this pivotal period in Japan's history In this vivid and engrossing biography we move with the emperor through his early traditional education join in the formal processions that acquainted the young emperor with his country and its people observe his behavior in court his marriage and his relationships with various consorts and follow his maturation into a Confucian sovereign dedicated to simplicity frugality and hard work Later during Japan's wars with China and Russia we witness Meiji's struggle to reconcile his personal commitment to peace and his nation's increasingly militarized experience of

modernization Emperor of Japan conveys in sparkling prose the complexity of the man and offers an unrivaled portrait of Japan in a period of unique interest Utterly brilliant the best history in English of the emergence of modern Japan Los Angeles Times

**Miscellaneous Publication**,1930 *The British Constitution in the Twentieth Century* Vernon Bogdanor,2004-06-10 This is the first scholarly survey of the British constitution in the twentieth century Indeed it fills a very real gap in the history of Britain during the last hundred years The book is a product of interdisciplinary collaboration by a distinguished group of constitutional lawyers historians and political scientists and draws where possible on primary sources Its evaluation of the recent constitutional reforms will be of particular interest This major interpretation of the constitution will remain authoritative for many years

*Churchill on the Far East in the Second World War* C. Wilson,2014-08-05 Cat Wilson brings together two strands of historical scholarship Churchill s work as a historian and the history of WWII in the Far East Examining Churchill s portrayal of the British Empire s war against Japan as set down in his memoirs it ascertains whether he mythologised wartime Anglo American relations to present a special relationship

**The Chinese Hsinhai Revolution** Eiko Woodhouse,2004-08-02 The Chinese Hsinhai Revolution explores and explains for the first time the important role of G E Morrison in great power diplomacy in China from the end of the Russo Japanese War to the overthrow of the Qing Dynasty The work is based on a wide range of multinational scholarly sources and in order to develop the context in which Morrison carried out his personal diplomacy and to delineate the many sided story into which Morrison has to be placed Woodhouse has in addition to mining the very rich Morrison collection drawn upon British Japanese and American personal and official materials

*Eyton's Herd Book of Hereford Cattle* Hereford Herd Book Society,1885

**Managing the Partners in Strategic Alliances** T. K. Das,2021-07-01 Managing the Partners in Strategic Alliances is a volume in the book series Research in Strategic Alliances that focuses on providing a robust and comprehensive forum for new scholarship in the field of strategic alliances In particular the books in the series cover new views of interdisciplinary theoretical frameworks and models significant practical problems of alliance organization and management and emerging areas of inquiry The series also includes comprehensive empirical studies of selected segments of business economic industrial government and non profit activities with wide prevalence of strategic alliances Through the ongoing release of focused topical titles this book series seeks to disseminate theoretical insights and practical management information that should enable interested professionals to gain a rigorous and comprehensive understanding of the field of strategic alliances Managing the Partners in Strategic Alliances contains contributions by leading scholars in the field of strategic alliance research The 14 chapters in this volume deal with significant issues relating to the management of the partners in strategic alliances These issues run the gamut from deterring deceitful behaviors partner selection and control interpartner learning harmony negotiation tensions and diversities to partner management and alliance performance The chapters contain empirical as well as conceptual treatments of the selected topics and collectively present a wide ranging review of the

noteworthy research perspectives on managing the partners in strategic alliances      The Ideal Man Joshua Kurlantzick, 2011-10-13 How the West's greatest spy in Asia tried to stop the new American way of war and the steep price he paid for failing Jim Thompson landed in Thailand at the end of World War II a former American society dilettante who became an Asian legend as a spy and silk magnate with access to Thai worlds outsiders never saw As the Cold War reached Thailand America had a choice Should it as Thompson believed help other nations build democracies from their traditional cultures or as his ex OSS friend Willis Bird argued remake the world through deception and self serving alliances In a story rich with insights and intrigue this book explores a key Cold War episode that is still playing out today Highlights a pivotal moment in Cold War history that set a course for American foreign policy that is still being followed today Explores the dynamics that put Thailand at the center of the Cold War and the fighting in neighboring Laos that escalated from sideshow to the largest covert operation America had ever engaged in Draws on personal recollections and includes atmospheric details that bring the people events and the Thailand of the time to life Written by a journalist with extensive experience in Asian affairs who has spent years investigating every aspect of this story including Thompson's tragic disappearance      *Franklin D. Roosevelt and American Foreign Policy, 1932-1945* Robert Dallek, 1995-08-17 Discusses the domestic pressure which influenced Roosevelt's foreign policy and American foreign relations      **Organizing Rescue** S. Ilan Troen, Benjamin Pinkus, 2020-04-06 Upheavals of the modern period have dramatically changed the traditional pattern of the rescue of Jews by Jews Whereas until the mid nineteenth century rescue was carried out by community leaders in accordance with the religiously rooted injunction for the redemption of captives in the modern period largely secular international Jewish organizations and the State of Israel have emerged as the primary instruments of expressing Jewish national solidarity The campaigns to restore the exodus from the Soviet Union and to rescue Ethiopian Jews through Operation Moses are the most recent expressions of the imperative to save threatened Jewish communities and reconstitute them elsewhere The dynamics and achievements of organized rescue in the modern period are critically assessed in this volume which includes 18 interpretive essays and case studies by leading European American and Israeli scholars Organizing Rescue is divided into four sections The introductory essays examine the roots of Jewish solidarity in Jewish law and trace the transformation of rescue activity from a religious to a largely secular undertaking The three sections that follow group selected case studies chronologically Part I from the Damascus Affair to the First World War 1840 1914 deals with new patterns of response to the persecution of Jews in Europe Asia and Africa under the impact of emancipation nationalism and antisemitism Part II World Wars and the Shadow of the Holocaust 1914 1948 deals with the transitional period that brought hope and bitter disillusion to Jews in Europe and the Middle East Part III The Contemporary Period 1948 to the present examines the different manifestations of Jewish national solidarity that developed in response to the Holocaust and the creation of the State of Israel These studies illuminate and evaluate the efforts of Jews to defend and preserve communities separated by vast distances and diverse cultural and

political systems By placing these studies in an integrated historical and comparative framework Organizing Rescue provides a timely and unique perspective for understanding national Jewish solidarity in the modern period Human connection as a treatment for addiction Andrea D. Clements, Human-Friedrich Unterrainer, Christopher C. H. Cook, 2023-01-30 **Air Power Supremo** William Pyke, 2022-04-13 Sir John Slessor was one of the twentieth century's most distinguished wartime commanders and incisive military thinkers and William Pyke's comprehensive new biography reveals how he earned this remarkable reputation Slessor a polio victim who always walked with a stick became a First World War pilot in the Sudan and on the Western Front and a squadron and wing commander in India between the wars When aerial warfare was still a new concept he was one of the first to develop practical tactics and strategies in its application In the Second World War as the Commander in Chief of Coastal Command during the Battle of the Atlantic and the RAF in the Mediterranean during the Italian and Balkan campaigns he made a remarkable contribution to the success of Allied air power Then after the war as a senior commander he established himself as one of the foremost experts on strategic bombing and nuclear deterrence That is why this insightful biography of a great British airman and his achievements is so timely and important as we enter a new era of strategic doubts and deterrence at the beginning of the twenty first century William Pyke follows each stage of Slessor's brilliant career as a pilot and commander in vivid detail In particular he concentrates on Slessor's writings from his treatise on the application of air power in support of land armies to his thinking on nuclear deterrence and Western strategy

*Recommendations of the Bureau of Animal Industry on Problems of Livestock Production* Arthur Frederick Sievers, Everett Eugene Edwards, John Robbins Mohler, Maude A. Thompson, Ruth O'Brien, Stuart Bevier Show, Willard Hull Wright, H. B. Raffensperger, 1930 It is the purpose of this publication to assist those interested in medicinal plant identification and to furnish other useful information in connection with the work First Socialist Schism Wolfgang Eckhardt, 2016-09-01 The First Socialist Schism chronicles the conflicts in the International Working Men's Association the First International 1864-1877 which represents an important milestone in the history of political ideas and socialist theory In defending their autonomy federations in the International became aware of what separated them from the social democratic movement that relied on the establishment of national labor parties and the conquest of political power This can be seen as a decisive moment in the history of political ideas the split between centralist party politics and the federalist grassroots movement The separate movements in the International which would later develop into social democracy communism and anarchism found their greatest advocates in Mikhail Bakunin and Karl Marx However the significance of this alleged clash of titans is largely a modern invention It was not the rivalry between two arch enemies or a personal vendetta based on mutual resentment that made the conflict between Bakunin and Marx so important but rather that it heralded the first socialist schism between parliamentary party politics aiming to conquer political power and social revolutionary concepts Instead of focusing exclusively on what Marx and Bakunin said many other contributions to this debate are examined making this the

first reconstruction of a dispute that gripped the entire organization This book also provides the first detailed account of the International s Congress of The Hague September 1872 including the background the sequence of events and international reaction The book sets new standards when it comes to source material taking into account documents from numerous archives and libraries that have previously gone unnoticed or were completely unknown The Devils Will Get No Rest James B. Conroy,2024-06-11 In a secret no holds barred ten day debate in a Moroccan warzone protected by British marines and elite American troops Franklin Roosevelt Winston Churchill Charles de Gaulle George C Marshall Dwight D Eisenhower George S Patton Jr Sir Alan Brooke Lord Louis Mountbatten Sir Harold Alexander and their military peers questioned each other s competence doubted each other s vision and argued their way through choices that could win or lose World War II *The Victoria History of England* Arthur Bailey Thompson,1865 *The Victoria History of England. From the Landing of Julius Cæsar ... to the Marriage of H.R.H. Albert Edward, Prince of Wales ... With ... Maps ... and Engravings ...* by the Brothers Dalziel Arthur Bailey THOMPSON,1865

## Unveiling the Power of Verbal Artistry: An Mental Sojourn through **Alliance P**

In a global inundated with screens and the cacophony of quick interaction, the profound power and emotional resonance of verbal art frequently diminish into obscurity, eclipsed by the continuous assault of noise and distractions.
