Rushin, 2001-07 From the moment Allison received the call that her ex husband was in the hospital after a severe car accident she had no idea how her decision to go see him would change the course of her life Allison had already raised a son and thought that part of her life was over She soon finds out that it is beginning again when she is told her ex husband has a young daughter Rose now orphaned after the crash With the help of a special angel Allison and Rose are able to become a family and find the love they both so desperately need in their lives They prove that it is not the hand in life you are dealt but how you play it **Rude Awakenings** Christopher Carroli, 2023-06-27 Several years ago Dylan Rasche was abducted by the Green Valley UFO otherwise known as the Phantom in the Sky For years Dylan remained unable to recall the memories of his abduction except for a recurring dream of a strange black eyed boy wearing a hooded sweatshirt But months ago Dylan remembered everything Afterward Dylan wrote a memoir of his abduction experience which prompted other abductees to remember and come forward As they did they realized they had one specific thing in common dreams of strange black eyed children Now these odd children have claimed the abductees are their parents and have begun stalking them But the truth is too hard to believe for those have been abducted had their memories erased and have now been rudely awakened The Black Eyed Kids have made their presences known in the worst possible way Now the investigators must confront them face to face where it all began on Eagle Rock Mountain But when the truth about the BEK is revealed it brings Rude Awakenings to the team and those they have sworn to help and protect *Pocono: NASCAR's Northern Invasion* Joe Miegoc, 2011-04-14 Pocono NASCAR s Northern Invasion by author Joe Miegoc is the story of how NASCAR stepped into the breach created by the Indy car war of the late 1970s saved Pocono Raceway from extinction and gave it an expanded national identity In the late 1970s NASCAR s northern races were few One was at Pocono a unique three turn track caught in the middle in the CART USAC war which was about to send Indy car racing s popularity into history s ashbin As Pocono teetered on bankruptcy NASCAR founder Bill France convinced Pocono owner Dr Joe Mattioli to try it one last time France knew Pocono s strategic value rewarding Pocono with a second Winston Cup race in the process Hall of Fame drivers and NASCAR insiders tell how Pocono gave NASCAR expanded exposure to 30 million people in a 300 mile radius of the track Pocono NASCAR s Northern Invasion tells the story of the third largest rock festival of the 1970s drawing 200 000 fans of where Janet Guthrie became the first woman to drive in a 500 mile Indy car race where Tim Richmond flashed onto the stock car scene and where Bobby Allison s career ended on a Father s Day afternoon *Cold War Country* Joseph M. Thompson, 2024-03-22 Country music maintains a special decades long relationship to American military life but these ties didn t just happen This readable history reveals how country music s Nashville based business leaders on Music Row created partnerships with the Pentagon to sell their

audiences on military service while selling the music to servicemembers Beginning in the 1950s the military flooded armed forces airwaves with the music hosted tour dates at bases around the world and drew on artists from Johnny Cash to Lee Greenwood to support recruitment programs Over the last half of the twentieth century the close connections between the Defense Department and Music Row gave an economic boost to the white dominated sounds of country while marginalizing Black artists and fueling divisions over the meaning of patriotism This story is filled with familiar stars like Roy Acuff Elvis Presley and George Strait as well as lesser known figures industry executives who worked the halls of Congress country artists who dissented from the stereotypically patriotic trappings of the genre and more Joseph M Thompson argues convincingly that the relationship between Music Row and the Pentagon helped shape not only the evolution of popular music but also race relations partisanship and images of the United States abroad Reports of Committees United States.

they have made to a more profound understanding of this enigmatic condition The New Negro in the Old South Gabriel A. Briggs, 2015-11-13 Standard narratives of early twentieth century African American history credit the Great Migration of southern blacks to northern metropolises for the emergence of the New Negro an educated upwardly mobile sophisticated very different from his forebears Yet this conventional history overlooks the cultural accomplishments of an earlier generation in the black communities that flourished within southern cities immediately after Reconstruction In this groundbreaking historical study Gabriel A Briggs makes the compelling case that the New Negro first emerged long before the Great Migration to the North The New Negro in the Old South reconstructs the vibrant black community that developed in Nashville after the Civil War demonstrating how it played a pivotal role in shaping the economic intellectual social and political lives of African Americans in subsequent decades Drawing from extensive archival research Briggs investigates what made Nashville so unique and reveals how it served as a formative environment for major black intellectuals like Sutton Griggs and W E B Du Bois The New Negro in the Old South makes the past come alive as it vividly recounts little remembered episodes in black history from the migration of Colored Infantry veterans in the late 1860s to the Fisk University protests of 1925 Along the way it gives readers a new appreciation for the sophistication determination and bravery of African Americans in the decades between the Civil War and the Harlem Renaissance *Decisions and Orders of the National Labor Relations Board* United States. National Labor Relations Board, 2008 **The Museum Curator** Bruce Allsman, 2021-05-01 The Museum Curator a suspense thriller novel by Bruce Allsman When accompanying her husband on a business trip to a city in Eastern Europe Serena Crown and her four year old daughter Allison spend a day at a vast private museum while her husband Tom Crown attends a business meeting At the museum Serena and Allison enjoy a wonderful time together until a sudden power outage disrupts them Seconds later when the power resumes Serena finds Allison missing Her initial effort to search for Allison ends in failure Desperate for help she seeks the assistance of the security chief and as directed by the curator they close the museum temporarily to conduct a thorough search but they could not find Allison anywhere Her nightmare begins when she discovers that Allison is being held captive somewhere inside the museum by human traffickers who intend to ship her child out before midnight *The Diggers of Kapyong* Tom Gilling, 2024-03-26 The gripping account of Australia in the Korean War and how 3RAR battalion held back an entire Chinese army division to prevent Seoul being overrun In the only war in which Australian soldiers ever faced off against the might of Mao this is a revealing and spellbinding account of an extraordinary victory Peter FitzSimons We charged and we began to get shot down there were so many bullets coming that it was like walking running into a very stiff breeze Most of the section had been knocked out and I m within ten foot of the Chinese trench when bang something hit me It just blew the legs out from underneath me April 1951 After ten months of fighting the Korean War hangs in the balance A single Australian battalion backed by Kiwi gunners and American tanks is dug in on a hilltop overlooking the Kapyong Valley north of Seoul Together

with a Canadian battalion on a nearby hill they are all that stands between Mao's army and the South Korean capital. Since pouring across the North Korean border to support Kim Il Sung's communist fighters, the Chinese have launched offensive after offensive in an attempt to drive General MacArthur's UN forces off the peninsula. Hundreds of thousands of soldiers from both sides have been killed or have frozen to death in the cruel Korean winter. On the barren hills above the Kapyong Valley, the heavily outnumbered Diggers of 3RAR wait in darkness for a battle that could decide the war's outcome. Told through the eyes of the soldiers, *The Diggers of Kapyong* is the compelling account of the mateship, sacrifice and heroism that defined Australia's role in a bloody war whose bitter legacy still resonates today. Gilling puts things in Cold War historical perspective and using the testimonies of soldiers looking back on those two days of intense, sometimes hand-to-hand fighting, creates a detailed and atmospheric picture of the day and nighttime battles, the mayhem and resistance against the odds. In the 1960s, increasing numbers of African American students entered predominantly White colleges and universities in the northern and western United States. *Too Much to Ask* focuses on the women of this pioneering generation, examining their educational strategies and experiences and exploring how social class, family upbringing and expectations, their own and others prepared them to achieve in an often hostile setting. Drawing on extensive questionnaires and in-depth interviews with Black women graduates, sociologist Elizabeth Higginbotham sketches the patterns that connected and divided the women who integrated American higher education before the era of affirmative action. Although they shared educational goals, for example, family resources to help achieve those goals varied widely according to their social class. Across class lines, however, both the middle and working class women, Higginbotham studied, noted the importance of personal initiative and perseverance in helping them to combat the institutionalized racism of elite institutions and to succeed. Highlighting the actions Black women took to secure their own futures as well as the challenges

they faced in achieving their goals Too Much to Ask provides a new perspective for understanding the complexity of racial interactions in the post civil rights era **Trial of Charles A.
