English R.D. Fulk, 2012-04-17 An Introduction to Middle English combines an elementary grammar of the English language from about 1100 to about 1500 with a selection of texts for reading ranging in date from 1154 to 1500 The grammar includes the fundamentals of orthography phonology morphology syntax regional dialectology and prosody In the thirty eight texts for reading are represented a wide range of Middle English dialects and the commentary on each text includes in addition to explanatory notes extensive linguistic analysis The book includes many useful figures and illustrations including images of Middle English manuscripts as an aid to learning to decipher medieval handwriting and maps indicating the geographical extent of dialect features This introduction to Middle English is based on the latest research and it provides up to date bibliographical guidance to the study of the language *The Court of Richard II and Bohemian Culture* Alfred Thomas, 2020 First detailed exploration of the role played by Bohemian tradition and customs on the court of Richard II *Warriors and Wilderness in Medieval Britain* Robin Melrose, 2017-02-07 Tracing the development of the King Arthur story in the late Middle Ages this book explores Arthur's depiction as a wilderness figure the descendant of the northern Romano British hunter warrior god The earliest Arthur was a warrior but in the 11th century Welsh tale Culhwch and Olwen he is less a warrior and more a leader of a band of rogue heroes The story of Arthur was popularized by Geoffrey of Monmouth in his Latin History of the Kings of Britain and was translated into Middle English in Layamon's Brut and the later alliterative Alliterative Morte Arthure Both owed much to the epic poem Beowulf which draws on the Anglo Saxon fascination with the wilderness The most famous Arthurian tale is Sir Gawain and the Green Knight in which the wilderness and themes from Beowulf play a leading role Three Arthurian tales set in Inglewood Forest place Arthur and Gawain in a wilderness setting and link Arthur to medieval Robin Hood tales *Romance and History* Jon Whitman, 2015-01-08 A wide ranging account of the relationship between romance and history from the medieval to the early modern period **Arthurian Bibliography III: 1978-1992** Caroline Palmer, 1998 Details of all published Arthurian work post 1978 to 1992 If one wants to scoop up nearly everything on an Arthurian subject there is no substitute for the Arthurian Bibliography series ANGLIA In 1981 the first Arthurian Bibliography appeared an exhaustive alphabetical author listing of all critical material recorded in the standard Arthurian bibliographies up to 1978 This was followed in 1983 by the second volume giving full indexes by topic key word and individual work author to form a complete subject index of every topic in Arthurian literature Summaries and reviews were also indicated where they existed Arthurian Bibliography III updates this invaluable reference work for Arthurian scholars to 1992 Compiled from the BBSIA it conveniently contains both author listing and subject index in one volume **Sigurd's Lament** Benjamin John Peters, 2017-07-14 In literature the advice often given is to show and not tell In academia it is the opposite tell and do not show Sigurd's Lament is a text that asks the question can scholarship show rather than tell On the surface it is the collected work of a mid twentieth century scholar Hawthorne Basil Peters who has curated the life's work of his father the translation of a Welsh epic into the alliterative meter of the English Revival The poem is

produced in full but so too is the historic introduction commentary and academic apparatus Peters for the first time shares with the world his father's wonderful translation and his previously unpublished academic ideas In a text rife with distortion however Peters draws the reader's attention to the unexpected flexibility of language and asks only one thing in return drink deeply For Sigurd's Lament is a text of the most serious play It is ambiguous and obfuscating and riddled with footnotes that have lurking within them like goblins in the weeds future tales of past narratives

Bulletin bibliographique de la Société internationale arthurienne International Arthurian Society, 1973 **From Boys to Men** Ruth Mazo Karras, 2003
