Vance Galvin this group hopes to kill off the president as well as everyone in his line of succession leaving only Galvin's inside man to act as commander in chief. This leading man will survive the DC doomsday and create an America to match the ideals of the Founding Fathers: a white Christian nation. He blames the US government for the death of his family at Waco, Texas, in 1993, and he longs to purify his homeland. Galvin believes Tim has information that could ruin the plan, but Galvin has made things too personal, which can get messy, and now his perfect plan could fall to pieces at the hands of a veteran's son.

The Left Behind Collection Tim LaHaye, Jerry B. Jenkins, 2014-09-26. All 12 books in the New York Times bestselling series. Over 63 million copies sold. Are you ready for the moment of truth? Mass disappearances. Political crisis. Economic crisis. Worldwide epidemics. Environmental catastrophe. Military apocalypse. And that's just the beginning of the end of the world. This is the most successful Christian fiction series ever. Publishers Weekly: Tim LaHaye and Jerry Jenkins are doing for Christian fiction what John Grisham did for courtroom thrillers. Time: Combines Tom Clancy-like suspense with touches of romance, high tech, flash, and biblical references. New York Times: Wildly popular and highly controversial. USA Today: Call it what you like, the Left Behind series now has a label its creators could have never predicted: blockbuster success. Entertainment Weekly: Contains the following titles: 1. Left Behind, 2. Tribulation Force, 3. Nicolae, 4. Soul Harvest, 5. Apollyon, 6. Assassins, 7. The Indwelling, 8. The Mark, 9. Desecration, 10. The Remnant, 11. Armageddon, 12. Glorious Appearing.

Swords and Plowshares Timothy D. Padgett, 2018-08-29. Evangelicals are warmongering nationalists, right? Many assume that evangelicals have always shared the ideology and approach of the Moral Majority. But the truth is much more complex. Historically, evangelical rank and file have not held to one position about war; instead, they are strewn across the spectrum from love of peace to glorying in war. Timothy Padgett presents evangelicals in their own words. And in so doing, he complicates our common perceptions of evangelical attitudes towards war and peace. Evangelical leaders regularly wrote about the temporal and eternal implications of war from World War II to the Vietnam War. Padgett allows us to see firsthand how these evangelicals actually spoke about war and love of country. Instead of blind ideologues, we meet concerned people of conviction struggling to reconcile the demands of a world in turmoil with the rule of the Prince of peace.

As You Law It - Negotiating Shakespeare Daniela Carpi, François Ost, 2018-10-22. Shakespeare was fascinated by law, which permeated Elizabethan everyday life. The general impression one derives from the analysis of many plays by Shakespeare is that of a legal situation in transformation and of a dynamically changing relation between law and society. Law and the jurisdiction of Renaissance times: Shakespeare provides the kind of literary supplement that can better illustrate the legal texts of the sixteenth and early seventeenth centuries. There was a strong popular participation in the system of justice, and late sixteenth-century playwrights often made use of forensic models of narrative. Uncertainty about legal issues represented a rich potential for causing strong reactions in the public, especially feelings concerning the resistance to tyranny. The volume aims at highlighting some of the many legal

perspectives and debates emplotted in Shakespearean plays also taking into consideration the many texts that have been produced during the latest years on law and literature in the Renaissance Armageddon's Arrow Dayton Ward,2015-05-26 When the U S S Enterprise encounters an alien vessel that is actually a weapon capable of destroying entire worlds her crew is plunged into the middle of a conflict in which both sides will do anything to possess the weapon **Fever in the Dark** Ellen Hart,2025-09-23 Ellen Hart was named the 2017 MWA Grand Master the most distinguished lifetime achievement award offered in the mystery community In **FEVER IN THE DARK** by MWA Edgars Grand Master Ellen Hart Fiona and Annie return home from their one year anniversary trip to discover that their poignant proposal video has been posted on YouTube and has garnered hundreds of thousands of hits The video is on the verge of going viral and there s enormous media interest in Fiona and Annie as their fame comes just on the heels of the Supreme Court s decision to legalize gay marriage across the country As some of the attention starts to turn vicious Fiona pulls in an old friend private investigator Jane Lawless to help separate the harmless threats from the potentially harmful As the media storm continues to grow Fiona revels in the attention but Annie is furious Fiona has always known that Annie has secrets but her newfound notoriety threatens to bring Annie s past straight to their door And then when a murder occurs and Annie and Fiona are both suspects it s up to Jane to prove their innocence although the more she learns the more she starts to wonder whether they actually are innocent Ellen Hart will once again captivate readers with her trademark smart clever mystery plotting and rich human characters **The Oxford Handbook of Millennialism** Catherine Wessinger,2016-07 Seventh Day Adventists Melanesian cargo cults David Koresh s Branch Davidians and the Raelian UFO religion would seem to have little in common What these groups share however is a millennial orientation the audacious human hope for a collective salvation which may be either heavenly or earthly The Oxford Handbook of Millennialism offers readers an in depth look at both the theoretical underpinnings of the study of millennialism and its many manifestations across history and cultures A Testimony of Jesus Christ - Volume 2 Anthony Charles Garland,2007 A Commentary on the Book of Revelation Volume 2 The author presents a detailed study of the Book of Revelation emphasizing prophetic themes from the rest of the Bible which find their fulfillment in Revelation To understand this controversial book the author explores the many connections between the visions seen by the Apostle John and previous prophetic revelation given to Old Testament prophets such as Daniel Ezekiel and others It is the author s conviction that an understanding of related passages elsewhere in the Bible is the most important key to unlocking the bewildering variety of interpretations which often accompany the study of the last book of the Bible The commentary can be used in conjunction with a free companion internet course providing an additional 70 hours of audio instruction linked to almost 1 000 slides **The Experiment at Philadelphia** Kurt B. The Big Engine That Didn't Gary Demasi, 2009-09 In case you didn't notice ahem we are very near to Armageddon at the moment This is not a coincidence and it's not because of the government and the politicians The spiritual Armageddon that we are near is because of our own actions not because of anyone else's The very core of America the general population now feed off of the Malignant Menu which is all of the decadence degeneracy and depravity of Lucifer's Lighthouse TV the smut porno violence the love and worship of money fame and glory and the adoration of the Lords of Nothing which are all of the fake idols that we worship that possess these things all at the expense of the soldiers Jesus God Himself and anyone else that is a giver and not a taker The true gods of America now are money and power and it is our demise My books address our true problems and our true 1 nemesis of all time America itself in the fact that we are the only ones that can take us out of God's good graces Unfortunately most of us have done just that Our lives have become frivolous and superficial with pathetic vacuous empty goals and priorities What were supposed to be pastimes and diversions have now become the very core of our existence Every day America loses more and more spirituality as we move further and further away from God and his rule We may have actually become Satan's favorite pet Almost all of what we refer to as traditional American values is nothing more than warped skewed and maligned systems that are about self convenience and ego including the worship of baseball players

movie stars musicians and basically anyone else who has what we covet above all else which is the cash and the fame We've allowed all proper reference and reverence to be thrown away for our own gain out of greed and selfishness In my books I don't tell you what you want to hear I tell you the hard facts instead I have the truth for and you're not going to like it Read on if you dare I am presently 50 years old and this is my third venture into writing Believe it or not I was doing stand up comedy and making people laugh Now I may be making them cry But at that point I realized that we don't need another superficial entertainer We need to be saved About 99% of the rest of the authors in this country are doing nothing more than selling you Psychic Prozac which is all of the lies and fantasy that you gobble up about how great that you are individually and as a nation As long as they Get You Out of Dodge they'll make money off of your weakness and they do every day I'm one of the very few people that are actually trying to fix the sad reality instead of keeping you away from it so that you don't have to face it Pretty soon we won't have to face anything except the wrath of God
