even want to be on vacation until he meets Leah Pennington the manager of The Puanani Resort What intrigues him is not that they have the same last name or that they both hail from Arizona It s her habit of vacillating between a professional facade and her personal self that has him taking notice Leah s breathless moment at seeing a cowboy at the reception desk is as much caused by concern as excitement Upon meeting Cord she s happy to help him enjoy his stay as long as it stays professional But their constant proximity thanks to her job and Cord s kindness is taking a toll on her willpower until she not only finds herself falling for him but even reveals her reason for never returning to Arizona As Cord s vacation draws to a close he s determined to convince Leah they could have a future together despite the miles that separate them But when his own secret is revealed the ocean between them is the least of his troubles *Rodeo as Refuge, Rodeo as Rebellion* Elyssa Ford,2020-11-23 From the Wild West shows of the nineteenth century to the popular movie Westerns of the twentieth century one view of an idealized and mythical West has been promulgated Elyssa Ford suggests that we look beyond these cowboy clichés to complicate and enrich our picture of the American West *Rodeo as Refuge* *Rodeo as Rebellion* takes us from the beachfront rodeo arenas in Hawai i to the reservation rodeos held by Native Americans to reveal how people largely missing from that stereotypical picture make rodeo and America their own Because rodeo has such a hold on our historical and cultural imagination it becomes an ideal arena for establishing historical and cultural relevance By claiming a place in that arena groups rarely included in our understanding of the West African Americans Native Americans Mexican Americans Native Hawaiians and the LGBT community emphasize their involvement in the American past and proclaim their right to an American identity today In doing so these groups change what Americans know about their history and themselves In her journey through these race and group specific rodeos Ford finds that some see rodeo as a form of escape a refuge from a hostile outside world For others rodeo has become a site of rebellion a place to proclaim their difference and to connect to a different story of America Still others like Mexican Americans and the LGBT community look inward using rodeo to coalesce and celebrate their own identities In Ford s study of these historically marginalized groups she also examines where women fit in race and group specific rodeos and concludes that even within these groups the traditional masculinity of the rodeo continues to be promoted Female competitors may find refuge within alternate rodeos based on their race or sexuality but they still face limitations due to their gender identity Whether as refuge or rebellion rodeos of difference emerge in this book as quintessentially American remaking how we think about American history culture and identity *Brace for Impact* Apocalypse D,2007-06 Two archenemies best friends set off on a journey across America to save their friend They have six days to reach San Francisco from Kentucky but they have no money and few practical skills Along the way they encounter truckers pro wrestlers love crazed middle aged Japanese women robots an insane smoothie maker and a plan to bring down the Internet **Simply Business** Megan Matthews,2022-06-21 A new funny billionaire Pelican Bay love story from USA TODAY Bestselling author Megan Matthews Fingers crossed my grandmother s old florist shop doesn t crumble around me

dog Bacon His smile begs me to give him a shot but I m focused on beating Causebay Family Farms at this year s Taste Off What might happen if I take my eye off the prize for one night of drinks and desserts Winning this competition will put Oceanview Orchards on the map I can t lower my guard now My family needs me to prove we re the best apple orchard in Maine No one can stand in my way The stakes are high and losing might cost me everything **Official Gazette of the United States Patent and Trademark Office** ,2006 *Grandpa the Cowboy: A Young Man's Journey through the American West* Deb Rotman,2022-09-09 In 1904 Eugene J TenBrink a second generation immigrant from the Dutch enclave of West Michigan traveled to the Great Plains to see the American West for himself He found work with a bonanza farm in Mayville North Dakota a cattle ranch in Miles City Montana and a shepherding outfit outside of Sheridan Wyoming Although seemingly mundane and unremarkable Eugene lived the tremendous social economic and technological changes that were occurring throughout the United States in the decades surrounding the turn of the 20th century Farm laborer ranch hand sheep foreman and cowpuncher were roles Eugene filled during his time out West 1904 1910 and through which his life gives us insights into a country undergoing profound transformation *Rodeo in America* Wayne S.
