would resist to her utmost would be the restitution of Alsace Lorraine to France Nevertheless it was absurd for Baron von Kuhlmann to assert as he did shortly after his appointment as German Minister for Foreign Affairs that the sole obstacle to peace was the question of Alsace Lorraine As our Foreign Secretary Mr Balfour replied virtually repeating the utterances of our successive Prime Ministers Mr Asquith and Mr Lloyd George we undoubtedly desire to see Alsace Lorraine restored to France but it is ridiculous to imagine that this one question stands out solitary preeminent unconnected with any other of the objects of the war We are fighting as Mr Balfour said in order in the first place that Europe may be freed from the perpetual menace of the military party in Germany and assuredly if that object is to be attained questions affecting quite a number of countries will require solution About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works Alsace-Lorraine Daniel Blumenthal,1917

Alsace-Lorraine George Wharton Edwards,1918 **Alsace-Lorraine (Classic Reprint)** George Wharton Edwards,2016-09-13 Excerpt from Alsace Lorraine In the United States in England and in France there are half a million of Alsations who would not consent to leave their adopted homes and new occupations for the doubtful opportunity of taking part in a plebiscite in the country of their birth They know too well the touch of the iron hand The seizure in 1871 of alsace lorraine is regarded by the Germans as the crowning triumph and victory of the Bismarckian era of conquest and it must be made for them by ourselves and our Allies one of the reasons for their defeat in the present war which that blood steeped war master of Europe has precipitated upon the nations for their domination The wrong done to Belgium is not greater than that done to alsace lorraine save that the latter country has not yet been so wrecked by fire and sword About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
