## **Alternative Twelve Steps A Secular Guide To Recovery:**

*The Alternative 12 Steps* Martha Cleveland,Arlys G,2014-07 In 1991 two women were successfully working the 12 Step program and they were atheists They knew the program worked and translated the Steps into secular terms This ground breaking book as valuable today as it was when it was first written is their sharing of this secular translation In The Alternative 12 Steps A Secular Guide to Recovery Martha Cleveland and Arlys G show how the 12 Step program can be interpreted and worked by those who simply do not believe in an interventionist deity At the same time the authors conscientiously maintain the intention and integrity of the program its values scope and depth A chapter is devoted to each Step The language is clear engaging and personal The Foreword to this Second Edition of the book begins with a striking quote from Chapter Three which captures the essence of both the book and the 12 Steps We can learn the universal generic pattern of life s dance from the 12 Steps But in our individual dance of life we choose our own music and dance our own dance This is a unique inspiring and helpful book for anyone regardless of belief or lack of belief who would like to work the 12 Step program

[Seeking a Higher Power](#) Michael Cowl Gordon,2025-02-25 Alcoholics Anonymous and other twelve step programs have had great success in restoring the lives of millions of people However millions more fail to grasp the program successfully The biggest obstacle appears to be the requirement of reliance on a higher power Many people are turned off by the frequent mention of God in the meetings and the literature This book offers the reader ways to approach the idea of a higher power and of how to rethink the idea of God that hopefully will overcome prejudice that has built up in the minds of prospective members Gordon has written a collection of 38 essays on topics such as love spirituality Buddhism Native American spirituality and compassion and an offers an extensive bibliography and suggested reading list This book will be a valuable resource for people trying to negotiate their recovery journey
