

The background of the entire image is a photograph of a sunset or sunrise over a body of water. The sky is filled with dark, heavy clouds, but a bright, golden light from the sun is breaking through near the horizon, creating a strong glow and illuminating the clouds from below. The water in the foreground is dark and shows some texture from waves. A thin white rectangular border is superimposed over the image, framing the text.

Poetic Leaps in Zen's Journey of Enlightenment Yong Zhi, 2012-08 While the philosophical discussion of Zen spirituality reaches its limit poetry offers an effective expression of the sublime experiences From a poetic perspective enlightenment is understood as poetic leaps in the spiritual journey which brings people from the habitually or conventionally established world toward new horizons of consciousness This leap is a breakthrough in the overall consciousness rather than a progression in contemplative thought Therefore it cannot be adequately described through abstract representation but poetry can metaphorically capture this leap and reveal both the spiritual meaning and the practical wisdom of enlightenment This book will take you on this fantastic journey of enlightenment
