Alzheimers A Practical Guide For Carers To Help You Through The Day:

Alzheimer's Frena Gray Davidson,1995 **Whitaker's Books in Print** ,1998 *Communication and the Care of People with Dementia* John Killick,Kate Allan,2001 This book argues that communication is at the heart of all approaches to dementia care and is an in depth exploration of ways of establishing and developing communication with people with dementia It examines both the nature of dementia as a condition and the subjective experience of those affected The authors consider in detail how communication between people with dementia and those who care for them changes and how it can be maintained and enhanced They include a significant amount of material quoted from people with dementia and suggest ways of interpreting their words and actions We learn about what it might be like to have dementia and what sort of help is needed by people in this situation Throughout the book the authors address the ethical issues and the implications for practice The combination of creativity and critical analysis which the joint authors as poet and psychologist bring to this book is especially productive The interweaving of substantial practice examples based on conversations with people with dementia give persuasive authority to the careful exposition and detailed analysis The book is much more than an exhortation to carers about how they should communicate It challenges them to understand themselves and shows how they might use themselves to engage with people with dementia Faith Gibson Emeritus Professor of Social Work Communication and the Care of People with Dementia is a key resource for students and professionals in health and social care work including those in such fields as social work nursing occupational therapy speech therapy physiotherapy clinical psychology geriatric medicine and the management of services **Ti, kteří se starají** Eva Dragomirecká,2020-09-01 Je p e o star rodi e o ek van a uzn van hodnota anebo handicap kter sni uje soci ln postaven pe uj c ch Je diagn za demence stigma Jsou pro pe uj c rodiny nejv t m probl mem finan n n roky p e nebo riziko ztr ty zam stn n i se pot kaj sp s nedostatkem asu na p i anebo s fyzickou nebo psychickou obt nost p e Co nejv ce chyb v syst mu zdravotn ch a soci ln ch slu eb v esk republice A nakolik jsou pe uj c m rodin m prosp n sou asn formy podpory Takov byly koly v zkumn ho projektu Hodnocen pot eb rodinn ch p slu n k pe uj c ch o seniory jeho v sledky p edkl d tato kniha **Reminiscing with People with Dementia** Errollyn Bruce,Sarah Hodgson,1999
