Am I Crazy Or Is It My Shrink:

Am I Crazy, Or is it My Shrink? Larry E. Beutler, Bruce Bongar, Joel N. Shurkin, 2023 This book offers practical supportive advice for patients in therapy and seeking a change or those searching for their first therapist Two professionals join forces with a journalist and sort through more than 400 recommended therapies *Am I Crazy, Or Is It My Shrink?* Larry E. Beutler, Bruce Bongar, Joel N. Shurkin, 1998-04-23 With over 400 types of psychotherapy available ranging from the highly effective to the highly questionable to the downright fraudulent the task of choosing a therapist can be daunting Now *Am I Crazy Or Is My Shrink* gives you all the information you need to get the most effective help and to know when your therapy is working or when it's time for a change Drawing on years of practical experience and the most up to date research the authors give you expert guidance on all the issues you should consider whether you're seeking therapy or uncertain about the therapy you're receiving What questions should I ask my therapist about a recommended treatment What personal qualities and professional qualifications should I look for in a therapist What do research studies say about the effectiveness of a particular therapy How do I recognize when a therapist is not right for me How can I tell when my therapist's behavior is unethical or unprofessional What strategies can I use to evaluate my progress The authors also provide an overview of the main branches of psychotherapy and suggest which approaches are best suited to the most commonly occurring problems such as depression anxiety obsessive compulsive disorders eating disorders relationship and sexual difficulties and many others Finally the authors stress that because therapies don't come with warning labels and because a therapist will typically apply his or her theory to whoever walks through the door regardless of their unique symptoms and circumstances it is essential to choose your therapist wisely with as much forethought as possible *Am I Crazy Or Is My Shrink* empowers you to make that choice with confidence and to be a knowledgeable participant in your own treatment **Am I Crazy, Or is it My Shrink?** Larry E.
