and emotion *The Lord of the Sabbath Opens His Book of Revelation* Christopher Fung, 2017-09-11 Intuitive logical thinking would suggest that Revelation should be One biblically coherent and complete narration That uses only natural and biblical symbols To retell God s consistent work from beginning to end That reveals Jesus and his resurrection as the focus To call for decisive response from every person For the creation which God loves and will glorify To close God s written oracle to humankind But almost no one has been able to demonstrate these Through the lens of God bringing his created order from the beginning to his final Sabbath in Jesus Christ and noticing an overlooked peculiarity of Revelation chapter 20 is glaringly different to the rest of the chapters the mysteries of Revelation are shown to be plainly manifested truths already in the Bible rather than esoteric and hidden teachings still to be deciphered Centering Jesus in all things Revelation filters out inconsequential and errant teachings and highlights the essential core of Judeo Christianity to prompt a response from every person made in God s image Poignantly it shines a light on the current global crises environmental political religious and economic This book s common sense context first exegesis sets it apart from most other Revelation commentaries on the market **The Weapon of Prayer** David Ireland, 2015 If prayer was the weapon of choice for Jesus Shouldn t it also be yours **Faith in the Fast Lane** Ken Owen, 2003 Race cars hot rods motorcycles BMX racing has captured the heart of America Ken Owen president of Racers For Christ draws on his love of fast paced action and years ministering to professional drivers and their crews to create devotions that reveal God s wisdom grace and provision through the joy of car ownership exhilaration of tracks and open roads deep satisfaction of relationships From pit stops for maintenance and spiritual renewal to roaring under the checkered flag for the win and an opportunity to glorify God readers will experience the excitement of racing and discover the freedom found in Christ *Prayer and Fasting* Lionel Stokes, 2013-06 If you want to have a conversation with God then you need to do two things pray and fast In this primer focusing on these fundamental activities of faith Rev Dr Lionel Stokes shares her transforming life experiences exploring what the Bible says about prayer why there are so many misconceptions about fasting and how fasting and praying interact with each other True prayer is a conversation with God but many think of it as a monologue because of the way it occurs in church It s often like a one way telephone conversation in which one person goes on endlessly without the slightest pause for even an aha from the other party and then the caller hangs up before a response can be made Whatever our circumstances or situations there are times when we want or need to communicate with God or to hear from Him The means by which we do this therefore must be simple and clear If you want to have a real conversation with God and develop a stronger relationship with Him then praying and fasting are the answers but you need to do it right Take a balanced approach that s safe and effective and move closer to the Lord with Prayer and Fasting **There Will Be No Rescue** Steve Aiken, 2006-08-07 The autobiography of Steve Aiken Written for the Christian who may have strayed from Lord and cannot find their way back This evangelistic tool will also hold the interest of the non believer from start to finish For those who have been hurt or scarred in or by Christians churches or

Christian organizations this is a must read for those who have fallen and can't get up As a former police officer bodyguard D C lobbyist and radio talk show host Steve tells the story of his life with a self help approach that is certain to encourage the reader From the pinnacle of success to absolute ruin and public scorn from breaking his neck to coming back years later and winning a state racquetball championship and from running one of the most heated congressional campaigns in the country to losing almost everything in his life again Steve holds nothing back in sharing the biblical life lessons he has learned
