Bonaventure Mystical Writings:

Bonaventure Zachary Hayes,1999 The life ideas and selected writings of one of the greatest mystical philosophers of all time St Bonaventure 1221 1274 is known as the Seraphic Doctor in honor of one of the basic qualities of his teaching the purest love He left us with a treasury of class writings of philosophical mysticism that explored the ascent of our minds and souls to God **The Works of Bonaventure** St Bonaventure,2011-10-01 [Works of Bonaventure](#) Saint

Bonaventure,2020-12-03 This Doctor of the Church in a lifetime crowded with absorbing activities as ruler of his Order for almost twenty years as Cardinal Bishop as director of the deliberations of an ecumenical council yet became one of the Church s supreme expositors of the theology of love From the first he was known to be a giant and succeeding centuries saw almost innumerable editions of his works Archbishop Paschal Robinson has pointed out that no writer from the Middle Ages onward has been more widely read and copied Yet comparatively little of this interest is reflected in publications in the English tongue Of course the Prince of Mystics as Leo XIII called him is not wholly unknown among us So great is the power of his genius so insistent his message to the heart and spirit that these qualities have in some degree forced their way through whatever barriers exist Translators of merit both Franciscans and others have brought over into English separate chosen opera and these have conveyed enough of his greatness to establish it as a fact But though he is an acknowledged master he remains by and large to us a master still unread *The Works of Bonaventure* St. Bonaventure,2020-12-03 The Works of Bonaventure is a collection of writings by the Middle Ages Cardinal and Saint Bonaventure This particular compilation the Mystical Opuscula is a collection of five of Bonaventure s most respected works dealing with topics of theology like the individual s journey toward God prayer meditation the life and Passion of Christ and the life of piety and faith Not much is known about the Prince of Mystics early life He was born Giovanni di Fidanza in 1221 near Vitero Italy and first entered the Franciscan Order in 1243 Bonaventure undertook his education at the University of Paris and stayed to teach theology for the next 12 years At the age of 36 Bonaventure was elected the Minister General of the Friars Minor an office he held for many years In 1271 he was instrumental in securing the election of Pope Gregory X The new pope then appointed Bonaventure as Cardinal Bishop of Albano He wrote extensively drafting over 20 works of philosophy and theology His interpretation of scripture is often heavily symbolic but he never shied away from the pain and cruelty inflicted upon Christ The Passion was one of the most visited topics in Bonaventure s writing He found the suffering of Christ to be the most important event in history the greatest proof of God s love for humanity Among his many writings include the five works published here in the Mystical Opuscula The Journey of the Mind to God The Triple Way or Love Enkindled The Tree of Life The Mystical Vine On the Perfection of Life Addressed to Sisters The Journey of the Mind to God often considered one of his masterpieces describes the six steps man should take to contemplate God beginning with acknowledging God through his creation and finishing with considering the Holy Trinity After dedicating oneself to the six ways of thought the result will be

peace and repose a quiet mind and a soul risen toward God The Triple Way or Love Enkindled explains how meditation prayer and contemplation can lead to purification illumination and unity with God The Tree of Life is a meditation on the life death and resurrection of Christ It takes the form of 12 fruits born on the Tree of Life in the paradisiacal Garden of Eden The fruits on the bottom four branches concern the origins and life of the man Jesus The next four branches describe the Passion and the top four describe the glories of His resurrection and ascension The Mystical Vine Treatise on the Passion of the Lord explores the symbol of the vine as Christ himself The pruning tying and flowering of the vine are all used as metaphors for the events of the life and Passion of Christ and the leaves of the vine are symbols for His words upon the cross On the Perfection of Life Addressed to Sisters was written at the request of St Isabelle of France the sister of King Louis IX The work is subtitled An outline of spiritual progress and describes the life of humility poverty silence prayer and perfect love for God that the brides of Christ should live to be close to Him Over 200 years after his death Bonaventure was canonized Saint Bonaventure by Pope Sixtus IV He is still considered one of the greatest thinkers and writers of the Middle Ages and his work remains essential reading for any student of theology or philosophy

Bonaventure Bonawentura ((święty ;),1978 But if you wish to know how these things come about ask grace not instruction desire not understanding the groaning of prayer not diligent reading the Spouse not the teacher God not man darkness not clarity not light but the fire that totally enflames and carries us into God by ecstatic unctions and burning affections This fire is God and his furnace is in Jerusalem Bonaventure 1217 1274
