A Verse by Verse Study of the Book of Revelation Glenn Earle Cummings,2007-02 **The Secret Code of the King James Bible** Abdullahi Mubarak,2012-12-07 This book I believe for the first time reveals knowledge that has been buried in the Bible under a secret code There have been many attempts to uncover this code and all previous attempts have contributed in a positive way to this writing The book is my personal contribution to improvement of mankind through the acknowledgment of the truth and the defeat of falsehood I am not though writing this with rose colored glasses There will always be those who hate the Truth for personal worldly gains those who take comfort in falsehood those who would follow blindly what their ancestors believed true or false those who worship at the altar of their base desires and those who benefit from evil in the world The ultimate victory of Truth over falsehood is with God Almighty and I wish that the reader is guided to the Truth This book is also a way to thank God Almighty for guiding me away from falsehood and this book is for others like me רוברטה אוסר באום Roberta Osser Baum,Behrman House,2000-12-15 Give your students a taste of Torah Let them thrill with the excitement of reading and understanding text in the original Hebrew and help them develop the skills for a lifetime of talmud Torah **Quaestiones Mosaicæ; Or, the First Part of the Book of Genesis, Compared with the Remains of Ancient Religions ...
