Book Handbook 1948 Num5:

The ^AOxford Handbook of Deuteronomy Don C. Benjamin,2024-12-03 The Oxford Handbook of Deuteronomy is a gateway to what legal traditions teach about the cultural identity and social world of the people of YHWH how they thought about themselves and about their world and how they faced and resolved the challenges of daily life This Handbook introduces readers to significant topics in the thriving conversation and the rich diversity in the academic community studying Deuteronomy Women, Religion, and the Gift Morny Joy,2016-10-19 This book introduces the special dynamics of women and their close relationships with the gift in both past and contemporary religious settings Written from a cross cultural perspective it challenges depictions of women s roles in religion where they have been relegated to compliance with specifically designated gendered attributes The different chapters contest the resultant stereotypes that deny women agency Each chapter describes women as engaged in an aspect of religion from that of ritual specialists to benefactors and patrons or even innovators The volume examines topics such as sainthood and sacrifice so as to refine these ideas in constructive ways that do not devalue women It also examines the meaning of the term gift today embracing the term in both figurative and literal ways Such a collection of diverse women s writings and activities provides a significant contribution to their quest for recognition and also suggests ways this can be understood and realized today Printing and Calligraphy Chiswick Book Shop, New York,1989 Catalog of the Oriental Institute Library, University of Chicago University of Chicago. Oriental Institute. Library,1970 National Union Catalog ,1956 Includes entries for maps and atlases *NIVAC Bundle 1: Pentateuch* John H. Walton,Roy Gane,Daniel I. Block,2015-11-03 The NIV Application Commentary helps you communicate and apply biblical text effectively in today s context To bring the ancient messages of the Bible into today s world each passage is treated in three sections Original Meaning Concise exegesis to help readers understand the original meaning of the biblical text in its historical literary and cultural context Bridging Contexts A bridge between the world of the Bible and the world of today built by discerning what is timeless in the timely pages of the Bible Contemporary Significance This section identifies comparable situations to those faced in the Bible and explores relevant application of the biblical messages The author alerts the readers of problems they may encounter when seeking to apply the passage and helps them think through the issues involved This unique award winning commentary is the ideal resource for today s preachers teachers and serious students of the Bible giving them the tools ideas and insights they need to communicate God s Word with the same powerful impact it had when it was first written Handbook ... 1948 ,1948* *University of California Union Catalog of Monographs Cataloged by the Nine Campuses from 1963 Through 1967: Authors & titles* University of California (System).
