the book of Acts Acts The Birth of the Church 12 weeks Acts Paul s Three Missionary Journeys 10 weeks Acts Paul s Arrest Trial and Imprisonment 8 weeks This study is about God s plan to establish His church by empowering His people with the indwelling of the Holy Spirit to proclaim the good news of salvation to a fallen world and save people from the gates of hell God used ordinary people like Peter James Stephen Philip Barnabas and Paul to be the salt of the earth and the light of the world to carry out the great commission You will receive power when the Holy Spirit has come upon you and you shall be My witnesses both in Jerusalem and in all Judea and Samaria and as far as the remotest part of the earth Acts 1 8 NASB The early church faced strong resistance from the religious and political leaders of the day as they tried to intimidate the apostles through lies betrayals violence and murder The book of Acts contains some of the Bible s biggest villains attempting to silence God s people But their bullying did not work God is bigger than any villain and through the power of the Holy Spirit many heroes emerged who overcame their fears and despite great danger they continued to proclaim the good news We cannot stop speaking about what we have seen and heard Acts 4 20 NASB There is even a villain who became a hero after encountering Jesus on the road to Damascus God changed the heart of Saul of Tarsus and used him to plant churches and evangelize most of the Mediterranean world If God can forgive a murderer like Saul and use him to write half the New Testament then God can certainly use you and I for His plan of redemption This study ends with Barnabas and Paul returning to Jerusalem after spending a year discipling the elders in the church at Antioch After Paul and Barnabas returned King Herod beheaded the Apostle James and threw Peter into prison This signified a shift in the way the apostles were being treated and ushered in a new wave of persecution against the believers Buckle up and get ready to experience the power of the Holy Spirit working through the lives of some of God s most faithful servants The Book of Acts Martin Dibelius, Provides a fresh perspective on the Book of Acts Editor s foreword highlights the importance of Dibelius s work Includes updated notes and bibliographies Indexes of ancient sources and authors The Book of Acts in Its Ancient Literary Setting Winter, Clark, 1993-11-18 The Book of Acts in Its Ancient Literary Setting includes fourteen chapters devoted to the literary framework that undergirds the Book of Acts Topics include the text as historical monograph ancient rhetoric and speeches the Pauline corpus biblical history subsequent ecclesiastical histories and modern literary method All of these chapters arise out of a consultation by the project s scholars at Cambridge in March 1993 Acts Dennis Gaertner, 1995 **The Acts of the Apostles** Lyman Abbott, 1876 **The Book Of Acts** Greg Livingstone, 2005 This book clearly portrays that God s primary purpose in giving us The Book of Acts is to show how He intends to fulfil His purposes in calling people whose hearts are attuned to be His apostles to accomplish His purposes in our generation The Book of Acts is indeed Luke s earliest church history Luke s story of the life of Christ and now the growth of the Church is meant to connect with the Old Testament story **The Book of Acts in History** Henry Joel Cadbury, 1955 A study of the Book of Acts in its contemporary environment the first examination of its place in the history of its own time **The Acts of the Apostles** , 1885 The Acts

of the Apostles David G. Peterson, 2009-04-15 A new landmark in evangelical scholarship on the book of Acts Fifteen years in the making this comprehensive commentary by David Peterson offers thorough exegesis and exposition of the Acts of the Apostles drawing on recent scholarship in the fields of narrative criticism and theological analysis incorporating insights into historical social background and investigating why Luke presents his material in the way he does In view of how long the book of Acts is over a thousand verses Peterson's commentary is admirably economical yet meaty His judgments according to Don Carson are always sane evenhanded and judicious Even while unpacking exegetical details Peterson constantly scans the horizon keeping the larger picture in mind With its solid exegesis astute theological analysis and practical contemporary application Peterson's Acts of the Apostles is a commentary that preachers teachers and students everywhere will want and need

Acts F. Scott Spencer, 1997-01-01 This reading offers a traveller's guide through the book of Acts charting both narrative features plot development character building and shifting points of view and cultural scenarios informing the story honor shame contests patron client relations and purity pollution boundaries Within this literary cultural framework Spencer undertakes to map the temporal spatial and social settings of each segment of the Acts journey While often detecting internal repetitive patterns along the way as well as comparative links with the preceding Lukan gospel and Jewish scriptures this reading also exposes certain dramatic tensions within Acts such as a double message regarding women's prophetic ministry and distinctive moves beyond prior narratives The element of surprise is maximized so that the commentary reads somewhat like a first time exploration of the text

The Acts of the Apostles Frederick Fyvie Bruce, 1952 The Book of Acts Wilson Paroschi, 2018 Thirty years that's all it took In those 30 years the Christian church gained sufficient growth and credibility to become the largest religion the world has ever seen and to change the lives of hundreds of millions of people And it all began with a dozen men a handful of women and the Holy Spirit Acts is their story While it's tempting to think of the early Christian church as the pinnacle of unity purity and perfection this is misleading Author Wilson Paroschi writes We find the early believers including the apostles entangled with misconceptions personal conflicts prejudice and several other difficulties typical of human nature They were not infallible What they were able to accomplish in such a short period of time however is a perpetual testimony of how powerfully God can work when men and women despite their limitations and failures humble their hearts in prayer and submit their lives to the control of the Holy Spirit We should not look at Acts as a retelling of the missionary successes of the apostles but rather as an example of the amazing things God was able to accomplish through them in reclaiming humanity for Himself Book jacket

Acts for Everyone, Part One N. T. Wright, 2008-02-14 Enlarged print edition now available Writing in an accessible and anecdotal style Tom Wright helps us to approach the rich and many sided story of the book of Acts Wright shows how the book builds on Luke's Gospel laying out the continuing work and teaching of the now risen and ascended Jesus in the power of the Spirit His writing captures the vivid way in which Luke's work draws us all into the story while leaving the ending open and challenging inviting Christians

today to pick up and carry on the story as we in turn live our lives in the service of Jesus Tom Wright has undertaken a tremendous task to provide guides to all the books of the New Testament and to include in them his own translation of the entire text Each short passage is followed by a highly readable discussion with background information useful explanations and suggestions and thoughts as to how the text can be relevant to our lives today A glossary is included at the back of the book The series is suitable for group study personal study or daily devotions

The Book of Acts in Its Graeco-Roman Setting David W. J. Gill, Gempf, 1994-05 The Book of Acts in Its Graeco Roman Setting locates the Book of Acts within various regional and cultural settings in the eastern Mediterranean These studies draw on recent archaeological fieldwork and epigraphic discoveries to describe the key cities and provinces within the Roman Empire The relevant societal aspects of these regions such as the Roman legal system Roman religion and the problem of transport and travel all help contextualize the book of Acts

The Book of the Acts Frederick Fyvie Bruce, 1988 First published in 1954 F F Bruce s volume on the Book of Acts in the NICNT series has stood for more than forty years as a standard commentary on Acts In keeping with the effort to be faithful to the description new in the series title however Bruce undertook a thorough revision of this commentary before his death in 1990 Expanded and fully updated this volume now reflects the best elements of recent notable contribution to the study of Luke Acts as well as the author s own deepened understanding gained from years of further reflection on the text Whereas the first edition used the text of the American Standard Version of 1901 this revision is based on Bruce s own fresh translation of the Greek text The result is a work that makes transparent the walls between the first and twentieth centuries and enables readers to hear not only the voice of Luke but the Word of God Jacket flap
