Bette Davis Speaks Boze Hadleigh,Bette Davis,1997 The first interview book with the late legend

Bette Davis Grace May Carter,2017-06-15 In a career that spanned six decades two Academy Awards and ten Oscar nominations Bette Davis became one of the greatest screen legends of all time But as her epitaph says She did it the hard way She was in constant battles with co stars directors and studios and struggled with addictions to alcohol and cigarettes She had four stormy marriages and even her three children brought pain and controversy one wrote a scathing tell all book another had a severe mental disability and a third was the subject of a prolonged custody battle But in her iconic film roles including All About Eve and What Ever Happened to Baby Jane Davis transcended her troubles to leave an indelible mark on American cinema Possessing none of the glamorous beauty of Greta Garbo she had something more powerful and lasting a restless incandescent energy that made her mesmerizing to watch on

the big screen Here is Davis s story her famous feud with Joan Crawford skirmishes with Errol Flynn affairs with Howard Hughes and William Wyler and enough drama confrontation and heartache to fill several lifetimes But she never regretted a single moment Being hysterical is like having an orgasm Davis once cracked It s good for you [\[Must Read Personalities\]](#) [A life Story of Bette Davis](#) InRead Team,2022-06-05 Description This Book provides a quick glimpse about the life of Bette Davis **Farmers' Bulletin** ,1929 [The Women of Warner Brothers](#) Daniel Bubbeo,2010-06-21 The lives and careers of Warner Brothers screen legends Joan Blondell Nancy Coleman Bette Davis Olivia de Havilland Glenda Farrell Kay Francis Ruby Keeler Andrea King Priscilla Lane Joan Leslie Ida Lupino Eleanor Parker Ann Sheridan Alexis Smith and Jane Wyman are the topic of this book Some achieved great success in film and other areas of show business but others failed to get the breaks or became victims of the studio system s sometimes unpleasant brand of politics The personal and professional obstacles that each actress encountered are here set out in detail often with comments from the actresses who granted interviews with the author and from those people who knew them best on and off the movie set A filmography is included for each of the fifteen [Box Set: Ingrid Bergman, Bette Davis, Katharine Hepburn, Elizabeth Taylor](#) Grace May Carter,2018-10-12 Here from New York Times bestselling biographer Grace May Carter are the extraordinary lives of Ingrid Bergman Bette Davis Katharine Hepburn and Elizabeth Taylor Ingrid Bergman emerges as a devoted artist whose refusal to be a caricature caused her endless trouble but also produced brilliant performances from her early role opposite Humphrey Bogart in Casablanca to her profound and final appearance as Israeli Prime Minister Golda Meir In between there were four children including actress Isabella Rossellini three husbands and passionate affairs with war photographer Robert Capa Wizard of Oz director Victor Fleming and Spellbound co star Gregory Peck She was perhaps the most international star in the history of entertainment and without a doubt one of the most misunderstood In a career that spanned six decades two Academy Awards and ten Oscar nominations Bette Davis became one of the greatest screen legends of all time But as her epitaph says She did it the hard way She was in constant battles with co stars directors and studios and struggled with addictions to alcohol and cigarettes She had four stormy marriages and even her three children brought pain and controversy one wrote a scathing tell all book another had a severe mental disability and a third was the subject of a prolonged custody battle But in her iconic film roles Davis transcended her troubles to leave an indelible mark on American cinema Possessing none of the glamorous beauty of Greta Garbo she had something more powerful and lasting a restless incandescent energy that made her mesmerizing to watch on the big screen Katharine Hepburn was far more than an iconic movie star who won four Academy Awards for best actress and made classic films that still rank among the greatest of all time She also exerted a unique influence on American popular culture challenging rigid assumptions about how women should behave and almost single handedly gave them permission to wear pants The list of adjectives used to describe Hepburn bold stubborn witty beautiful only begin to hint at the complex woman who entranced audiences around the world

So here is the full epic story of the patron saint of the independent American female as one critic described her Hepburn always lived life strictly on her own terms And oh what a life it was For a time Elizabeth Taylor was the world s biggest star but it was her off screen life eight stormy marriages a jewel encrusted lifestyle and struggles with weight and various addictions that provided the most riveting drama Long before the age of reality television Taylor showed how fame could take on a volatile life of its own obscuring the real person behind the media fa ade Now in this compelling biography we meet the real Elizabeth Taylor as she grows from precocious child star to the most beautiful woman in the world to serious actress to pop culture punch line and finally successful entrepreneur philanthropist and HIV AIDS activist Along the way she is vilified by fans for stealing singer Eddie Fischer from Debbie Reynolds becomes trapped in a cycle of destructive affairs with Richard Burton and desperately tries to recapture the childhood she never had with the eccentric pop star Michael Jackson I ve always admitted that I m ruled by my passions she once said and those passions make for a gripping epic tale of tribulation and triumph

The Girl Who Walked Home Alone Charlotte Chandler,2008-12-09 Of Human Bondage Jezebel All About Eve Whatever Happened to Baby Jane Just this short list of Bette Davis films gives an unmistakable sense of the role she played in twentieth century cinema as one of the finest performers in Hollywood history Drawing on an extensive series of conversations that took place during the last decade of Bette Davis life this biography draws heavily on the actresses own words Looking back over the decades from her teenage decision to become an actress to the pain and outrage over her daughter s bitter portrayal of her Davis speaks with extraordinary candour She explains how her father s abandonment of her a child reverberated through her four marriages and discusses the persistent Hollywood legend that she was difficult to work with Immersing readers in the drama and glamour of movie making s golden age **The Girl Who Walked Home Alone** is a startling portrait of an enduring icon
