The Book of Canadian Antiques Donald Blake Webster,1974-01-01 An authoritative and up to date guide to all the major fields of Canadian antiques with more than 400 photographs of Canadian antiques **Canfake** Donald Webster,1999-04-17 The grand game of antiques collecting is often as near as one can come in a non violent if not necessarily peaceful way to a blood sport In a game without rules everyone tries to outwit everyone else but Donald Webster s book will give you the information that will allow you to know what sort of antique dealers to avoid what type of goods are most likely to be faked and how you can turn into a sleuth who knows what to look for to detect fakes *Art Et Architecture Au Canada* Loren Ruth Lerner,Mary F. Williamson,1991-01-01 Identifies and summarizes thousands of books article exhibition catalogues government publications and theses published in many countries and in several languages from the early nineteenth century to 1981 *Dad's Best Memories and Recollections* Charles J. Humber,2016-01-19 DAD S BEST MEMORIES AND RECOLLECTIONS is Chazzz Humber s epitaph casting a very long and sentimental shadow across North America and beyond This 230 page volume is his granite monument well polished It lavishly records 125 of his best memories over a life span of nearly eighty years The vignettes are serenaded with more than 400 illustrations Those discovering this volume likely will find themselves wanting to record in their own sunset years their personal memories and recollections And when they do they are apt to recall what it was like to live in their fluctuating world dominated by a variety of personalities and cascading events Mr Humber vividly describes what it was like in 1945 to travel in a 1930 Model A Ford from Toronto to Boston With lively enthusiasm he reports what it was like to live in post World War II Boston to cook a lobster for a former President of the United States or to sell a pair of elevator shoes to one of Hollywood s shortest celebrities or to shine the shoes of a Derby hatted father of a future President of the United States It is not a remarkable achievement to reflect to recall or to have memories that are treasured But to tell them with literary aplomb to recall the events that happened nearly seventy five years ago with utmost clarity is definitely an admirable achievement and should be cherished not only by the kin who follow Mr Humber but by those who might like to imitate what he has monumentally achieved in Dad s Best Memories and Recollections Glass manufacturing in Canada Barbara Lang Rottenberg,Judith Tomlin,1982-01-01 This volume examines glass manufacturing in Canada through individual company histories and includes a survey of pressed glass patterns in the National Museum of Man collections Published in English **Book of Canadian Antiques** ,1974 **The Canada Year Book** ,1975 Dictionary of Canadian Biography / Dictionnaire Biographique Du Canada Frances G. York County regions Mennonites brought to Canada a long rural tradition of building furniture making and folk art These ideas inspired the houses and farms they built and the production of a great variety of furniture and informed the emergence of a style rooted in Germany and Pennsylvania but clearly modified by the Ontario experience Mennonite Furniture is a well illustrated examination of an unmistakeable nineteenth century Ontario style of domestic construction and ornament
