Book Of Five Rings For Executives:

The Book of Five Rings for Executives Donald G. Krause, 1998 Used for centuries by Japanese businessmen and studied by many of Silicon Valley's warriors of today's wired world The Book of Five Rings by samurai swordsman Miyamoto Musashi has provided a powerful practical approach to achieving competitive dominance Now in The Book of Five Rings for Executives Donald Krause has enriched and simplified the original material of this ancient classic of competitive tactics and strategy into a set of seven clearly defined and easily applied business principles **New York Magazine**, 1981-06-29 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **The Book of Five Rings** D. E. Tarver, 2004-01-04 For centuries The Book of Five Rings has been a resource for gaining insight into the mind of the warrior spirit The famous Samurai Miyamoto Musashi originally wrote the work in 1645 Musashi the Sword Saint as he is known in Japan killed his first man in a duel when he was only thirteen He went on to fight in over sixty duels and never once lost In The Book of Five Rings Musashi recorded his secrets to success which are applicable to martial arts and any modern situation involving confrontation Until The Book of Five Rings the many translations of his original work are written from an academic standpoint because the authors have little with the sword or martial arts D E Tarver brings a lifetime of experience in sword training martial arts and business to this version and the result is a highly motivating and easy to understand book If you are serious about winning in any area of your life The Book of Five Rings is the definitive guide to victory
