Musashi's Book of Five Rings Stephen F. Kaufman, 2012-05-15 This classic interpretation of Miyamoto Musashi's famous Book of Five Rings is intended specifically for the martial artist as Miyamoto Musashi originally intended It explains the underlying truths necessary for a full understanding of Musashi's message for warriors The result is an enthralling book on martial strategy that combines the instincts of the warrior with the philosophies of Zen Buddhism Shintoism Confucianism and Taoism It is a crucial book for every martial artist to read and understand Like the original this classic book of strategy is divided into five sections The Book of Earth lays the groundwork for anyone wishing to understand Musashi's teachings the Book of Water explains the warrior's approach to strategy the Book of Fire teaches fundamental fighting techniques based on the Earth and Water principles the Book of Wind describes differences between Musashi's own martial style and the styles of other fighting schools while the Book of No thing describes the way of nature as understood through an unthinking existing preconception Famed martial artist and bestselling author Stephen Kaufman has translated this classic without the usual academic or commercial bias driving straight into the heart of Musashi's martial teachings and interpreting them for his fellow martial artists The result is an enthralling combination of warrior wisdom and philosophical truths that Musashi offered to other warriors who wished to master the martial way of bushido
