Edited by Mike and Anita Allen

The book cover features a dark, atmospheric illustration. In the foreground, a woman with long, dark, flowing hair lies on her back, her head tilted back and eyes closed. She has a pale complexion and red lips. Her right arm is raised, with her hand open and fingers spread. She is surrounded by swirling, ethereal green and yellow light patterns that resemble smoke or magic. In the background, a large, dark, curved structure, possibly a ship's hull or a giant's arm, looms over her. In the distance, a three-masted sailing ship is visible on a dark sea under a pale, hazy sky.

Book Of Love An Anthology Of Verse And Prose:

A Book of Love Arness Lorenz, 1996 Filled with the poetry and prose of the greats of English literature including Elizabeth Barrett Browning Emily Dickinson William Shakespeare and Lord Byron A BOOK OF LOVE is a book for giving or keeping for remembering and commemorating for crying and rejoicing **A Book of Love** Smithmark Publishers, Incorporated, 1996 *The Columbia Granger's Guide to Poetry Anthologies* William A. Katz, Linda Sternberg Katz, Esther Crain, 1994 Reference guide to poetry anthologies with descriptions and evaluations of each anthology *Kingship and Love in Scottish Poetry, 1424-1540* Joanna Martin, 2016-04-22 Looking at late medieval Scottish poetic narratives which incorporate exploration of the amorousness of kings this study places these poems in the context of Scotland's repeated experience of minority kings and a consequent instability in governance The focus of this study is the presence of amatory discourses in poetry of a political or advisory nature written in Scotland between the early fifteenth and the mid sixteenth century Joanna Martin offers new readings of the works of major figures in the Scottish literature of the period including Robert Henryson William Dunbar and Sir David Lyndsay At the same time she provides new perspectives on anonymous texts among them *The Thre Prestis of Peblis* and *King Hart* and on the works of less well known writers such as John Bellenden and William Stewart which are crucial to our understanding of the literary culture north of the Border during the period under discussion *The New Cambridge Bibliography of English Literature: Volume 4, 1900-1950* George Watson, I. R. Willison, 1972-12-07 More than fifty specialists have contributed to this new edition of volume 4 of *The Cambridge Bibliography of English Literature* The design of the original work has established itself so firmly as a workable solution to the immense problems of analysis articulation and coordination that it has been retained in all its essentials for the new edition The task of the new contributors has been to revise and integrate the lists of 1940 and 1957 to add materials of the following decade to correct and refine the bibliographical details already available and to re shape the whole according to a new series of conventions devised to give greater clarity and consistency to the entries *The New Cambridge Bibliography of English Literature* George Watson, Ian Roy Willison, 1974 **A Study Guide for Nikki Giovanni's "The World is Not a Pleasant Place to Be"** Gale, Cengage Learning, 2016 **MY LOVE** RATAN GHOSH, 2020-07-18 I still listen to the beatings of your heart my dear and hope to receive the fragrance of it from the grave where the music of my songs will be engraved in the form of love Yes this is an anthology of love poems entitled MY LOVE containing both Verse and Prose poems In this book the readers and the poetry lovers will definitely be deeply moved by the magical and ecstatic feelings of the poet's heart All the poems represent the common human feelings especially the feelings of the human heart instead of mind Passions emotions desires affections ambivalence of love and longings are the key words exemplifying every line of the book The verse lines will definitely transcend the readers minds from this mundane world of reality to the world of transcendence *Love, Poetry, and Immortality: Luminous Insights of the World's Great Thinkers* William Gerber, 2022-07-11 This book explores and

illustrates the individuating characteristics and the interrelationships of love poetry and literary immortality such immortality that is as writers may win in the sense of being long remembered and appreciated by future readers From the book s numerous quotations of glittering literary passages it is evident that love is often expressed in poetry and that many authors especially those writing about love have expressed the winsome hope that their works would be greatly cherished by later generations Part One of the book illustrates by passages of matchless poetry the joys and perils of love and other outstanding features of love Part Two outlines the history of expressions by writers in many cultures of their confidence or hope that their works will make them immortal

Richard Aldington Norman T. Gates,2010-11 In the most comprehensive selection of his letters ever published Norman Gates allows Richard Aldington to tell the story of his life in his own words Unlike Aldington s autobiography *Life for Life s Sake* published twenty years before his death these letters include those two important decades of his life and do not depend upon memory Gates provides an introduction to each of the book s five sections sketching Aldington s biography during that decade but the reader may then listen to Aldington s own voice speaking through his letters Richard Aldington was married to the American poet H D and was a friend to many other writers and artists at the center of the Modern period His comments on his colleagues and their work his efforts to promote their literary fortunes his passionate love for two wives and two mistresses are all a part of these letters So too are his experiences on the editorial staffs of the *Egoist* and the *Criterion* which brought him to touch with European and American writers For a clear picture of the literary world of this time Aldington s letters are indispensable
